Transacting with a credit card

Authorising a transaction

- ✔ **You're responsible for every transaction (including a cash advance). This includes where a card linked to your account is used:**
 - ◆ **For a low value contactless payment; or**
 - ◆ **With your security details.**
 - i Security details are personalised information that confirm a cardholder's identity or which are unique to the cardholder (such as your credit card number, the security code on your credit card, password, PINs, biometric data or signature).
- All credit card transactions authorised by a signature are your responsibility, even where:**
- ◆ **The signature used to make the transaction does not match the signature on the credit card; or**
 - ◆ **The credit card has not been signed.**
- ⚠ **It's important to contact us immediately if you are aware of any unauthorised transaction or your card has been stolen.** More details can be found in the latter part of these Credit Card Terms.

Foreign Currency transactions

If your credit card is a Hong Kong dollar card and you make a transaction in a currency other than Hong Kong dollars, we will debit the transaction from your account after converting the transaction into Hong Kong dollars at the exchange rate determined by us by reference to the exchange rate adopted by Visa or Mastercard Worldwide (as applicable) on the date we process the transaction.

Your credit limit

Your credit limit is the total amount we agree to lend you for your personal use, including any cash advances and any plan(s). See your statement for details of your limit.

Additional Cardholders

You can ask us to provide a card to someone other than you so that they can access the credit we provide to you. It is our choice whether to allow that person to access the credit we give you. If we allow it, we will issue a credit card to that person and they will be an additional cardholder. Additional cardholders share your entire credit limit and are not provided with a set portion of your credit limit or their own separate amount of credit. We will not provide any Statement to an additional cardholder and all transactions made by an additional cardholder will be shown on the statements we provide to you.

As the account holder, you have full control over and responsibility for all credit cards issued under your account.

- ✔ This means:
 - ◆ **You'll have to repay all credit card debt on time;**
 - ◆ You'll be able to check transactions of all cardholders on your statement;
 - ◆ **You'll be responsible for the use of the account by an additional cardholder, including any use that makes you break these Credit Card Terms;** and
 - ◆ We can hold you or the additional cardholder or both liable for the use of that additional card.
- You can ask us to add or remove additional cardholders at any time. We will process your request as soon as we can.

Tell your additional cardholders to keep their credit card and security details safe and to contact both you and us straight away if their credit card is lost or stolen or if any data or security details are no longer safe. Additional cardholders will not be liable for the use of any additional card issued to another additional cardholder or the use of the primary card.

Use of Card at ATMs or for Electronic Payment System (EPS) payment

- i If you want to operate any of your bank accounts with us with your credit card using an ATM, or if you want to make payment from that bank account through EPS, you have to link that bank account to your credit card. We may specify any

conditions or limits relating to the use of ATM or payments through EPS. These conditions or limits may include the following (or any of them):

- ◆ The types or number of bank accounts that may be linked to a card;
- ◆ The currency of any transaction; and
- ◆ Limits (including per-day or per-transaction or other limits) for cash withdrawal, transfer or payment through ATM or EPS.

⚠ If you want to use your credit card at an ATM outside Hong Kong for cash withdrawals (including cash advance) and transfers, you are required to set your overseas ATM daily withdrawal and transfer limits and corresponding activation periods in advance. You have to set the limits and periods through one of the channels designated by us from time to time.

A fee is payable when you withdraw cash by making a cash advance from your credit card account from an ATM. The fee will be added to your account and will be reflected in your monthly credit card statement. It will reduce the amount of available credit. **If you do not repay the fee when it is due, we will charge interest on it.**

How payments can be stopped or delayed

How to stop or change a payment

⚠ You can only stop or change future dated payments. Let us know 3 full clear working days before the payment is due and we will try to follow your instructions.

⚠ If you have already paid, but have a disagreement with a retailer or service provider, you must either raise it with them directly or ask for our help. We need your request within 60 days from the date of the Statement on which the payment is shown, otherwise we may not be able to help you.

After you have told us about your disputed transaction, we may consider applying a temporary refund to your account. If we apply a temporary refund to your account:

- ◆ The value of the refund will be the value of the transaction(s) at the time they were made.
- ◆ You will not pay interest or fees on any transaction that has been temporarily refunded until we have made our decision.

