Integrated Account Terms and Conditions

You agree to be bound by the terms and conditions in this document.

Section 1: General Conditions of Integrated Account

1.1. Definitions and interpretation

Terms used in this document (including the Appendices) are defined in Appendix I. The rules for interpreting the provisions of this document are also set out in Appendix I.

1.2. Available Accounts, Services and Features

1.2.1. We may offer Accounts and Services with such Features and on such terms and conditions as we may specify. We have the right to do the following (or any of them) from time to time without prior notice:

- (a) introduce new (or new types of) Accounts, Services or Features;
- (b) vary, suspend or withdraw any existing (or existing type of) Accounts, Services (including not accepting a deposit) or Features; and
- (c) specify or vary the scope and extent of the Accounts, Services or Features.

1.2.2. Unless we specify otherwise, all Services are provided by us and all Accounts are maintained with us. If we arrange for you any service or account provided by any other person, you agree to be bound by the terms and conditions and sign the documents specified by that person.

1.3. Tiers

1.3.1. Tiers and Features are your privileges and not rights.

1.3.2. We may set Tiers with different Features. The Features may vary within the same Tier. The Features may include enhanced services, preferential terms, preferential interest rates, preferential fees and charges or special promotions.

- 1.3.3. (a) All Tiers and Features are offered by us at our discretion.
- (b) We may allocate, vary or withdraw a Tier or the Features associated with a Tier at any time without prior notice. Unless we specify otherwise:
- (i) the Features associated with that Tier will be made available, varied or withdrawn accordingly. Upon allocation or after variation or withdrawal of a Tier, you will become or remain (as the case may be) bound by the terms and conditions governing the Features until you have discharged all your obligations (if any) relating to the enjoyment of the Features; and
 - (ii) the withdrawal of a Tier does not affect your use or operation of the Master Account or the Accounts.
- (c) We have the right to set or vary the following (or any of them) at any time without prior notice:
- (i) the criteria for allocating, varying or withdrawing a Tier or Feature. These criteria may include (1) the value of assets deposited by you with us, and (2) the amount of credit facilities granted by us to you; and
 - (ii) the terms and conditions governing the enjoyment of any Feature.
- (d) Our decision to allocate, vary or withdraw a Tier or Feature is not only based on whether or not you fulfil the applicable criteria. Our decision is final.
- (e) We are not responsible for any loss or inconvenience suffered by you in connection with any variation or withdrawal of a Tier or Feature.
- 1.3.4. We may issue a card or identification to you to reflect the Tier allocated to you. That is intended to facilitate identification of your Tier only. Our records are conclusive as to the Tier allocated to you at any time in the absence of manifest error.
- 1.3.5. Details about the Tiers and Features (including the applicable criteria and terms and conditions) are available from us upon request. The terms and conditions applicable to a Tier or Feature prevail over the provisions of these Terms and Conditions if there is any inconsistency between them.

1.4. Your use of Accounts and Services; your Instructions

1.4.1. You are required to comply with all Applicable Regulations and Market Requirements in using the Services and Accounts or conducting transactions or activities under these Terms and Conditions.

How and when you may give Instructions

- 1.4.2. (a) If you wish to use any Services or open any Accounts, you have to give us Instruction. You also have to supply such information and documents, and complete such forms and procedures as we may specify from time to time.
- (b) We have the right to accept or refuse any Instruction or to prescribe any condition for accepting an Instruction without giving any reason and we are not liable for any loss, cost or damage of any kind incurred or suffered by you as a result. We are entitled to act in accordance with our regular business practice and procedure and will only accept Instructions insofar as it is (in our reasonable opinion) practicable and reasonable to do so.
- (c) We have the right to set or vary from time to time the manner in which a Service or an Account may be used. That includes when you may operate an Account on a Business Day, or the cut-off time for receiving Instructions on a Business Day.
- (d) You should give Instructions by allowing us sufficient time to process them. We have no obligation to act on any Instruction on the same day if we are not given sufficient time to process it or if it is received after the cut-off time on that day.

You authorise us to act on your Instructions

- 1.4.3. (a) You authorise us to act on any Instruction given or appears to be given by you. We have no obligation to verify the identity of the person giving an Instruction.
- (b) We may act on an Instruction if we reasonably believe that it is given or authorised by you without being liable in any circumstance. You will be bound by that Instruction as understood and executed by us in good faith even if (i) it is incorrect, false or unclear, or (ii) it was not given or authorised by you.
- 1.4.4. If you do not specify the Account to be credited or debited in order to effect a transaction, we have the right to credit or debit: (a) your Savings Account if the transaction is in Hong Kong dollar, or (b) your foreign currency Savings Account if the transaction is in a currency other than Hong Kong dollar.
- 1.4.5. Cancellation of Instructions
- (a) We are not under an obligation to act on an Instruction to cancel or amend an earlier Instruction. We may have fully executed that Instruction or we may have insufficient time or we may be unable to cancel or amend an unexecuted or partly executed Instruction for any other reason. In that case, we are not liable for any loss or expense suffered or incurred by you arising from or in connection with our acting on the earlier Instruction.
- (b) An Instruction (or a part of it) may not be executed. We may at our discretion cancel any Instruction (or any part of it) that has not yet been fully executed if, in our reasonable opinion, there are grounds for cancellation.
- 1.4.6. Our duties and rights in handling Instructions
- (a) We will act on an Instruction as soon as reasonably practicable after we receive it.
- (b) If the Services are suspended for any reason, we have the right without giving you notice either to cancel or act on an uncompleted Instruction on the first Business Day on which the Services are resumed, unless we specify otherwise in these Terms and Conditions.
- (c) In addition to any other rights conferred on us under these Terms and Conditions, we have the right to delay acting or not to act on an Instruction without prior notice in the following circumstances (or any of them):
- (i) if the Instruction is unclear in our reasonable opinion;
 - (ii) if the Instruction is not given in a form or by such means as acceptable to us;
 - (iii) if we are unable to act on the Instruction due to prevailing market conditions or any other reason beyond our reasonable control;
 - (iv) if, in our reasonable opinion, the Instruction is not consistent with any Applicable Regulations or Market Requirements or the provisions of these Terms and Conditions; and
 - (v) if the Instruction is not submitted by you in person.

