Premiums of this Policy as set out in Policy Schedule 1 and based on the amount due in the Policy Currency, are payable (i) as a lump sum Single Premium; or (ii) as a regular premiums payable annually in the Policy Currency by any payment method which we make available.

(b) Unscheduled Premiums

(i) Subject to paragraph (b)(ii) below, you may make unscheduled additional premium payments in the Policy Currency at any time except after the Policy Anniversary date at which the Life Insured's Insurance Age turns one-hundred (100). The minimum amount of such unscheduled additional premium will be determined by us from time to time. We reserve the right to refuse, reduce or limit the number or amount of such unscheduled premium payments in any Policy Year except as required to keep this Policy in force.

(ii) If your Policy Currency is in CNY currency, no unscheduled additional premium payment is accepted except that this Policy will lapse and has no further value unless such payment is made to keep this Policy in force and effect; and under such circumstances, unscheduled additional premium payment is allowed if the Policy Currency in respect of this Policy is switched to another non-CNY currency as may be available by us at that time as the new policy currency.

(c) Unless otherwise stated in paragraph (b)(ii) above,

- (i) premiums received will be applied to the Account Value on the later of the due date or at a time determined by us on or as soon as practicable after the dates of receipt of such premiums; and
- (ii) all premiums are payable in the Policy Currency specified in Policy Schedule 1 or a relevant endorsement.

2. CHARGES

The following non-refundable Charges apply to this Policy:

(a) Policy Premium Charge

A Policy Premium Charge deduction will be applied to all premiums paid to and in respect of this Policy before such premium is allocated to the Account Value. The amount of such charge is shown in Policy Schedule 2.

(b) Policy Expense Charge

- (i) A Policy Expense Charge as shown in Policy Schedule 2 will be deducted from the Account Value on the Policy Effective Date and thereafter on each Monthly Anniversary Date during the first eighteen (18) years under this Policy, ceasing on the Monthly Anniversary Date immediately preceding the eighteenth (18th) Policy Anniversary. Except where paragraph (ii) below applies, thereafter no such charge will be made. If the Monthly Anniversary Date is not a business day as defined by us, the Policy Expense Charge will be due on the next business day following the Monthly Anniversary Date. This Policy Expense Charge is determined by us at the time of Policy issue and we reserve the right to increase this Policy Expense Charge at any time with prior written notice of one (1) month to you before it takes effect, but to not more than one-hundred and twenty-five percent (125%) of the amount shown in Policy Schedule 2.
- (ii) Any addition of the No-Lapse Guarantee Benefit set out under Clause D.1 shall require payment of an additional Policy Expense Charge as we shall reasonably determine from time to time, payable over the remaining Policy Expense Charge Period, or the next eighteen (18) years under this Policy if the Policy Expense Charge Period has completed.

(c) Insurance Charge

An Insurance Charge will be applied on the Sum at Risk on the Policy Effective Date and thereafter on each Monthly Anniversary Date to provide the Death Benefit. The Sum at Risk for this purpose is determined at the time of calculating such charge, but if this is zero or less then no charge applies. If the Monthly Anniversary Date is not a business day as defined by us, the Insurance Charge will be due on the next business day following the Monthly Anniversary Date.

The rate charged will be determined by us in accordance with the Table of Current Monthly Cost of Insurance rates as shown in Policy Schedule 2 based on the prevailing and relevant mortality risk rates according to the Insurance Age at the then Monthly Anniversary Date, sex, underwriting class and country of residence of the Life Insured, and adjusted in accordance with any underwriting extra rating as shown in Policy Schedule 1. We reserve the right to amend these rates at any time with prior written notice of one (1) month to you before it takes effect, but under no circumstances will such rates exceed one-hundred and thirty-five percent (135%) of those stated in Policy Schedule 2 adjusted in accordance with any underwriting extra rating as shown in Policy Schedule 1. Where any other Transaction affecting this Policy is to take place on the same day as this charge, then this charge will be made after processing of such other Transaction.

(d) Charge for Currency Switch or Change of Life Insured

In the case of Currency Switch as described in Clause C.4(e) or Change of Life Insured as described in Clause D.5(a), we reserve the right to impose a charge in relation to such request as we shall determine from time to time and which will be deducted from the switched amount or Account Value respectively.