After we have applied the temporary refund, we will manage your dispute and:

- ◆ For successfully disputed transactions the temporary refund will become permanent.
- ◆ **Unsuccessfully disputed transactions will be placed on to your account and you will be responsible for all fees and interest from the date the transaction is recorded on your statement.**

If we do not apply a temporary refund to your account, you will continue to be responsible for the payment of that transaction and any fees and interest. If successfully disputed and your money is refunded by the retailer or service provider, we'll credit the amount to your account as soon as we get it.

We won't get involved with issues that you have with any retailer or service provider. This includes, but isn't limited to:

- ◆ The quality of the goods or services you receive;
- ◆ Anything that they or their agents fail to do;
- ◆ Your card being refused; or
- ◆ Any disputes between you and the retailer or service provider.

We do not have to act on any request by you to set up, change or end autopay or direct debit arrangements if there is any dispute between you and a retailer or service provider.

Your obligation to us will not be relieved or reduced by any claim made by you against any retailer or service provider.

When we can stop or delay a payment

We can stop or delay a payment if:

- ◆ The payment instructions are incorrect or incomplete;
- ◆ The payment exceeds your credit limit;
- ◆ It may cause us to breach a legal requirement or expose us to action from any government, regulator or law enforcement agency;
- ◆ We reasonably suspect fraudulent, illegal or criminal activity; or
- ◆ There are circumstances beyond our reasonable control, such as a power failure.

Payments which may exceed your credit limit

We can allow transactions to exceed your credit limit without notice to you unless you have already told us that you do not want this to happen. Sometimes, we will allow your credit limit to be exceeded even where you opt out from our over-the-limit-facilities. Instances include the following types of transactions, known as Excluded Card Transactions:

- ◆ Any transactions which are not immediately processed by us;
- ◆ Octopus Automatic Add-Value transactions;
- ◆ Mobile or contactless payment transactions;
- ◆ Approved transactions which are posted later;
- ◆ Transactions where the posting amount exceeds the transaction amount, for example, due to currency exchange rate fluctuations in respect of foreign currency transactions; and
- ◆ Transactions approved by Visa, Mastercard Worldwide or UnionPay to your Card Account which may result in over-the-limit transactions.

If the Statement Balance (excluding all fees and charges currently billed to your Card Account) exceeds the credit limit on your credit card, we will treat this as your informal request for an over-the-limit facility. **We may agree to your request and charge, without prior notice, an overlimit handling fee for considering and agreeing to your request. If we have received and processed your request to opt out from our over-the-limit facilities, we will only have the right to charge an overlimit handling fee for any Excluded Card Transactions.**

You're responsible for every transaction exceeding the credit limit.

Your credit card interest and fees

Our Key Facts Statement, Fee Schedule and Tariff Guide show the interest rates and fees for all our different credit cards. Different interest and fees apply to different types of transactions, including for cash advance. You can also find the interest rates that apply to you on your monthly statements. We may vary the interest rates and fees from time to time, please refer to the Key Facts Statements, Fee Schedule and the Tariff Guide for latest information.

How we calculate your finance charges

If you don't pay the full amount due by the due date, we will charge you finance charges without further notice even if you have paid the minimum repayment due in full.

The finance charge will be charged on:

- ◆ The outstanding amount you have not paid, from the statement date immediately preceding the payment due date until we receive the full payment; and
- ◆ The amount of each new transaction posted to your account since that statement date, from the transaction date until we receive full payment.

The finance charge will accrue daily and be calculated at the interest rate per month as specified in our Fee Schedule and Tariff Guide. Different interest rates may apply to outstanding cash advance and outstanding purchase transactions.

○ If you pay at least the minimum payment by the due date, you'll pay off all the currently billed interest on the account.

If you pay the full amount you owe us immediately on the due date, you won't pay any interest.

What fees you have to pay

In addition to finance charges and overlimit handling fees, if you require any additional services, you may have to pay other fees and charges. These other fees and charges are set out in the Key Facts Statement, Fee Schedule and the Tariff Guide, and they include:

- ◆ **Late charge:** this fee is payable (in addition to the finance charge) if you do not pay the minimum payment due in full by the payment due date. The late charge will be debited from your account on the following statement date.
- ◆ **Cash advance handling fee and cash advance fee:** we will charge a handling fee and a cash advance fee for each cash advance on the date of the cash advance.
- ◆ **Returned cheque or rejected autopay handling fee:** this fee is payable if a cheque or autopay is subsequently returned or rejected by us.