1.5. Bank-customer relationship

- 1.5.1. (a) We are the debtor and you are the creditor of a deposit placed by you with us.
- (b) We are the bailee and you are the bailor of an item held by us for you in safe custody such as in a safety deposit box.
- (c) Other types of relationship may arise between us depending on the Services provided.
- 1.5.2. In relation to the Services and the Master Account including all Accounts, you confirm as follows:
- (a) you act as principal and not as agent or nominee for any other person; and
 - (b) you do not and will not hold any funds or assets (or any part of them) on behalf of any other person.

1.6. Consolidated Statements

- 1.6.1. We will provide you with Consolidated Statements monthly or at such intervals as we may determine, unless the Master Account / Account(s) has zero balance or you request otherwise. Where the applicable regulatory requirements do not require us to provide statements for the Master Account, the Accounts or the Services, we may provide Consolidated Statement at our discretion if we consider appropriate whether or not you have opted not to receive Consolidated Statement.
- 1.6.2. A Consolidated Statement may set out information about the services, accounts or products offered to you by us and our subsidiaries respectively. A Consolidated Statement may include information about a service, account or product of our subsidiary for which you have applied using the same identification documents as that for the Master Account, even if you provided different correspondence addresses.
- 1.6.3. You will be considered as having received a Consolidated Statement:
- (a) on the day of personal delivery to you;
 - (b) on the day we post it to you;
 - (c) on the day we email it to you; or
 - (d) on the day we place it in your Personal Internet Banking profile if it is made available there.
- 1.6.4. Review of Consolidated Statements
- (a) You should examine and check the accuracy of each Consolidated Statement provided by us. You should see if there is any error, omission, discrepancy, unauthorised debit or irregularity in the entries or transactions shown in each Consolidated Statement, whether caused by forged signature or other forgery, fraud, lack of authority or negligence of any person.
 - (b) You should notify us of any alleged error, omission, discrepancy, unauthorised debit or irregularity shown in a Consolidated Statement within ninety (90) days after we deliver it by the means set out in Clause 1.6.3. If we do not receive any such notice from you within the specified period, (i) the Consolidated Statement will be considered as correct, conclusive and binding on you, and (ii) you will be considered to have waived any right to raise any objection or pursue any remedies against us in relation to that Consolidated Statement.

1.7. Joint Accounts

- 1.7.1. If the Master Account is maintained in the joint names of two or more persons, or if a Service is provided to two or more persons:
- (a) You are jointly and severally liable with each other for the obligations and liabilities in connection with the Master Account, the Service or under these Terms and Conditions.
 - (b) We are authorised to:
 - (i) honour and comply with all cheques, promissory notes, orders, bills, directions or receipts which are signed, sealed or chopped by any of you, whether the Master Account or the applicable Account is in credit or overdrawn;
 - (ii) comply with any Instruction or other directions given by any of you for or in connection with the Master Account (unless we agree or decide otherwise). This includes an Instruction to close the Master Account or any Account;
 - (iii) make any advance by way of overdraft or in any other manner with or without security at the request of any of you;
 - (iv) accept and act on any receipts given by any of you for moneys deposited with us or owing by us on the Master Account; and
 - (v) take the Instruction for a forward date transaction last received by us before we effect that transaction in our normal course of business as the final Instruction for that transaction.
 - (c) The authorisation in paragraph (b) above may be revoked (i) by any of you in writing; or (ii) by us if we receive notice that any of you loses mental capacity.
 - (d) Upon any of you accepting the terms and conditions governing the Master Account or any Service, each of you will be bound by such terms and conditions.
 - (e) Upon the death of any of you, we will transfer any credit balance on any applicable Account to the order of the survivor(s). However, this will not limit or reduce any right we may have arising from any lien, mortgage, charge, pledge, set-off, counter-claim or in any other manner. Each of you will indemnify us for any claim which may be made by or against us in connection with processing any request and authorisation of the survivor(s).
 - (f) Each of you are bound by these Terms and Conditions even if the following deficiencies (or any of them) exist, whether or not we know or ought reasonably to have known about them:
 - (i) any of you or any other person intended to be bound by these Terms and Conditions is not bound; and
 - (ii) any of these Terms and Conditions may be invalid or unenforceable against any one or more of you or any other person due to fraud, forgery or any other reason.
 - (g) We have the right to deal separately with any of you on any matter without limiting or reducing our rights, powers and remedies against the others. This may include (i) varying or discharging any liability to any extent; or (ii) granting time or other indulgence or making other arrangements.

- (h) Items payable to any of you may be credited to the Master Account.
- (i) Any notice under these Terms and Conditions to any of you will be considered as effective notification to all of you.
- (j) Without limiting or reducing the effect of Clause 1.10, we are authorised, without further consent from any of you, to disclose amongst all of you:
 - (i) any information about the Master Account which may relate to any period before or after the Master Account is maintained in your joint names; and
 - (ii) any personal data and other information relating to or provided by any of you.

