## Important Notes

### Cooling-off Period

HSBC Term Protector is a long-term pure life protection plan which is not equivalent or similar to any kind of deposit. Part of the premium pays for the insurance and related costs including but not limited to policy acquisition, maintenance and claims costs.

If you are not satisfied with the Policy, you have a right to cancel it and obtain a refund of any premiums and levies paid, by giving written notice. To cancel, you must sign on such notice, return the Policy (if received) and ensure that such notice and the Policy are received directly by the office of HSBC Life (International) Limited at 18/F, Tower 1, HSBC Centre, 1 Sham Mong Road, Kowloon, Hong Kong within the Cooling-off Period (that is, 21 days after the delivery of the Policy or issue of a Notice informing the availability of the Policy to you, whichever is earlier).

After the expiration of the Cooling-off Period, if you cancel the Policy or the Policy is lapsed or terminated for any reasons, you will not get back any premium you have paid.

### Suicide

If the Life Insured dies by suicide, within one year of the Issue Date or from the effective date of reinstatement, the Company's liability will be limited to the amount of premiums paid to the Company less any amount paid by the Company to you since the Policy Effective Date or the effective date of reinstatement, whichever is later. Please refer to policy provisions for detailed terms and conditions.

### Tax Reporting and Financial Crime

The Company may from time to time request information from you regarding you and your Policy for the Company and other members of the HSBC Group to meet certain obligations to legal or regulatory bodies and government or tax authorities in Hong Kong and overseas. If you fail to provide to the Company information that is requested from you or if you present a financial crime risk to a member of the HSBC Group, such consequences as set out in your policy terms include that the Company may:

- Take such actions as are necessary to enable it or a member of the HSBC Group to meet its obligations;
- Be unable to provide new, or continue to provide all of the services to you;
- Be required to withhold payments or benefits that would otherwise be due to you or your Policy and permanently pay those over to tax authorities; and
- Terminate your Policy.

Should any benefits or payments be withheld or the Policy be terminated by the Company, the amount you get back may be less than what you have paid. The Company recommends that you seek your own independent professional advice on your tax liabilities and tax position in relation to your Policy.

### Termination Conditions

The Company has the right to terminate the Policy under any of the following circumstances,

- If you cannot make the overdue premium payment by the end of the Grace Period; or
- We reasonably consider that by continuing the Policy or the relationship with you, we may break any laws or the Company, or a member of the HSBC Group, may be exposed to action censure from any authority.

Please refer to policy provisions for detailed terms and conditions on termination.

### Applicable laws

The laws governing the Policy are the laws of Bermuda. However, in the event of any dispute arising in the Hong Kong SAR, the non-exclusive jurisdiction of the Hong Kong SAR courts will apply.

### Eligibility

The Plan is available to any individuals who are HSBC bank account holders or HSBC credit card holders between Insurance Age<sup>5</sup> of 19 and 60. Such individuals must also be Hong Kong Identity cardholders. The application for the Plan is subject to the relevant requirements on nationality and/or addresses and/or residency of the Policyholder and/or Life Insured as determined by the Company from time to time.

### Missing payment of premium

There is a 30-day Grace Period for premium payments that are due. If you cannot make the payment by the end of the Grace Period, the Policy will lapse with effect from the due date of the first unpaid premium.

## Key Risks

### Credit and insolvency risks

The product is an insurance policy issued by the Company. You are subject to the credit risk of the Company. Your premiums paid will form part of the Company's assets. You do not have any rights or ownership over any of those assets. Your recourse is against the Company only.

### Risks from the delay or missing the payment of premiums due

Any delay or missing of the payment of premiums due may lead to policy lapse. If your Policy is lapsed, you will not get back the premium you have paid.

### Inflation risk

Cost of living is likely to be higher in the future than it is today due to inflation, therefore you or your assigned Beneficiary(ies) may receive less from the Policy in real term in the future even if the Company meets all of its contractual obligations.

### Risk from premium adjustment

Premium will be adjusted every 10<sup>th</sup> Policy Anniversary until the Policy is terminated. The premium adjustment will be determined in accordance with the Company's prevailing premium rate applicable to this class of Policy and the Insurance Age<sup>5</sup> of the Life Insured at the time of adjustment. Due to the increase of Insurance Age<sup>5</sup> over time, premium rate may increase at the time of adjustment. Such premium rate will be determined based on factors including but not limited to actual claims experience, outlook of future claims experience, policy lapses as well as the Company's operating expenses at the time of adjustment. A notice of such premium adjustment will be sent to the Policyholder prior to it taking effect.

### Risk from surrender

For any policy surrender after policy issuance, no refund of premiums will be paid (except during Cooling-off Period).