- ◆ **Card replacement fee:** a handling fee will be charged if your credit card needs to be replaced before renewal such as for stolen or lost credit cards. We will not charge this handling fee if your credit card is an HSBC Premier Mastercard credit card.
- ◆ **Retrieval fee:** we will charge a retrieval fee for the photocopy of sales slips requested by you.
- ◆ **Annual fee:** we may charge or waive an annual fee for your credit card and any additional credit cards. If your credit card is an HSBC Premier Mastercard or HSBC Red Credit Card, we will waive the annual fee for such cards and any relevant additional cards.
- ◆ **Foreign currency transaction fee:** we can require you to pay all or some of the transaction fees charged by Visa, Mastercard Worldwide or UnionPay (as applicable) to us on a transaction in a currency other than the currency of the card.
- ◆ **Any other fees and charges referred to in the Key Facts Statement, Fee Schedule or Tariff Guide.**

Depending on your credit card type, you may enjoy an interest-free period on purchase transactions charged to your card. Please refer to the Key Facts Statement for the interest-free period applicable to your card.

Repayments

What you owe is made up of:

- ◆ Transactions you made with your card, including purchase of foreign currencies, gaming chips or lottery tickets, services, cash advances, or funds transfer;
- ◆ Any interest; and
- ◆ Any fees and charges.

The amount you must pay us

We'll give you a statement each month showing the minimum repayment. **We'll refer to this as the minimum payment in the statement for that month and you must pay it on or before the due date shown on the statement.** We may

give you a statement even if you don't need to make a repayment and there is no transaction since the last statement.

If you're going away, please make payment beforehand or on time.

The minimum repayment is calculated as the total fees and charges currently billed to the card statement plus 1% of the statement balance (excluding any fees and charges currently billed) as at the statement date (minimum HK\$300), plus overdue or overlimit due - whichever is higher.

If you have an instalment plan, we'll tell you the total amount you must pay in your statement.

- ☑ You can pay more than the minimum repayment and this will reduce the amount of interest you have to pay in the longer term.
- ⊗ Please don't pay more than the full amount you owe us as we don't pay credit interest. We may return to you any amount above what you owe us by any means we elect.

If you miss a repayment or don't make the full amount of the minimum repayment, we will:

- ◆ Charge you applicable fees which can be found in our Fee Schedule and Tariff Guide;
- ◆ Add the applicable fees to your balance; and
- ◆ Charge interest on the applicable fees.

We may also:

- ◆ Demand repayment of the total amount you owe us; and
- ◆ Ultimately take legal action to recover the amount you owe – and **you may be responsible for our costs of doing this, including costs of our lawyers and third party debt collection agents.**

It may be more difficult for you to get credit in the future if you fail to repay any amount when it is due.

We'll continue to charge you interest and fees until the full amount you owe us is paid.

You must pay us any outstanding amounts under or in connection with these Credit Card Terms. This includes interest, fees and charges. We can use or transfer the money from any account you hold with us to reduce your outstanding amounts. We can also combine or consolidate any outstanding amounts under these Credit Card Terms with the balance in any other accounts which you hold with us. This includes accounts held with any of our branches, either solely or jointly and in any currency. We'll tell you when we do this or shortly after.

- ✔ Tell us if you're encountering any financial difficulties or if you believe your circumstances could soon change.

All amounts paid to us must be made in full without any deduction (for tax or otherwise).

We may deduct from amounts we owe you or otherwise recover from you any amount we must pay to any government, regulators or third parties (tax or otherwise) under law or regulation. This applies even after the credit card is cancelled.

How we apply your repayments

We will apply your repayment in the following order:

- ◆ **Firstly, all fees and charges billed to your account;**
- ◆ **Then, 1% of the statement balance (excluding the billed fees and charges) at a time until you have paid the minimum payment due in full;**
- ◆ **Then, any amount in excess of the minimum payment due will be used to repay the remaining portion of the statement balance according to the applicable monthly interest rate in descending order (i.e. to repay that part of the remaining portion of the statement balance that incurs the highest interest rate first and so on); and**
- ◆ **Then, any amount in excess of the statement balance will be held to the credit of your account.**

If we consider it appropriate, we may need to apply your repayments in another order without telling you first.