1.8. Termination or suspension of Services or Accounts

- 1.8.1.
 - (a) You may terminate the Master Account by giving us prior written notice of such period as we may accept. You may also terminate the Services or any one or more Accounts, to the extent that it is operationally feasible to do so, by giving us prior written notice of such period as we may accept.
 - (b) We may terminate with or without giving you notice or reason (i) all or any part of the Services, or (ii) the Master Account or any one or more Accounts.
- 1.8.2.
 - (a) This Clause 1.8.2 does not limit or reduce our termination right under Clause 1.8.1.
 - (b) If we are of the opinion that the events set out in paragraph (c) below or any of them (in this Clause 1.8.2, each an "Event of Default") occur, we have the right to suspend or terminate all or any part of the Services, the Master Account or any one or more Accounts with immediate effect.
 - (c) The Events of Default are as follows:
 - (i) You breach or fail to perform or observe these Terms and Conditions. This may include your failure to settle any Transaction, pay any amount due or perform any other obligations in relation to the Services, the Master Account or any Account.
 - (ii) Any confirmation given by you under these Terms and Conditions proves to be false or misleading in any material respect at the time it was given.
 - (iii) You take any action or procedure to the following effect:
 - (1) declare bankruptcy;
 - (2) reschedule your debts or seek a freeze, moratorium or other similar relief relating to your debts. This may include you starting negotiations with one or more of your creditors for the general readjustment or rescheduling of your debts, or you entering into any composition or other arrangement for the benefit of your creditors generally; or
 - (3) appoint trustee, receiver, liquidator, administrator, custodian or other similar official (in this Clauses 1.8.2 and 5.1, each a "Custodian") for a substantial part of your assets.
 - (iv) Any action or procedure is commenced against you or your assets (1) in the nature specified in paragraph (iii) above, or (2) for execution, distress, attachment or garnishment against your assets or for an encumbrancer to take possession of your assets.
 - (v) You breach or fail to observe any Applicable Regulations or Market Requirement or it is necessary or useful in our opinion to prevent violation of any Applicable Regulation, Market Requirement or good standard of market practice.
 - (vi) A legal order or request is binding on or issued in relation to the Master Account, any Account or any of your other accounts or assets maintained or deposited with us.
 - (vii) It is necessary or useful for our protection, or if any action is taken or event occurs which we consider to have or may have a material adverse effect on your ability to perform your obligations under these Terms and Conditions.
 - (viii) (Where any Services, the Master Account or any Account is provided to two or more persons or where there is another person with authority on the Master Account or any Account) there is any dispute or proceedings between you with respect to the Services, the Master Account or the Account.
 - (ix) If you or (where the Services, the Master Account or any Account is provided to two or more persons) any of you die or become incapacitated.
 - (x) The Master Account is terminated for any reason.
 - (xi) We are of the opinion or have reason to suspect that (1) we have not been given a valid mandate or (2) you are not the true owner of the Accounts or otherwise do not have the authority to operate the Accounts.
 - (xii) Any other event which, in our opinion, renders suspension or termination of the Services, the Master Account or any Account necessary or useful.

- 1.8.3. If all or any part of the Services, the Master Account or any Account are suspended or terminated for any reason whether by you or by us, or if any one or more Event of Default occurs, we have the right to do the following (or any of them):
- (a) cancel or terminate any Instruction that we have not executed at the time the Services, the Master Account or any Account are suspended or terminated, or at the time that Event of Default occurs;
 - (b) complete any transaction that we have effected on your behalf before the Services, the Master Account or any Account are suspended or terminated, or before that Event of Default occurs;
 - (c) exercise any of our rights under Clauses 1.9 and 5.1.11; and
 - (d) not to accept or act on any Instruction given by you or on your behalf even if we have received contrary Instructions from you.
- 1.8.4. Except where the Master Account is terminated by you or by us, you may retain any one or more Accounts with our agreement and will continue to be bound by these Terms and Conditions.
- 1.8.5. Termination of the Master Account will for all purposes terminate the Tier and all the Features associated with that Tier that you enjoyed prior to termination.
- 1.8.6. Even after the Services, the Master Account or any Account are suspended or terminated or after any Event of Default has occurred, you remain responsible for performing and discharging your obligations and liabilities created or accrued before then.

1.9. Our right to debit your accounts; set-off

- 1.9.1. In addition to and without limiting or reducing any of our rights in law or under any agreement, we are entitled without prior notice to you to do the following (or any of them):
- (a) debit any amount payable by you to us (including any fees, expenses or interest) from your accounts maintained with us, irrespective of whether there are sufficient available funds, overdraft or other facilities in the relevant account. If any debit causes the relevant account to be overdrawn, you are liable to repay the outstanding amount to us on demand together with fees, expenses and interest accruing on the outstanding amount at such rate as we may specify;
 - (b) withhold, combine or consolidate the balance on your accounts maintained with us and set off or transfer any moneys (in the form of credit balance or credit facility) standing to the credit of any account in or towards settlement of any amount owing by you to us in connection with the Services or under these Terms and Conditions. The amounts owing by you (i) may be actual or contingent, present, future, or deferred, primary or collateral, (ii) may be owing by you solely or jointly with any other person, and (iii) may include fees, expenses or interest; and
 - (c) refuse to repay you any moneys in any currency standing to the credit of your accounts maintained with us when due or on demand by you if and to the extent that such moneys are equal to or less than the amount owing by you to us. If we exercise this right with respect to any moneys, such moneys will remain outstanding from us on substantially the terms and conditions in force immediately before we exercise this right or on such other terms as we may consider appropriate.
- 1.9.2. If (a) an Account is credited in error; or (b) an Account is credited in anticipation of receiving funds where those funds are not received or the underlying funds transfer is reversed, we are entitled to reverse all or part of such credit including any interest accrued thereon, make the appropriate entry to the Account, and debit or demand immediate repayment of any loss, damage or expense incurred by us in connection therewith, as appropriate.
- 1.9.3. Our rights under Clauses 1.9.1 and 1.9.2 will not be limited or reduced by your death or legal incapacity.

Your obligations

- (d) You agree to inform us promptly and in any event, within thirty (30) days in writing if there are any changes to Your Information supplied to us or a member of the HSBC Group from time to time, and to respond promptly to any request for Your Information from us or a member of the HSBC Group.

 - (iii) block, transfer or close your account(s) where permitted under local Laws.

