

HSBC HK App - Lite Mode – Educational Video

HSBC HK App - Lite Mode

Simple. Intuitive. Easy to use

Hello, everyone! Have you ever tried...

Queuing up to set up a time deposit account?

Choosing between bonding time with your grandson and visiting the bank?

Picking up mobile banking but don't know how?

With 6 key features, you can manage your money anytime, anywhere

Want to log on to the lite mode easily?

Log on with your PIN, Face ID or Fingerprint

Tap "Try the Lite mode now"

You are all set!

Want to check your account balance?

Tap View accounts on the main menu

To view all your accounts at a glance. Tap "Show more" for more details

Tap View details for your transaction history and balance

Staying on top of your accounts can be that easy

Want to transfer money to your other accounts?

Click "Transfer" on the main menu

and click "Transfer to my accounts"

Select "From account"

and "To Account"

Insert transfer amount and transfer date

Tap continue

and you are good to go!

Want to place a time deposit wherever you are?

Tap "Place a time deposit" on the main menu

Select a time deposit account

Insert deposit amount

Tap show offers and select your time deposit plan

There you go

Want to deposit a cheque anytime, anywhere?

Tap "Mobile Cheque Deposit"

Select your designated account and insert deposit amount

Insert Amount

Tap the camera below the "Cheques's photo"
And capture your cheque within the border
Cheque-in Successful!

Want to check your transaction record and updates?
Tap "View eStatements & eAdvices"
Tap and select your account
Choose your eStatements or eAdvice
Always stay on top of your account!