What to do if your credit card is lost, stolen or misused or unauthorised disclosure of your PIN

What you must do

- ✔ **Tell us straight away if:**
 - ◆ **Your credit card is lost, stolen or misused;**
 - ◆ **You did not authorise the disclosure of your PIN;**
 - ◆ **You notice any unauthorised transactions; or**
 - ◆ **Your data or security details are no longer safe.**
- ✔ **Check your statements carefully.**
- ✔ **Tell us as soon as possible if you see an unauthorised transaction, your card is lost, stolen or misused or you did not authorise the disclosure of your PIN, as you are responsible for everything until that point. After you've promptly informed us or any member of Visa, Mastercard Worldwide or UnionPay (as applicable), you will be responsible for up to HK\$500 of the unauthorised transactions on each card, except where:**
 - ◆ **You have allowed someone else to use your card or PIN;**
 - ◆ **You have acted fraudulently or with gross negligence with using or safeguarding your card or PIN. This includes failing to follow any of the security measures recommended by us; or**
 - ◆ **The transaction is a cash advance.**
- ✔ **If you don't let us know of any unauthorised transactions within 60 days of the date of the statement, we may not be able to take any action. If you do not tell us within the 60 days, then you will not be able to raise any objections or seek any remedies against us for such transactions.**

We'll review any unauthorised transactions and let you know if the amount is being refunded. We'll try to complete our investigations as quickly as possible.
- ✘ **We don't accept dispute requests for the following transaction types:**
 - ◆ **Octopus Automatic Add Value Service (AAVS) auto-reload transactions; or**
 - ◆ **Interest-free Merchant Instalment Transactions (except where merchants closed down).**

What happens if you don't tell us that your credit card has been lost, stolen or misused

- ⚠️ **You'll be responsible for any unauthorised transactions that are charged to your account until you tell us that the card has been lost, stolen or misused.**

You'll also be responsible for any unauthorised transactions after you tell us if we reasonably believe that you or an additional cardholder didn't take care of your card or security details, acted fraudulently or with gross negligence, or did not follow these terms – if we discover this after we've already refunded you, we may reverse it.

- ✔️ **Protect your credit card, account and security details.**

Suspension, cancellation or closure of your credit card or account

When you can cancel your credit card or account

- ✔️ You can cancel a credit card or account at any time, including an additional card. Just let us know. We'll cancel the card as soon as we can, and will issue a credit card statement for you to make payment of the full balance. **The terms of these Credit Card Terms will continue until you repay everything you owe us. All recurring payments you've set up will be cancelled.**

When we can suspend, cancel or close your credit card or account

We can suspend or cancel a credit card or close your account without telling you first if:

- ◆ A credit card has not been activated within 18 months of it being issued;
- ◆ On your death;
- ◆ You haven't repaid what you owe us;
- ◆ We believe there is a significantly increased risk that you will not be able to repay the amount you owe us (this could be due to the way you manage this account or any other accounts you have with us, information we receive regarding

your creditworthiness or us finding that you are bankrupt or have made an arrangement with your creditors).

- ◆ We have requested information about you and your transactions, but you haven't given it to us within a reasonable time;
- ◆ You gave us incorrect or misleading information;
- ◆ We have concerns about your account's security (such as a suspected misuse of your security details);
- ◆ We reasonably suspect there could be gambling, fraudulent, illegal, unauthorised or criminal activities;
- ◆ We reasonably believe that if we don't it could put us or another HSBC group member in a position where we may not be following a law, regulation, code, court order or agreement; or
- ◆ We believe that it's important as part of our fight against financial crime.

We may not be able to tell you the reason for doing so.

The account must not be used to make any payment for gambling or any illegal activity. If we believe, suspect or know that it has we may either stop the payment, reverse the payment or take any other action we believe is necessary.

What happens if your credit card or account is suspended, cancelled or closed

If your credit card or account is suspended, cancelled or closed:

- ◆ All benefits associated with your credit card and additional credit card will end and you won't be able to redeem any reward points;
- ◆ We may disclose information about you and your account to credit reference agencies;
- ◆ You'll need to update your payment details for any recurrent or future-dated payments you have set up using your credit card or they won't be paid;
- ◆ **We can continue to charge you finance charges on any outstanding payments until we receive payment in full;** and
- ◆ **You must pay us everything that you owe us, including any amount under transactions effected but not yet charged to your account.** Our

agreement with you under these Credit Card Terms will continue until you do.

We may take you to court to recover the money if you don't.

 We're not responsible for any losses that closing the account may cause, if we act reasonably.

Changing these terms, interest rates and fees or credit limit

When we can change these terms, interest rates and fees

We live in a rapidly changing world. Sometimes we need to update our Credit Card Terms, the interest rates or fees.

We will usually give you reasonable notice of any changes which may adversely affect you in these Credit Card Terms, interest rates or fees.