In addition, if you fail to supply promptly your, or a Connected Person's, Tax Information and accompanying statements, waivers and consents, as may be requested, then we may make our own judgment with respect to your status or that of the Connected Person, including whether you or a Connected Person is reportable to a Tax Authority, and may require us or other persons to withhold amounts as may be legally required by any Tax Authority and to pay such amounts to the appropriate Tax Authority.

1.10.3. Financial Crime Risk Management Activity

To the extent permissible by law, neither we nor any member of the HSBC Group shall be liable to you or any third party in respect of any loss (howsoever it arose) that was suffered or incurred by you or a third party, caused in whole or in part in connection with the undertaking of Financial Crime Risk Management Activity.

1.10.4. Tax Compliance

You acknowledge that you are solely responsible for understanding and complying with your tax obligations (including tax payment or filing of returns or other required documentation relating to the payment of all relevant taxes) in all jurisdictions in which those obligations arise and relating to the opening and use of account(s) or Services provided by us or members of the HSBC Group.

Each Connected Person acting in his/its capacity as a Connected Person also makes the same acknowledgement in his/its own regard. Certain countries may have tax legislation with extra-territorial effect regardless of a Connected Person's or your place of domicile, residence, citizenship or incorporation. Neither we nor any member of the HSBC Group provide tax advice. You are advised to seek independent legal and tax advice. Neither we nor any member of the HSBC Group have responsibility in respect of your tax obligations in any jurisdiction which may arise including any that may relate specifically to the opening and use of account(s) and Services provided by us or members of the HSBC Group.

1.10.5. Miscellaneous

- (a) In the event of any inconsistency between any of the provisions of this Clause 1.10 and those in or governing any other service, product, business relationship, account or agreement between you and us, this Clause 1.10 shall prevail.
- (b) If all or any part of the provisions of this Clause 1.10 become illegal, invalid or unenforceable in any respect under the law of any jurisdiction, that shall not affect or impair the legality, validity or enforceability of such provision in any other jurisdictions or the remainder of this Clause 1.10 in that jurisdiction.

1.10.6. Survival Upon Termination

This Clause 1.10 shall continue to apply notwithstanding any termination by you or us or a member of the HSBC Group of the provision of any Services to you, or the closure of any of your accounts.

1.10.7. You confirm that all Your Information provided to us is, to the best of your knowledge, complete, accurate and up-to-date.

1.11. Communications

1.11.1. You agree that we may use any contact information provided by you and kept on our records (including address, telephone number, email address and fax number) from time to time to communicate with you (whether through letters, telephone calls, SMS, fax, email or other means).

1.11.2. Unless we specify otherwise, you will be considered as having received any notice given by us:

- (a) at the time of personal delivery or leaving it at the address last notified in writing by you (if delivered personally);
- (b) forty-eight (48) hours after posting it to the above address if that address is in Hong Kong or seven (7) days after posting if that address is outside Hong Kong (if sent by post);
- (c) immediately after faxing it to the fax number last notified in writing by you (if sent by fax);
- (d) immediately after emailing it to the email address last notified in writing by you (if sent by email);
- (e) immediately after placing it in the Personal Internet Banking profile maintained by you with us (if made available there); or
- (f) immediately after displaying it at our premises (if communicated by display).

1.11.3. Unless any relevant part of the postal service is affected by industrial action, we will be considered as having posted any notice, demand or other communication if we have posted it via pre-paid envelope and, if the above address is outside Hong Kong, by airmail.

1.11.4. Communications sent by you to us will be considered as having been received by us on the day of actual receipt.

1.11.5. This Clause 1.11 does not limit or reduce the effect of any provisions in these Terms and Conditions that apply to (i) the issuing of account statements, transaction advice or confirmation by us to you, or (ii) the giving of Instructions by you to us.

1.11.6. Making available to you any advertisements, marketing or promotional materials, market information or other information relating to a Product or Service shall not, by itself, constitute solicitation of the sale or recommendation of any Product or Service.

1.12. Variation of terms

We have the right to vary these Terms and Conditions (including fees and charges) and any other terms and conditions governing any Services, Features, Tiers, the Master Account or any Account from time to time by notice. We will give you notice by way of display at our premises or in any other manner we consider appropriate. You will be bound by a variation unless we have received notice from you to close the Master Account or terminate the relevant Services with effect before the date on which that variation takes effect.

1.13. Limitation on our liability

1.13.1. No trust and fiduciary relationship

- (a) Providing the Services to you does not make us your trustee or investment adviser. In providing the Services, we will use the same degree of care as we use in respect of our own property. We have no trust or other obligations in respect of your moneys or assets other than those expressly specified in these Terms and Conditions.
- (b) Where we provide custodian services relating to securities or Products or have discretion in managing your moneys or assets (if any), notwithstanding any other provisions contained in these Terms and Conditions or any other arrangements you have with us, you acknowledge that (i) such services provided by us do not constitute a fiduciary relationship between you and us, and (ii) we shall, in no circumstances, be required to undertake any action that could possibly characterise us as a fiduciary to you.

1.13.2. Neither we nor any of our agents or nominees are liable for the following (or any of them):

- (a) the management or performance of your assets (including any reduction in the value of your assets); and
- (b) any taxes or duties payable in respect of your assets.