(e) Surrender Charge

A Surrender Charge shall apply upon surrendering of Policy, whether in part or in full, or upon a reduction in Sum Insured as follows:

- (i) In the case of a full surrender, the applicable Surrender Charge applying to this Policy during the respective Policy Years are specified in Policy Schedule 2.

- (ii) For any partial surrender or reduction in Sum Insured, a proportionate Surrender Charge computed in accordance with Clause B.2(e)(iii) below will apply upon each such (a) partial surrender; or (b) reduction in Sum Insured. The aggregate sum of all such Surrender Charges incurred in any Policy Year shall not exceed the amount of Surrender Charge for the Policy Year as specified in Policy Schedule 2. Further, in each case of partial surrender or reduction in Sum Insured, the amounts of Surrender Charge as specified in Policy Schedule 2, which are applicable to full surrender, will subsequently be treated as though those amounts had been reduced by (a) the same proportion as the reduction in Account Value (in the case of partial surrender) or the reduction in Sum Insured (in the case of reduction in Sum Insured); or (b) the aggregate reduction ratio if there had been partial surrender and reduction in Sum Insured taken place in the previous Policy Years.
- (iii) For any partial surrender, the amount of Surrender Charge is the then applicable Surrender Charge multiplied by the ratio of (a) the partial surrender amount to (b) the Account Value before such partial surrender. For any reduction in Sum Insured, the amount of Surrender Charge is the then applicable Surrender Charge multiplied by the ratio of (a) the reduction in Sum Insured to (b) the Sum Insured less total claims paid under the Early Stage Critical Illness Benefit (if applicable) before such reduction.

3. EXIT VALUE ADJUSTMENT

We reserve the right to apply an Exit Value Adjustment as shall be determined by us at our discretion upon (i) any exit from the Guaranteed Crediting Interest Rate Lock benefit pursuant to Clauses C.2 and C.3(c); (ii) any Currency Switch pursuant to Clause C.4(f); and (iii) determining available loan amount as Policy Loan (if any) pursuant to Clause C.6(a) being taken before the expiry of the Guaranteed Crediting Interest Rate Lock period.

C. ACCOUNT VALUE PROVISIONS

1. CREDITING INTEREST RATE

- (a) We will periodically declare two interest rates to apply to your Account Value. A New Money Crediting Interest Rate applies to the Account Value derived from the First Premium paid into the Policy on a daily basis and is guaranteed for the Guaranteed Crediting Interest Rate Lock period you have chosen as set out in Policy Schedule 1 and pursuant to Clause C.2. A General Crediting Interest Rate, which is subject to the Guaranteed Minimum Crediting Interest Rate as set out in Policy Schedule 1 depending on the Policy Currency chosen, will apply on a daily basis (i) during the Guaranteed Crediting Interest Rate Lock period, to the portion of the Account Value not derived from the First Premium paid into the Policy; and (ii) subsequent to the Guaranteed Crediting Interest Rate Lock period, to the entire Account Value.
- (b) Different New Money Crediting Interest Rates and General Crediting Interest Rates may apply to each of the No-Lapse Guarantee Benefit options available under this Policy pursuant to Clause D.1.
- (c) If you elect to add the No-Lapse Guarantee Benefit option pursuant to Clause D.1, then the Crediting Interest Rate(s) will be changed and applied to the Account Value from the date of such addition as follows: (i) The General Crediting Interest Rate will be changed to the corresponding prevailing General Crediting Interest Rate. (ii) If such addition is made during the Guaranteed Crediting Interest Rate Lock period, the New Money Crediting Interest Rate will be changed for the remainder of the Guaranteed Crediting Interest Rate Lock period to the corresponding New Money Crediting Interest Rate, that would have applied had such No-Lapse Guarantee Benefit option been elected on the original Policy Issue Date.

2. GUARANTEED CREDITING INTEREST RATE LOCK

- (a) The Guaranteed Crediting Interest Rate Lock period you have selected is specified in Policy Schedule 1.

The Guaranteed Crediting Interest Rate Lock guarantees the New Money Crediting Interest Rate applied to the Account Value attributable to your First Premium payment for the number of years you selected at Policy Issue Date.

This rate will apply throughout such selected guaranteed period, irrespective of any subsequent change in the New Money Crediting Interest Rate or the General Crediting Interest Rate. After the expiry of the Guaranteed Crediting Interest Rate Lock period, the General Crediting Interest Rate will then apply to all of the Account Value pursuant to Clause C.1(a)(ii).