We may make changes sooner in some circumstances where there is a benefit to you or where there is no detriment to you. Our changes will be in writing, may be included in your monthly statement and will be sent to you at your postal or electronic address.

We can change your credit limit

We set the credit limit based on your credit risk and review it from time to time. We can reduce the credit limit at any time without telling you first. **We can increase the credit limit, but before doing so we will tell you in advance of what the new limit is and when it will be available to you.** You can tell us if you don't want us to increase the credit limit. You can also ask us to review and change your credit limit at any time. We will tell you our decision after we have reviewed your credit limit.

Credit Card rewards

Sometimes we offer different services or benefits to you for using different types of credit cards. You may need to apply for some of these services or benefits. These

services and benefits can include rewards and privileges (including RewardCash Programme). We can add to, reduce or change these services or benefits or the terms and conditions relating to your use of the services or benefits from time to time without telling you first. But, we will give you reasonable notice before any change that adversely affects you.

Sometimes these Credit Card Terms and the terms and conditions relating to your use of the services or benefits might say different things. If this happens, for the purposes of the services or benefits, we'll go with whatever those terms and conditions say.

Also, your additional cardholder may use or enjoy certain services and benefits even if you do not use them. **You are responsible for the additional cardholder's use of these services or benefits and compliance with the terms and conditions relating to the use of the services or benefits.**

Events beyond our control

 We'll do all we reasonably can to carry out our promises to you but there may be times where we can't, for example if legal or regulatory reasons prevent us or something has happened which we can't predict or isn't normal and we couldn't have avoided it even if we used all efforts to. In these situations, we won't be responsible for any losses you may have.

Other services

Phone banking

We will tell you about the scope, features and the terms of your use of our phone banking services from time to time.

You authorise us to act on any instructions given by telephone using your phone banking PIN. **We do not need to confirm that the person using your phone banking PIN is you. You are responsible for all instructions given by telephone using your phone banking PIN even if you have not authorised these transactions.**

If there are insufficient funds or available credit facilities, we have no obligation but may follow instructions given by telephone. We are also not responsible for not following your instructions due to insufficient funds or available credit facilities.

Any exchange rate or interest rate we tell you in response to your telephone instructions is for reference only, unless the rate is confirmed by us for a transaction.

You are responsible for any rate confirmed by us and accepted by you for a transaction through the phone banking service.

We may not be able to process your telephone instructions immediately. This may be due to system constraint, equipment malfunction or failure, or other reasons (whether or not beyond our control). **We are not responsible for any delay or failure in effecting your telephone instructions.**

Drop & Go Counter Service

We will tell you about the scope, features and the terms of your use of our Drop & Go Counter Service from time to time.

You should make sure that all documents and items submitted under the Drop & Go Counter Service are fully completed and signed. We may not process any document or item if it is not complete or signed.

If the Drop & Go Counter Service you are using allows for deposit of banknotes, coins and cheques, then we are responsible for these only after we have received, counted and confirmed these items in accordance with our practice. If there is any discrepancy between the details on the pay-in slip and the banknotes, coins and cheques accompanying the pay-in slip or we reject any of these items, then our decision is final and binding on you.

- ◆ If your credit card is an HSBC Premier Mastercard credit card, our agreement with you is also subject to our Integrated Account Terms and Conditions. Sometimes, these documents may say different things. If this happens, for the purposes of this credit card, we'll go with whatever these Credit Card Terms says.
- ◆ If you do not have HSBC Premier tier status but we issued you an HSBC Premier Mastercard credit card because you are an HSBC Premier customer of another member of the HSBC Group, we can ask another member of the HSBC Group to collect any amount you owe us. **We can also assign any amount you owe us to another member of the HSBC Group and you must pay them that amount in full without any deduction (for tax or otherwise).**
- ◆ If you have HSBC Premier tier status and have been issued with another HSBC Premier Mastercard credit card offered by another member of the HSBC Group,

we can collect any amount you owe them on behalf of that member of the HSBC Group. That member of the HSBC Group can also assign any amount you owe them to us and we can exercise our rights (including our right of set-off) in relation to the assigned amount. **All payments to us must be made in full without any deduction (for tax or otherwise).**

Special Terms relating to Dual Currency credit cards

The following terms apply to dual currency cards and prevail over any similar term contained within these Credit Card Terms:

HSBC Pulse UnionPay Dual Currency Diamond or UnionPay Dual Currency credit cards

- ◆ We will provide two sub-accounts: one for Hong Kong Dollar and another for Renminbi. The credit limit we provide you is allocated between the two sub-accounts. You can ask us to change the allocation of those limits at any time, but we may not be able to do so straight away. The credit limit allocated to the card (for both the Hong Kong Dollar and Renminbi sub-accounts) is always calculated at the prevailing exchange rate as determined by us at the time we set the sub-account credit limits.
- ◆ **We can charge an overlimit handling fee to each sub-account if you exceed the credit limit allocated to that sub-account.**
- ◆ We will debit any transaction, including cash advance, in Renminbi to your Renminbi sub-account. All other transactions including cash advances (whether in Hong Kong Dollar or any other currency) will be debited to your Hong Kong dollar sub-account, following the prevailing exchange rate of the day of transaction as determined by us on the date we process the transaction.
- ◆ Cash advances have a withdrawal limit. If using a UnionPay ATM in Mainland China this limit is the lower of (a) your available credit limit allocated to your Renminbi sub-account and (b) the limit set by local restrictions. In all other places, it is the lower of (a) your available credit limit allocated to your Hong Kong dollar sub-account and (b) the daily ATM limit.
- ◆ If you withdraw cash from a UnionPay ATM and you have already linked one of your bank accounts with us to your credit card ("Linked Account"):

- In Hong Kong, you can select to withdraw from the Linked Account as a cash withdrawal or your Hong Kong dollar sub-account as a cash advance;
- In Mainland China, we will treat the withdrawal as a cash advance from your Renminbi sub-account; or
- If you are outside Mainland China and Hong Kong and have sufficient funds in your Linked Account to cover the entire amount of the cash withdrawal, we will treat the withdrawal as cash withdrawal from the Linked Account. If you do not have enough available balance in your Linked Account, then we will treat the entire withdrawal amount as a cash advance from your Hong Kong dollar sub-account.

- ◆ **If you make a cash advance from your Hong Kong dollar sub-account or your Renminbi sub-account, we will charge a handling fee and a cash advance fee for each cash advance on the date of the cash advance;**
- ◆ **Except for any cash advance, you will be responsible for unauthorised transactions up to a maximum of HK\$500 for each of your sub-accounts (both Hong Kong Dollar and Renminbi), except where:**
 - **You have knowingly permitted any other person to use your card or PIN;**
 - **If you have acted fraudulently or with gross negligence in using or safeguarding your card or PIN. Your failure to follow any of the security measures recommended by us from time to time may be treated as your gross negligence; or**
 - **The transaction is a cash advance in which case you will be responsible for the full advance.**

You should let us know as soon as possible if any transaction has been made without your authorisation as you are responsible for all transactions up to that point.

- ◆ **You should pay the amount you owe us on each sub-account separately in its own currency.** If you use a Hong Kong dollar bank account to pay the amount you owe in Renminbi, we will use the prevailing exchange rate determined by us on the day the payment is made to convert it from Hong Kong dollars to Renminbi. **If you do not have sufficient funds to allow the conversion, then no payment will be taken and you may have to pay finance or late charges (or both).**

- ◆ When we apply your repayment for these credit cards, we will not convert or transfer any repayment made to one sub-account to settle the outstanding balance in the other sub-account.

We can charge any fees and charges payable by you to any one or more of your sub-accounts.

Special Terms relating to US Dollar credit card

US\$ Visa Gold credit card

- ◆ You will maintain a US\$ Current, US\$ Savings or CombiNations Savings Account with us.
- ◆ You authorise us to debit the US\$ Account specified in your application form to pay the Minimum Payment Due (or such greater amount as you may have authorised us) to your Card Account on each Payment Due Date.
- ◆ **If you do not have sufficient funds to allow the conversion, then no payment will be taken and you may have to pay finance or late charges (or both).**

Information on your iCAN Card

The following information on the use of the iCAN Card from HSBC is for your reference. For a comprehensive set of legally binding terms and conditions, please refer to the Credit Card Terms.