1.13.3. (a) Except as set out in Clause 1.13.3(b), we are not liable for loss, damage or expense of any kind which you or any other person may incur or suffer arising from or in connection with the following (or any of them):

- (i) your use of the Services or our providing the Services to you, maintaining the Accounts for you, or effecting any transactions for or with you;
- (ii) our decision not to process any Instruction or our delay or failure to act on an Instruction in part or in full for any reason;
- (iii) any fluctuation in the price of the relevant asset between the time we receive an Instruction and the time we act on it;

- (iv) any default by you in performing your obligations under these Terms and Conditions, the Applicable Regulations, Market Requirements or relating to the Services or the Accounts;
 - (v) the preservation or enforcement of our rights or exercise of our powers in connection with the Services and the Accounts; and
 - (vi) your failure to provide complete, accurate and up-to-date information requested by us in discharging our regulatory or legal duties (including but not limited to your Customer Financial Information under Clause 5.1.2A).
- (b) If it is proved in a case set out in Clause 1.13.3(a) that there was negligence or wilful default by (i) us, (ii) our agents or nominees, or (iii) our officers or employees or that of our agents or nominees, then we will be liable for any loss and damage you incur or suffer that is direct and reasonably foreseeable arising directly and solely from such negligence or wilful default.
- 1.13.4. If you use any service (which may include any Service) provided by any other person (such as an independent service provider) who is not our agent or nominee, we are not liable in any way for the following (or any of them):
- (a) the quality of the relevant service; and
 - (b) any action, claim, loss, damage or liability of any nature which you may suffer or incur arising from or in connection with any act or omission of (i) that other person providing the service or (ii) any agent or independent service provider appointed by it.
- 1.13.5. We are not liable for any loss, cost or damage of any kind incurred or suffered by you or any other person as a result of any interruption, delay or failure (whether total or partial) in providing any of the Services or our equipment or facilities to you or performing our duties and obligations in respect of the Services to the extent that it is attributable to any cause or circumstance that is beyond our reasonable control or the reasonable control of our agents or nominees.
- 1.13.6. In no circumstances will we be responsible to you or any other person for any loss of profit or interest, indirect or consequential loss arising from or in connection with our providing, or failure or delay in providing, the Services.

1.14. Your indemnity

- 1.14.1. Except as set out in Clause 1.14.2, you will indemnify and reimburse (i) us, (ii) our agents and nominees, and (iii) our officers and employees and that of our agents or nominees for all actions, proceedings and claims which may be brought by or against us or them, and for all losses, damages and reasonable costs and expenses which we or they may incur or suffer as a result of or in connection with the following (or any of them):
- (a) your use of the Services or our providing the Services to you, maintaining the Accounts for you, or effecting any transactions for or with you;
 - (b) our decision not to process any Instruction or our delay or failure to act on an Instruction in part or in full for any reason;
 - (c) any fluctuation in the price of the relevant asset between the time we receive an Instruction and the time we act on it;
 - (d) any default by you in performing your obligations under these Terms and Conditions, the Applicable Regulations, Market Requirements or relating to the Services or the Accounts;
 - (e) the preservation or enforcement of our rights or exercise of our powers in connection with the Services and the Accounts; and
 - (f) your failure to provide complete, accurate and up-to-date information requested by us in discharging our regulatory or legal duties (including but not limited to your Customer Financial Information under Clause 5.1.2A).

This indemnity shall continue after the termination of the Services, the Accounts or these Terms and Conditions.

- 1.14.2. If it is proved that any actions, proceedings, claims, losses, damages or amounts set out in Clause 1.14.1 was caused by negligence or wilful default of (i) ours, (ii) our agents or nominees, or (iii) our officers or employees or that of our agents or nominees, then you are not liable under Clause 1.14.1 to the extent that it is direct and reasonably foreseeable arising directly and solely from such negligence or wilful default.

1.15. Fees, expenses, commissions and interest

- 1.15.1. You are required to pay us fees for providing the Services or maintaining the Accounts. You will be notified of the fees at the time of opening an Account, requesting a Service or effecting an Instruction or from time to time. If the Account is closed within such period after the account opening date as specified by us from time to time or the credit balance of the Account falls below the minimum deposit amount set by us from time to time, we may impose a fee at our discretion. A list of our fees is available upon request at any of our branches.
- 1.15.2. We may collect fees from you in such manner and at such intervals as we may specify. Paid fees are not refundable unless we agree otherwise.
- 1.15.3. You are required to pay all costs and expenses of reasonable amounts and reasonably incurred by us in connection with the Services or the Accounts from time to time. These may include all applicable taxes, duties and levies payable in respect of your assets and any expenses for preserving or enforcing our rights in connection with the Services and the Accounts (including fees of any collection agent employed by us and legal fees in demanding, collecting, suing or recovering any outstanding or overdue amount).

- 1.15.4. We may use one or more members of the HSBC Group or any other person to assist us in providing services to you or fulfilling your requirements. You further agree that we may pay these persons remuneration of any nature (whether fees, commissions, rebates or other payments) for the services provided by them to us. We may also pay remuneration to members of the HSBC Group or any other person in return for introducing you to us. Payment of such remuneration by us does not affect the amount of fees and charges payable by you to us in connection with the Services or the Accounts.
- 1.15.5. We may accept from any manager, stockbroker, underwriter or any other person (whether or not a member of the HSBC Group) engaged in a transaction involving the purchase or sale of any securities or other assets for you any rebate or payment of brokerage, commission or discount payable in respect of that transaction. You further agree that we are entitled to retain for our own account and benefit absolutely the above amounts and any interest generated on any payment made by or to you pending transfer to the Cash Account (or any other account maintained by you with us) or to the manager, stockbroker, underwriter or any other person to effect an Instruction.
- 1.15.6. Where a negative interest rate applies to any currency, we have the right to impose negative interest on credit balances on any Account that are denominated in such currency. Where such interest becomes payable by you to us, we are entitled to debit any of the Accounts for the purpose of settling such negative interest, irrespective of whether there are sufficient available funds, overdraft or other facilities in the said Accounts. If any debit causes the relevant Account to be overdrawn, you are liable to repay the outstanding amount to us on demand together with any fees, expenses and interest accruing on the outstanding amount at such rate as we may specify.