- (b) You may elect at any time to exit partially or fully from this Guaranteed Crediting Interest Rate Lock benefit but should you elect to do so we reserve the right to apply an Exit Value Adjustment as shall be determined by us on such date of exit if in our view this is appropriate in order to protect the interests of other policyholders. For any partial exit, any Exit Value Adjustment shall only apply to that affected portion of the Account Value. The remaining portion of Account Value unaffected by any partial exit shall continue to enjoy the Guaranteed Crediting Interest Rate Lock benefit for the remainder of the Guaranteed Crediting Interest Rate Lock period. Such remaining portion of Account Value and the amount exited shall be subject to our then applicable minimum rules. The exited portion of the Account Value would then be subject to the General Crediting Interest Rate. The Guaranteed Crediting Interest Rate Lock thereafter cannot be reinstated on the exited portion of the Account Value.

3. SURRENDER

- (a) Subject to Clause C.3(c), you may request a partial surrender of the Account Value of this Policy at any time after the first (1st) Policy Anniversary. Any partial surrender, including any associated Surrender Charge incurred, resulting in the remaining Cash Value being less than USD5,000 (or an equivalent amount in the Policy Currency), or, the Sum Insured less total claims paid under the Early Stage Critical Illness Benefit (if applicable) falling below USD500,000 (or an equivalent amount in the Policy Currency), will be treated as a request for full surrender.
- (b) You may request a full surrender of the Account Value of this Policy at any time.
- (c) A surrender, whether in partial or in full, may be subject to a Surrender Charge in accordance with Clause B.2(e). Subject to Clause C.3(g), you must exit from any Guaranteed Crediting Interest Rate Lock benefit pursuant to Clause C.2 before any portion of the Account Value subject to such benefit can be surrendered. For any surrender which triggers exit from any Guaranteed Crediting Interest Rate Lock benefit, whether in partial or in full, we reserve the right to apply an Exit Value Adjustment before processing such surrender as we shall determine if necessary to protect the interests of other policyholders.
- (d) Upon a partial surrender, the specified Sum Insured under this Policy shall be adjusted so that the Sum at Risk after the partial surrender shall be no greater than the Sum at Risk applying to this Policy immediately prior to such partial surrender.
- (e) A surrender will take effect on the date we receive such request in a form acceptable to us for this purpose.
- (f) No surrender request will take effect if it is not in writing, or if the amount to be surrendered is less than the minimum amount determined by us from time to time. We also reserve the right to defer the payment of any partial or full surrender for up to ninety (90) days from the date we receive such request.
- (g) After the tenth (10th) Policy Anniversary date, you may request for a partial surrender of up to five percent (5%) of the then Account Value in each Policy Year free of Surrender Charge pursuant to Clause B.2(e), Exit Value Adjustment pursuant to Clause C.2(b) and without reduction in Sum Insured pursuant to Clause C.3(d) (if any). For the avoidance of doubt, any unused quota for the said five percent (5%) of the then Account Value in any Policy Year may not be carried forward to a subsequent Policy Year.

4. CURRENCY SWITCH

- (a) Subject to paragraph (g) below, you may request at any time after the first (1st) Policy Anniversary to switch the Account Value to another then available policy currency under this Policy. The policy currencies available at that time may differ from those which were available when you took out this Policy and are determined at our discretion from time to time and may differ depending on your current Policy Currency. The Account Value may be held under only one policy currency at any one time. Any No-Lapse Guarantee Benefit applying to this Policy pursuant to Clause D.1 shall immediately terminate upon switch of the Account Value to another policy currency but you may be eligible to elect a new No-Lapse Guarantee Benefit option subject to availability, as determined by us, at that time.

