# Hospital Cash Benefit

**Who is eligible for this Benefit?**

- Provided that the Insurance Age<sup>^</sup> of the Life Insured is within the issue age range of the Basic Plan\* and is between 19 and 60, you can opt for this Supplementary Benefit at an additional premium.

**What does it cover?**

- If the Life Insured is hospitalised for more than 24 hours, you will receive a daily cash payment.
- The daily cash payment is up to a maximum of 730 days per hospitalisation.
- You will receive double daily cash payment if the Life Insured needs intensive care treatment or any unplanned overseas hospitalisation and you will receive only half of the daily cash payment if hospitalization is inside the Mainland China.
- This cover lasts up to Life Insured's age of 65<sup>^</sup>.
- You can choose from two levels of benefit:

	<b>Plan A</b>	<b>Plan B</b>
Daily cash payment	HK\$800/US\$100	HK\$1,600/US\$200
Intensive care treatment	200% of the daily cash payment	
Unplanned hospitalisation outside Hong Kong or Mainland China	200% of the daily cash payment	
Hospitalisation in Mainland China	50% of the daily cash payment	
Maximum number of days per hospitalisation	730 days	

**What is the premium payment period?**

- The premium payment period is up to the age of 65<sup>^</sup> of the Life Insured. You should pay the premium for the entire premium payment period. Any delay or missing of the payment of premiums due may lead to policy lapse and the amount, if any, you get back may be significantly less than what you have paid.

**How is the premium of the Benefit determined?**

- The premium is determined according to the Insurance Age<sup>^</sup> of the Life Insured and the level of benefit selected.
- The premium will increase with the Insurance Age<sup>^</sup> of the Life Insured at every Policy Anniversary. A notice of such premium adjustment will be sent to the Policyholder no less than 30 days prior to it taking effect.

**When will this Supplementary Benefit terminate?**

This Benefit will automatically terminate from the earlier of the following dates and the premium for this Benefit shall cease to be payable:

- (1) the time the Policy terminates, lapses, or whenever applicable, expires, is surrendered, is converted to reduced paid-up insurance or is converted to extended term insurance; and
- (2) on the Policy Anniversary at which the Insurance Age<sup>^</sup> of the Life Insured is 65.

**Important notes**

- A claim has to be submitted within 60 days following termination of Treatment.
- The Life Insured shall not be covered by more than one Hospital Cash Benefit issued by the Company.
- No benefit shall be paid under this Benefit if the Life Insured is on temporary or permanent location in a country or countries other than the Hong Kong SAR except where such temporary location does not exceed 90 days and the medical condition or Treatment has been incurred solely as the result of an Accident or emergency situation occurring in that other country or those other countries.
- The Company may discontinue this Benefit by serving written notice to you no less than 30 days prior to effecting such discontinuance.
- Inflation risk — cost of living is likely to be higher in the future than it is today due to inflation, therefore you may receive less from the Policy in real term in the future even if the Company meets all of its contractual obligations.
- Premium Adjustment Risk — Premium may be adjusted at any Policy Anniversary. Any change in premium rate at the time of adjustment is based on factors including but not limited to actual claims experiences, outlook of future claims experiences, expenses incurred, etc. A notice of such premium adjustment will be sent to the Policyholder no less than 30 days prior to it taking effect.
- The information shown is intended as a general summary. You should read this factsheet in conjunction with the respective product brochure of Basic Plan and illustration. Please refer to the provisions of this Supplementary Benefit for the detailed terms and conditions.