1.16. Miscellaneous general provisions

1.16.1. Currency conversion

- (a) Unless we specify otherwise in these Terms and Conditions, where conversion of one currency into another currency is required or appropriate under these Terms and Conditions, such conversion will be effected at our prevailing exchange rate at the time of conversion. Any exchange rate provided by us at any other time may differ from the rate at which we effect the conversion and is for reference only.
- (b) (i) If we accept a Hong Kong dollar cheque for deposit into an Account in a currency other than Hong Kong dollar and that cheque is dishonoured, we will debit the Account with the amount of the cheque calculated using our prevailing selling rate or the original buying rate (whichever is lower).
- (ii) If we accept a cheque in a currency other than Hong Kong dollar for deposit into an Account in Hong Kong dollar and that cheque is dishonoured, we will debit the Account with the amount of the cheque calculated using our prevailing selling rate or the original buying rate (whichever is higher).
- (iii) If we accept a cheque in a currency other than Hong Kong dollar for deposit into an Account in any currency (not being Hong Kong dollar or the currency of the cheque) and that cheque is dishonoured, we will debit the Account with the amount of the cheque calculated using the exchange rates at which we effected currency conversion at the time of depositing the cheque or reversing the deposit as we may determine.
- (c) Before carrying out a currency conversion transaction, we may require you to provide information or documentation to prove that such transaction is in compliance with all Applicable Regulations. We have the right to refuse to carry out a currency conversion transaction if we are not satisfied with the information or documentation provided by you.

1.16.2. Collection and recovering of debts

We have the right to employ any person to assist us in collecting and recovering any outstanding or overdue amount owing by you to us. Such person includes any collection agent or any other service provider.

1.16.3. Recording

In the course of providing the Services, we (or any of our agents or nominees) may record and monitor Instructions or communications with you by tape, video or other means. We have the right to destroy these recordings after such period of time as we consider appropriate.

We may collect, store and analyse recordings of your voice to generate a "voice print" that is unique to you. We may use this voice print to identify you when you call us.

1.16.4. Microfilming or scanning

We have the right to destroy any document or record relating to you, the Master Account or any of the Services after microfilming or scanning it. We also have the right to destroy any microfilmed or scanned document or record after such period of time as we consider appropriate.

1.16.5. Our by-laws and practices

In addition to these Terms and Conditions, the Services, the Accounts, the Features, the Tiers and other related matters are governed by the rules of Hong Kong Association of Banks and our by-laws, regulations and practices. We may draw your attention to them by way of display at our premises, advertisement or in any manner.

1.16.6. Waivers and remedies

A waiver by us of any provision of these Terms and Conditions will be effective only if given by us in writing and any such provision is waived only to the extent that is expressly stated in our written notice. No failure or delay by us in exercising any right, power or remedy will operate as a waiver of that right, power or remedy. Nor will any single or partial exercise preclude any other or further exercise of a right, power or remedy. Any right, power or remedy under these Terms and Conditions is intended to be cumulative and in addition to any other right, power or remedy we have in law.

1.16.7. Partial invalidity

If any provision of these Terms and Conditions is or becomes illegal, invalid or unenforceable under any Applicable Regulation, such illegality, invalidity or unenforceability does not affect any other provision which remains in full force, validity and effect.

1.16.8. Appointment of agent or nominee

We may appoint any other person as our agent or nominee to perform any of the Services for us. Such person includes any service provider or sub-contractor acting in its capacity as our agent or nominee and excludes any independent service provider or sub-contractor. For that purpose, (i) we may delegate any of our powers to that person, and (ii) you authorise us to disclose or transfer any information relating to you, the Master Account, any Account or the Services to that person. Subject to Clause 1.13, we remain liable to you for the negligence or wilful default of any person appointed by us under this clause as if we performed the relevant Services ourselves.

1.16.9. Assignment by us or by you

- (a) We may at any time assign or transfer any or all of our rights and obligations to any person without your agreement.
- (b) You are not allowed to assign or transfer any of your rights or obligations to any person unless with our prior written agreement.

1.16.10. Loss of seal etc.

If you lose any identity document, seal or chop used for giving Instructions to us in relation to the Services or the Accounts, you must promptly notify us in writing. We are not liable to you for effecting any payment or transaction before we actually receive such written notice.

1.16.11. Staff's remuneration

The remuneration for our sales staff is determined based on the staff's overall performance with reference to a wide range of factors, and is not determined solely on his financial performance. Sales staff's remuneration is subject to review from time to time, for the purpose of encouraging the building of deep, long-lasting and mutually valuable relationships with customers.

1.16.12. Third party rights

No person other than you and us will have any right under the Contracts (Rights of Third Parties) Ordinance to enforce or enjoy the benefit of any of the provisions of these Terms and Conditions.

1.16.13. Governing law and version

- (a) These Terms and Conditions are governed by and will be construed according to Hong Kong laws.

 - (ii) on the credit balance in the Savings Account
 - (iii) at the interest rate specified by us at our discretion.

Interest rates applicable from time to time will be displayed at our premises or published on our website.

Interest at a rate above zero is payable by us to you and will become a credit entry to a Savings Account in Hong Kong dollar at the end of each calendar month (or at such other interval as we may set from time to time). Interest at a rate below zero is payable by you to us and will become a debit entry to a Savings Account in Hong Kong dollar at the end of each calendar month (or at such other interval as we may set from time to time).

- (b) We have the right to set or vary without prior notice from time to time any minimum amount of credit balance for interest to accrue. No such interest will accrue if the credit balance in the Savings Account falls below the minimum amount set by us.
- (c) Interest at a rate above zero is payable by us to you and will become a credit entry to a Savings Account in a currency other than Hong Kong dollar at the end of each calendar half-year (or at such other interval as we may set from time to time). 2.1.2. Savings Account withdrawals and deposits