- (b) Subject to paragraph (d) below, a Currency Switch under paragraph (a) will take effect on a date we determine as soon as practicable after we receive such written request, on our then prevailing currency exchange rate. We will not be liable for any losses incurred as a result of any delay in such transaction.
- (c) Subject to paragraph (g) below, Currency Switch request will only be accepted if it is in writing and the requested amount to be switched is no less than the minimum amount determined by us from time to time.
- (d) We reserve the right to limit the number or frequency of switches under this Clause, and to defer any switch for up to ninety (90) days from the date we receive the instruction.
- (e) Subject to paragraph (g) below, you may make one (1) Currency Switch during any Policy Year without incurring any charges. For any subsequent Currency Switches happening in the same Policy Year, we reserve the right to impose a charge as we shall determine from time to time and shall be deducted from the switched amount. Any applicable currency exchange and related charges however will be borne by you in all cases and be deducted from the switched amount.
- (f) For any Currency Switch, we reserve the right to apply an Exit Value Adjustment before processing such switch as we shall determine if necessary to protect the interests of other policyholders. If any portion of the Account Value at that time is subject to a Guaranteed Crediting Interest Rate Lock benefit, then such Guaranteed Crediting Interest Rate Lock benefit ceases to apply and the terms of Clause C.2(b) shall apply in respect of exit from such Guaranteed Crediting Interest Rate Lock benefit as though you had elected to exit such benefit.
- (g) Any Currency Switch request into CNY currency as the new policy currency is not allowed under this Policy unless otherwise stated by us.

5. STATEMENTS

As soon as practicable, within each Policy Year, we will send you a statement on a quarterly basis showing the Transactions and balance in the Account Value for the preceding period since the last such statement.

6. POLICY LOAN

(a) Policy Loan

Subject to paragraph (d) below, you may obtain a Policy Loan from us after the first (1st) Policy Anniversary. Whenever a Policy Loan is requested the loan balance (which includes the new loan and any existing loan with accrued interest (hereinafter called "Indebtedness"), may not exceed seventy-five percent (75%) of the Cash Value adjusted by any Exit Value Adjustment as determined pursuant to Clause C.2. But if at any time the amount of Indebtedness exceeds ninety percent (90%) of the Cash Value adjusted by any Exit Value Adjustment, the Policy will terminate with benefit payable as if full surrender were elected pursuant to Clause C.3(b). Reference to Exit Value Adjustment in this Clause C.6 relates to the amount that would apply as if this Policy were being surrendered at that moment in time.

To apply for a Policy Loan, you are required to complete and submit to us our specified form and provide such information and/or documents as may be reasonably requested by us. It will be at our discretion whether to accept any application for Policy Loan.

We will release the requested loan amount as soon as is reasonable taking into account the business conditions and our procedures in operation at the relevant time, but generally not later than ninety (90) days after such valid request is received and accepted by us.

(b) Interest on Loan

Interest will be charged on all Indebtedness at the prevailing rate for Policy Loans as we shall determine from time to time. Any unpaid interest will be added to the Indebtedness.

(c) Loan Repayment

All or any part of the Indebtedness may be repaid to us at any time by a method acceptable to us from time to time, which shall be determined by us at our discretion.

Any Indebtedness on this Policy outstanding at the time of any claim shall be deducted from the amount otherwise payable under this Policy. Our claim for any Indebtedness shall be prior to any claim of the Policyholders or any beneficiary(ies) or assignee or other persons under this Policy.

(d) No Policy Loan is allowed under this Policy if the Policy Currency is in CNY currency.

D. COVERAGE PROVISIONS

1. NO-LAPSE GUARANTEE BENEFIT

(not applicable if critical illness advance payment is selected)

This optional benefit applies to this Policy if specifically stated in Policy Schedule 1 or in an endorsement to this Policy. If not so stated, then this benefit does not apply.

Provided you have paid into this Policy at least the No-Lapse Guarantee Benefit minimum premium specified in Policy Schedule 1 or in any endorsement, and have not subsequently elected a Currency Switch pursuant to Clause C.4 or elected any partial surrender from the Account Value other than the Surrenderable Portion as defined in the next paragraph, then we shall maintain the specified Sum Insured in force at our cost until the death of the Life Insured or for the duration you had chosen as stated in Policy Schedule 1 or in any subsequent endorsement, whichever is earlier.

This means you can surrender the portion of Account Value attributable to the amount of premiums cumulatively paid beyond the specified No-Lapse Guarantee Benefit minimum premium, ignoring and excluding interest credited and all charges to date ("Surrenderable Portion"), without affecting the No-Lapse Guarantee Benefit. But if there is (i) a switch of Account Value to another policy currency pursuant to Clause C.4, (ii) if any portion of the surrender amount is drawn from any portion other than the Surrenderable Portion, (iii) if this Policy terminates pursuant to Clause C.6(a), or (iv) if the Life Insured is changed pursuant to Clause D.5, or (v) this Policy terminates pursuant to Clause A.12(b)(vii), then the No-Lapse Guarantee Benefit will cease to apply to this Policy. However, you may be allowed at our discretion to reinstate this No-Lapse Guarantee Benefit subject to the terms and conditions we may impose at that time.

