HSBC Broking Mobile Trading App

Research Reports

You can access the research reports by following the steps below:

1. Press the “More” tab on the bottom menu then press “Research reports”.
2. After agreeing to the declaration and Terms and Conditions, you will be able to see the latest research reports.
3. You can also search the reports by market, company or sector.

HSBC Broking Internet Trading

Research Reports

The screenshot displays the HSBC Broking Internet Trading interface for Research Reports. The top navigation bar includes 'Portfolio', 'Market', 'Order status', 'My account', and 'More' (highlighted with a blue arrow and '1'). The left sidebar menu has 'Research reports' selected (highlighted with a blue arrow and '2'). The main content area features a 'research reports' section with tabs for 'Company' and 'Sector'. Below this are three filter dropdowns: 'Market' (with 'Select market'), 'Sector' (with 'Select sector'), and 'Company' (with 'Select company'). A 'Continue' button and a 'Reset' button are at the bottom left of the filters. The 'Latest reports' section shows a table with two entries:

Company	Date
AIA	23 Nov 2021
KUAISHOU TECHNOLOGY	23 Nov 2021

At the bottom right, there is a 'Page 1 of 1 pages' indicator, navigation arrows, a 'Go to page' dropdown set to '1', and a 'Go' button.

You can access the research reports by following the steps below”

1. Click the “More” tab on the top menu.
2. Click “Research reports”. After agreeing to the declaration and Terms and Conditions, you will be able to see the latest research reports.
3. You can also search the reports by market, company or sector.