- (a) You may make withdrawals from your Savings Account at our counter during business hours of our branch. We do not allow withdrawal from a Savings Account by cheque.
- (b) Before a withdrawal, you have to produce satisfactory evidence of your identity. You also have to produce satisfactory evidence of your authority, if requested by us.
- (c) With respect to depositing currency notes in your Savings Account, you undertake and agree that if, at any time after we have credited your Savings Account with the amount representing the value of the currency notes deposited, any one or more of such notes is found or reasonably suspected by us to be counterfeit notes, you authorise us, without notice to you, to forthwith debit your Savings Account or any other account(s) held by you with us for the aggregate amount of such note(s). You agree that such note(s) will not be returned to you and you authorise us to dispose of the same at our sole discretion and to inform the relevant authority and disclose to them all such information relating to the same, including your name, contact number and address, as we consider appropriate.
- (d) You agree to keep us at all times indemnified against all actions, claims, proceedings, loss, damages, costs and expenses which may be brought against us or suffered or incurred by us arising out of or in connection with Clause 2.1.2(c).
- (e) Where your Savings Account is in a currency other than Hong Kong dollar:

 - (iii) you understand and agree that foreign currency/Renminbi Savings Accounts are at all times subject to, and you undertake to comply with, the law and all the rules, regulations, restrictions, directions, guidelines issued by the relevant authority governing the same and also any other related terms and conditions and publications issued by us from time to time.

2.1.3. Payment to third party

Payment by us to a person has the same effect as if payment to you personally if that person produces:

- (a) satisfactory evidence of his identity; and
- (b) if requested by us, a withdrawal form appears to be signed, sealed or chopped by you (as applicable) or according to your authorisation.

By making payment to that person, we discharge all our liabilities to you or any other person with respect to the amount paid.

2.1.4. Unauthorised overdraft

If you give us an Instruction to pay or withdraw from your Savings Account (i) where there are insufficient funds in your Savings Account and (ii) which, if executed by us, would cause your Savings Account to go overdrawn or over an existing overdraft limit, we will treat this as your informal request for an unauthorised overdraft and we may:

- (i) refuse your request and that Instruction and impose a service charge for considering and refusing your request; or
- (ii) agree to your request and provide you with an overdraft or an increase to your existing overdraft. The amount of the overdraft or increase will be subject to our prevailing interest rate calculated on a daily basis. We may charge an arrangement fee for the overdraft or the increase.

2.2. Current Account

Unless otherwise specified by us, no interest (whether at a rate above or below zero) accrues on a Hong Kong dollar Current Account.

2.2.2. Handling cheques with care

- (a) You are responsible for safekeeping your cheque books and cheques from loss, theft or unauthorised use. You should take appropriate security measures including lock and key.
- (b) All cheques on your Hong Kong dollar Current Account should be drawn in Hong Kong dollar.
- (c) You may apply for a cheque book for your Hong Kong dollar Current Account through any means accepted by us. We have the right not to issue a cheque book. We will deliver a cheque book by post to your address on our records. We are not responsible for any delay or loss caused by any means of delivery.
- (d) After receiving a cheque book or before use, you should check the cheque serial numbers, account number and your name printed on the cheques and the total number of cheques. You should report any irregularity to us as soon as reasonably practicable.
- (e) You should delete the words "OR BEARER" and cross a cheque if you intend to deliver it other than in person.
- (f) You should be careful in drawing a cheque to ensure that it is correct. You should not draw a cheque in any manner that may allow it to be altered or may facilitate fraud or forgery. In particular:
 - (i) you should write the amount in the spaces provided on the cheque, both in words and figures as close to each other and to the left hand margin as possible, so as to leave no space for adding other words or figures;
 - (ii) you should add the word "only" after stating the amount in words and use only Arabic numerals to state the amount in figures;
 - (iii) you should write and sign a cheque with non-erasable ink or ball-point pen in Chinese or English. You should sign a cheque so that your signature matches the specimen signature on our record;
 - (iv) you should confirm any alteration on a cheque by your full signature. You agree that we are not responsible for any loss arising from an alteration which cannot be readily detected by us; and
 - (v) you should comply with the conditions printed on the inside cover of a cheque book.
- (g) You must report any loss, theft or unauthorised use of a signed cheque or a cheque book to us in writing as soon as reasonably practicable.
- (h) You agree and authorise us to do the following:
 - (i) record a cheque drawn by you in electronic or other form as we consider appropriate;

2.2.3. Return cheques

We have the right not to pay a cheque in the following cases (or any of them):

- (a) if there is an error on the cheque; and
- (b) if there is any other reason that we consider appropriate.

We have the right to return that cheque and impose a service charge.

If you issue a cheque (i) where there are insufficient funds in your Current Account and (ii) which, if honoured by us, would cause your Current Account to go overdrawn or over an existing overdraft limit, we will treat this as your informal request for an unauthorised overdraft and we may:

- (i) refuse your request, return that cheque and impose a service charge for considering and refusing your request; or

- (ii) agree to your request and provide you with an overdraft or an increase to your existing overdraft. The amount of the overdraft or increase will be subject to our prevailing interest rate calculated on a daily basis. We may charge an arrangement fee for the overdraft or the increase.

2.2.4. Stop payment order

- (a) You should give us clear Instruction if you wish to stop payment of a cheque. We have no obligation to act on your Instruction if we do not receive it in time to enable us to stop payment.
- (b) You should clearly identify the cheque in your Instruction by quoting the cheque number. If you quote any other detail instead of the cheque number, we have no obligation to but may act on your Instruction at our discretion without being liable. If you quote any other detail in addition to the cheque number, we are not responsible for checking whether that detail conforms with the corresponding detail on the cheque in question.
- (c) We have no obligation to act on an Instruction to stop payment if we are unable to verify its authenticity. However, that does not restrict us from acting on an Instruction at our discretion if we believe in good faith that it is given or authorised by you. We may also act on an Instruction under special arrangement with you. In any case, we are not liable and you will be bound by that Instruction if we act on it even if it is incorrect, false or unclear or was not given or authorised by you. You should confirm an Instruction as soon as reasonably practicable in a manner accepted by us.