You have a one-time option, on either the fifth Policy Anniversary or any subsequent fifth Policy Anniversary, without any evidence of insurability of the Life Insured, to add No-Lapse Guarantee Benefit on such terms and conditions as we shall determine from time to time, provided always that the Insurance Age of the Life Insured at the time of election cannot be lower than fifty (50) nor higher than eighty (80). Further you will be allowed to make such an election at each Policy Anniversary that falls between Insurance Ages seventy-five (75) and eighty (80) of the Life Insured, provided that the one-time option has not yet been previously exercised. An addition of No-Lapse Guarantee Benefit shall trigger additional Policy Expense Charge as set out under Clause B.2(b)(ii).

2. CHARITABLE GIVING BENEFIT

The following benefit is automatically included in this Policy at no cost to you.

In the event of death of the Life Insured we will pay an additional one percent (1%) of the Sum Insured, subject to a maximum payment of USD100,000 (or an equivalent amount in Policy Currency) to the charity or charities you nominated in your application for this Policy or the charity you may have nominated thereafter. You may change this nomination at any time by giving notice to us in writing in a form acceptable to us. A charity for this purpose is any internationally recognised and accredited charitable body or foundation.

3. CHANGE IN SPECIFIED SUM INSURED

Subject to our acceptance and such terms as determined by us, you may increase the specified Sum Insured at any time or reduce the specified Sum Insured at any time after the first (1st) Policy Anniversary under this Policy by submitting a written request in a form acceptable to us. No increase in the Sum Insured is allowed for this Policy if the Policy Currency is in CNY currency.

Where the Sum Insured is requested to be increased and the Policy Currency is in non-CNY currency, then such increase shall be subject to evidence of insurability of the Life Insured and our then terms and conditions as we shall determine from time to time. The increase in Sum Insured is subject to a minimum amount, currently set at USD100,000 (or an equivalent amount in the Policy Currency), which minimum may be changed by us from time to time.

Where the Sum Insured is requested to be reduced, then such reduction is subject to a minimum remaining Sum Insured less total claims paid under the Early Stage Critical Illness Benefit (if applicable) of USD500,000 being maintained under the Policy (or an equivalent amount in the Policy Currency) and a minimum reduction amount set at USD100,000 (or an equivalent amount in the Policy Currency), both of which may be changed by us from time to time. Other terms and conditions, including any maximum cumulative reduction in Sum Insured, may apply and shall be determined by us from time to time.

Any reduction in Sum Insured will be subject to a Surrender Charge pursuant to Clause B.2(e) which will be deducted from the Account Value. For the avoidance of doubt, the reduction in Sum Insured will have no impact on (i) the Guaranteed Crediting Interest Rate Lock benefit under Clause C.2; and (ii) No-Lapse Guarantee Benefit under Clause D.1 provided that the conditions stated therein are satisfied.

4. ACCELERATED DEATH BENEFIT

The following benefit automatically applies to this Policy at no cost to you.

- (a) The lower of the maximum stated in Clause D.4(b) and one-hundred percent (100%) of the (then applicable) Sum Insured less total claims paid under the Early Stage Critical Illness Benefit (if applicable), will be paid subject to written application for such benefit in the event the Life Insured is diagnosed as suffering from a life threatening terminal illness, disease or injury subject to the following pre-requisite conditions:
- It has been diagnosed by a Registered Medical Practitioner after issue of this Policy;
 - Such diagnosis is supported by clinical, radiological, laboratory or other evidence of the medical condition satisfactory to us;
 - It is not curable by any means available to the medical profession;
 - The Registered Medical Practitioner is qualified to assess this condition and certify that it is expected to result in death within 12 months of such diagnosis.