1. For your own protection, please take good care of your iCAN Card and Virtual Card Account Number from HSBC (the Bank) and note the security of your personal identification number (PIN):
 - (a) Sign your card as soon as you receive it.
 - (b) Keep a note of your card number and Virtual Card Account Number in a safe place, separate from the card.
 - (c) Keep your card and Virtual Card Account Number in a secure place and treat your card as if it were cash.
 - (d) Remember to take your card from the Automated Teller Machine (ATM) after use.
 - (e) Always complete the 'total' box on the sales slip, with a currency sign before the numbers, and don't leave space for extra figures.
 - (f) Watch and ensure that only one sales slip is imprinted for each transaction.
 - (g) Make sure your card is returned to you promptly after use.
 - (h) Keep the customer copy of your sales slips and check them against your monthly statements.
 - (i) Destroy your personal identification number (PIN) advice after memorising it.
 - (j) Do not write down or record your PIN. If you wish to keep a written record of your PIN, disguise it and never keep it on or close to your card.
 - (k) Do not let anyone else use your card, Virtual Card Account Number or PIN.
 - (l) Do not choose obvious numbers for your PIN, such as your ID card number, date of birth, personal telephone numbers or other easily accessible personal information.
 - (m) For extra security, change your PIN regularly.
 - (n) Make sure your PIN is protected from view when you access our Interactive

Voice Response System (IVRS), logon to the HSBC on-line banking service, and use the ATM or any other electronic payment terminal. If you think someone has seen your PIN, change it immediately.

2. If your card/PIN/Virtual Card Account Number has been lost or stolen, or if your PIN/Virtual Card Account Number is disclosed to a third party, please report the incident immediately by calling HSBC Customer Service Hotline on (852) 2233 3000 or inform the nearest HSBC branch. If you are overseas, report to any Visa member bank.

Please note that you are liable for all amounts debited to your credit card account as a result of the unauthorised use of your card/PIN/Virtual Card Account Number until you report loss, theft or disclosure. Provided that you have not knowingly provided your card/Virtual Card Account Number to a third party, or you have not acted fraudulently or with gross negligence, and you have informed us as soon as practicable after having found that your card/Virtual Card Account Number has been lost, stolen or disclosed, your liability for the card transactions will be limited to a maximum of HK\$500 (except that cash advances effected with the use of the PIN will not be subject to this limit).

3. Each credit card is assigned a credit limit that applies to both purchase and cash advance transactions. For your own credit limit, please refer to your card statement. The Bank may at its discretion allow for any card transactions exceeding the credit limit, and reduce the credit limit according to the result of its credit risk assessment of you or the card account, without prior notice to you. You may choose to opt out of the over-the-limit facility for your Card Account. After the opt-out has taken effect, Card Transaction which results in the current balance exceeding the assigned credit limit of the Card Account will not be effected, whilst the Card Account may still be subject to an over-the-limit scenario under certain circumstances (including but not limited to the posting of transactions which do not require authorization for effecting payments and transactions approved yet late posted) without prior notice to the Cardholder.
4. If you draw a cash advance at the counter of the Bank, the withdrawal limit will be equal to your available credit limit. If you draw a cash advance through Automated Teller Machines (ATMs), there will be a daily limit of HK\$20,000 or your available credit limit whichever is lower.
5. All funds credited to the Card Account will be applied to reduce its outstanding balance. Any credit balance resulting from this will be added to the available credit limit.

6. If you maintain other account(s) with the Bank and you have linked them to your card, you may use your card to withdraw cash/transfer fund from the account(s) through ATMs or to pay funds from the account(s) through the Easy Pay System (EPS). There is a daily cash withdrawal limit of HK\$80,000 for ATMs (or the local currency equivalent if drawn from an ATM overseas) and a daily transfer limit of HK\$400,000 for transfers to any accounts not linked to the credit card. There is no limit imposed on transfers among your accounts linked to the credit card. For payment through EPS, the daily maximum limit is HK\$50,000.
7. The Bank's communications may be sent to you personally, by post or by electronic transmission (including e-mail). You must register with the Bank's internet banking services to access your log-on account and also maintain an e-mail address so that communications may be sent to you electronically. You may access information and services through the iCAN Card website and perform banking transactions on-line through the Bank's internet banking services. Where the said communications are made available in the Personal Internet Banking Profile of the Customer maintained with the Bank, they shall be deemed to have been received by the Customer once they are made available therein. The use of such information and services will be subject to the terms and conditions imposed by the providers of such information/services as well as the Bank's Terms and Conditions for HSBC Internet Banking.
8. The Bank accepts no responsibility for the non-acceptance of the card or Virtual Card Account Number by any merchant, or for the quality of goods and services provided by any merchant, or for any regular payment arrangement with any merchant. If you have any concerns regarding a merchant, you may call HSBC Customer Service Hotline on (852) 2233 3000. However, a cardholder is required to settle the related transaction(s) even if he/she is claiming against the merchant.
9. Upon receipt of your card statement, please check the entries against your sales slips. If you have any queries on the statement entries, you should refer to the Bank by calling HSBC Customer Service Hotline within 60 days of the statement date.
10. On all purchase transactions charged to your card, you can enjoy an interest-free period of up to 56 days.
11. Transactions effected in currencies other than Hong Kong dollars will be debited to the Card Account after conversion into Hong Kong dollars at a rate of exchange determined by reference to the exchange rate adopted by Visa on the date of conversion, plus an additional percentage levied by the Bank and any transaction fee(s) charged by Visa to the Bank, if applicable, which fees may be shared with the Bank.