- (b) The amount of Accelerated Death Benefit payable under this Policy is subject to the maximum of USD2,000,000 (or an equivalent amount in Policy Currency) less the total amount of Accelerated Death Benefit paid and/or payable to the Life Insured under all other universal life insurance policies issued by the Company as may be determined by the Company from time to time. Upon payment of such accelerated payment the amount of Sum Insured and Account Value shall both be reduced by the amount paid. Notwithstanding anything as set out in Clause A.8, if the Cash Value drops to zero or less after such reduction and the Sum Insured less total claims paid under the Early Stage Critical Illness Benefit (if applicable) is greater than zero after such reduction, the Policy will continue to be in force for twelve (12) months after the payment of such Accelerated Death Benefit; thereafter the Policy will terminate unless the Account Value at that time is sufficient to fund all applicable charges subject to any applicable No-Lapse Guarantee Benefit pursuant to Clause D.1. Under such circumstances, unscheduled additional premium payment is allowed to keep this Policy in force and effect. If your Policy Currency is in CNY, the Policy Currency has to be switched to another non-CNY currency as may be available by us at that time as the new policy currency for the purpose. All other terms and conditions under this Policy remain in force. In the case that Sum Insured less total claims paid under the Early Stage Critical Illness Benefit (if applicable) becomes zero after such reduction, the remaining balance of the Account Value (if any) will also be paid and this Policy will then terminate.

5. CHANGE OF LIFE INSURED

The following benefit automatically applies to your Policy.

- (a) Where the Policyholder is a corporate business entity and such Policy was set up in relation to a business succession and planning strategy and the original Life Insured is no longer employed or otherwise engaged with that employer or any associated corporation or connected business entity, then you may apply for a change of Life Insured under this Policy. If such request is accepted by us, we reserve the right to impose a charge as we shall determine from time to time and which shall be deducted from the Account Value.
- (b) Where the Policyholder is not a corporation, you may request to change the current Life Insured under the Policy to another Life Insured according to the conditions stated in the next paragraph. Subject to our acceptance of such request, you may make up to three (3) changes of Life Insured during the Policy term.

Our acceptance of any replacement Life Insured will be entirely at our discretion and includes requirements regarding the insurability of such Life Insured at that time, the establishment to our satisfaction that this Policyholder has adequate insurable interest in such replacement Life Insured and such other terms and conditions as we shall determine from time to time. Insurance Charges and Policy Expense Charges thereafter will be adjusted to reflect the new Life Insured's age, sex, country of residence, underwriting class and any additional ratings, but the time periods indicated under Clauses A.2 and A.10 shall restart from the date of change. Any No-Lapse Guarantee Benefit pursuant to Clause D.1 shall terminate in the event of a change in Life Insured, but you may elect to add any of the then available No-Lapse Guarantee Benefit options at that time and on such terms and conditions as we shall determine.

If because of applicable law or regulations or other practical constraints it is not possible to substitute a different Life Insured under this Policy, then at our discretion a replacement Policy may be issued under a new policy number and in such event all benefits, privileges and value under this Policy will be terminated and transferred fully to such replacement Policy.

If your Policy Currency is CNY currency, no Change of Life Insured is allowed if it requires payment of additional premium.

E. OWNERSHIP, ASSIGNMENT AND BENEFICIARY PROVISIONS

1. OWNERSHIP

Subject to the rights of any irrevocable beneficiary, you have all rights of ownership in this Policy while it is in force. You may subject to our consent change the ownership of this Policy, from yourself to a new policyholder. To request such a change you must file a written request with us in a form specified by us. If this change takes effect, all rights of ownership in this Policy will pass to the new policyholder on the effective date of change.

Any change will not be effective until it is accepted and recorded by us. Once accepted and recorded, the change will take effect as of the date you signed the request, subject to any payment we made or action we took before recording the change.

2. BENEFICIARY

(a) Whenever a beneficiary is designated by you in the application form or subsequently by filling out the appropriate designation form as prescribed by us, such beneficiary or beneficiaries as per our latest record will, subject to any applicable laws or regulations to the contrary, be deemed to be beneficially entitled to the Death Benefits under this Policy.

(b) If any beneficiary dies simultaneously with the Life Insured or in circumstances rendering it uncertain which of the beneficiary and the Life Insured died first, the beneficiary will be deemed to die before the Life Insured.

3. ASSIGNMENT

You may assign this Policy as collateral for a loan without the consent of any revocable beneficiary. A request for assignment will not be effective until it is accepted and endorsed by us. We will not be responsible for the consequences, validity or effect of any attempted assignment.