12. The following fees and charges apply as appropriate:

- (a) **Finance charge:** No finance charge will be payable if the payment of the whole of the statement balance is received by the Bank on or before the payment due date. This fee is subject to change at the Bank's discretion.

If you require any additional services (such as extra copies of account statements, clearing of foreign cheques paid into the account, etc.), other fees and charges may apply. For details, please refer to “Bank Tariff guide for HSBC Wealth and Personal Banking Customers” available at any HSBC branch in Hong Kong.

- 13 Termination of your card will not automatically lead to termination of any merchant auto payment arrangement, such as autoPay, instalment plan, etc., that are set up or authorised prior to the termination of the card. If you wish to modify/terminate any merchant auto payment arrangement, please directly contact the related merchant(s) who will be responsible for making the necessary arrangements.
- 14 If you maintain an outstanding balance on your card account, the Bank may, without notice, combine or consolidate the outstanding balance with any other account(s) (including credit card and deposit accounts) that you maintain with the Bank and set-off or transfer the money to settle the outstanding balance of your card account.

The Bank may employ third parties to collect any outstandings and request reimbursement of all cost or charges reasonably incurred from the cardholder or his/her estate.

1. Terms and Conditions supplement Credit Card Terms

- (a) The Credit Card Terms applies to your Mobile Credit Card. References in the Credit Card Terms to "Card" and "Card Transactions" include your Mobile Credit Card and your Mobile Credit Card Transactions respectively.
- (b) These Terms and Conditions supplement the Credit Card Terms and, together, they govern your Mobile Credit Card. If there is any inconsistency between the provisions of these Terms and Conditions and the provisions of the Credit Card Terms, the provisions of these Terms and Conditions prevail.
- (c) You may need to agree separate terms with the Mobile Wallet Provider, which govern the registration and storage of your HSBC Credit Card in the Mobile Wallet and the use of the Mobile Wallet (including the use of any data you provide to the Mobile Wallet Provider). Those separate terms you agree with the Mobile Wallet Provider will not change or override these Terms and Conditions and the Credit Card Terms.

2. Registering, storing and activating Mobile Credit Card

- (a) You may store a digital version of an HSBC Credit Card (i.e. Mobile Credit Card) in your Mobile Wallet only if the HSBC Credit Card is of a type and/or card scheme designated by us from time to time and is in good standing.
- (b) The Mobile Wallet Provider may limit the number of Mobile Credit Cards that you may store in one Mobile Wallet from time to time which we cannot control. We may however limit the number of Eligible Devices in which the same HSBC Credit Card can be stored from time to time and you should refer to our latest communications regarding such limit.

- (c) You should follow the instructions of the Mobile Wallet Provider (including installation of the latest operating system for your Eligible Device), and the registration and verification flow of your Mobile Wallet in order to register and store the Mobile Credit Card in your Mobile Wallet.
- (d) By registering a Mobile Credit Card in your Mobile Wallet, you consent to us sending SMS message to you for verification and activation purpose based on your phone number last recorded with us. If the phone number last recorded with us is not the phone number of your Eligible Device, the SMS message will be sent to the phone number last recorded with us but not to your Eligible Device. If we do not have record of your phone number, we cannot send SMS message to you in which event you will need to call us on the number displayed in the verification screen and follow the required steps to verify and activate the Mobile Credit Card.

3. Your responsibility

- (a) If you do not take security measures as we or the Mobile Wallet Provider may recommend from time to time, you will bear the risk of suffering or incurring any loss which may arise from or in connection with your Mobile Credit Card. We are not liable for any such loss. You should take appropriate security measures including the following:

- (viii) DO NOT choose obvious numbers as Device Passcode or payment PIN (such as Hong Kong Identity Card number, date of birth, telephone number, number with same digits or other that can be easily guessed or identified by shoulder surfing) or tell anyone else your Device Passcode or payment PIN or write down or keep your Device Passcode or payment PIN close to your Eligible Device;