2.2.5. Unauthorised overdraft

If you give us an Instruction to pay or withdraw from your Current Account (i) where there are insufficient funds in your Current Account and (ii) which, if executed by us, would cause your Current Account to go overdrawn or over an existing overdraft limit, we will treat this as your informal request for an unauthorised overdraft and we may:

- (i) refuse your request and that Instruction and impose a service charge for considering and refusing your request; or
- (ii) agree to your request and provide you with an overdraft or an increase to your existing overdraft. The amount of the overdraft or increase will be subject to our prevailing interest rate calculated on a daily basis. We may charge an arrangement fee for the overdraft or the increase.

Our services may include applying for, holding, maintaining, renewing, revoking and managing (or any of the above) a specific usage e-certificate on your behalf. If we provide such services and you choose to produce your digital signatures by a specific usage e-certificate, you direct and authorise us to:
 - (A) provide such services in the scope and manner set by us from time to time, which may include holding the specific usage e-certificate and the corresponding key and password for you, and effect and produce your digital signatures on e-Cheques on your behalf as instructed by you from time to time; and
 - (B) take all necessary steps (including providing all necessary information and personal data to the certification authority issuing the specific usage e-certificate) for the purposes relating to the specific usage e-certificate.
 - (5) In applying for a specific usage e-certificate for you, we are entitled to rely on the information provided by you. You are solely responsible for providing us with correct and up-to-date information. If we obtain a specific usage e-certificate based on incorrect or outdated information provided by you, you are still bound by any e-Cheque signed by digital signatures produced by that e-certificate.

- (6) An e-certificate is issued by the relevant certification authority. You are bound by the terms and conditions specified by that certification authority in relation to your e-certificate. You are solely responsible for performing your obligations under those terms and conditions.
- (iii) Sending e-Cheques to payees

 - (C) providing us with correct and up-to-date contact information of a payee to enable us to send the e-Cheque file to the payee by electronic means on your behalf, if we offer this service.
 - (3) The e-Cheque file will be regarded as having been delivered to the payee upon our sending it to the payee by electronic means using the payee's contact information provided by you. We do not have any duty to verify whether the payee has actually received the e-Cheque file. We advise you to check with the payee whether the payee has actually received the e-Cheque file, whether it is sent by you or by us.
- (iv) Waiver of presentment requirements
- Each e-Cheque is only required to be presented by sending it in the form of an electronic record in accordance with the Industry Rules and Procedures. We are entitled to pay each e-Cheque against presentation of its electronic record in that manner without requesting any other form of presentation. Without reducing the effect of Clause 2.2.6(c)(i)(1) above and Clauses 2.2.6(e)(i) and 2.2.6(e)(ii) below, you expressly accept the waiver of presentment requirements set out on an e-Cheque from time to time.

You are responsible for the presentation of all e-Cheques by you or any other person using your e-Cheque Drop Box Account (including presentation of any e-Cheques to a Payee Bank Account other than your same-name account).
 - (3) Any issue relating to the use of the e-Cheque Drop Box Service should be handled in accordance with the e-Cheque Drop Box Terms.  - (6) We have the right to charge or vary the fees relating to the use of our Deposit Channels. We will give you prior notice of new fees or any variation of fees. We may collect fees from you in such manner and at such intervals as we may specify.

2.3. Time Deposit Account

2.3.1. Time deposit interest

- (a) Interest on a time deposit accrues:
 - (i) on a daily basis
 - (ii) on the principal amount
 - (iii) at the interest rate specified by us at our discretion.

Interest rates applicable from time to time will be displayed at our premises or published on our website, which will serve as notice to you. We will advise the details of the accrued interest and the amount of tax deducted or withheld (if applicable) in respect of a time deposit each time you withdraw or renew the time deposit.

- (b) (i) Interest on a time deposit accrues up to the day prior to its maturity date and is payable on the maturity date. Interest at a rate above zero is payable by us to you and may be withdrawn or added to the principal amount of the time deposit on a Business Day. Interest at a rate below zero is payable by you to us and will be deducted from the principal amount of the time deposit or debited from any other accounts maintained by you with us on a Business Day.
- (ii) Notwithstanding paragraph (i) above, accrued interest on a time deposit for a term of eighteen (18) months or more is payable by us or by you at the end of each calendar half-year. We have the right to set or vary from time to time the minimum amount or term of deposit to which this paragraph (ii) applies and the date for paying interest.
- (c) Interest accrues on a time deposit that is a call deposit on a daily basis at our prevailing interest rate at the end of each day except that interest for the day on which the call deposit is made with us accrues at the interest rate set out in the deposit confirmation.

2.3.2. Making a time deposit

- (a) Your Time Deposit Account will be opened when you make a time deposit for the first time with us. All subsequent time deposits will be credited to that Time Deposit Account.
- (b) We have the right to set or vary from time to time the terms available for making time deposits. These terms may include the currencies, any minimum or maximum amount of deposit, the range of periods and maturity dates.

2.3.3. Renewal and withdrawal of time deposits

- (a) We have the right to set or vary from time to time the dates and hours when you may make, renew or withdraw a time deposit.
- (b) You may give an Instruction to renew automatically a time deposit. We have the right to accept or refuse your Instruction to renew automatically. If we accept your Instruction to renew automatically, our prevailing interest rate on the maturity date (whether above or below zero) will be the interest rate for the renewed term. Even if we have accepted your Instruction to renew automatically, we have the right unilaterally to cease to act on the Instruction at any time without giving reason.
- (c) Where the maturity date of a time deposit falls on a day other than a business day in Hong Kong or in the jurisdiction of the foreign currency in which the time deposit is denominated, the time deposit is payable on:
 - (i) the next business day; or
 - (ii) the previous business day if the next business day would extend the term of the time deposit beyond the maximum deposit term acceptable to us or permitted by Applicable Regulations.
- (d) We have no obligation to but may at our discretion repay any part of a time deposit before its maturity date at your request. In that case, the following provisions apply:
 - (i) interest on the time deposit is not required to be paid to you or to us;

You may give us Instruction directly or through local bankers in writing or any other means as may be accepted by us.

You have to give Instruction on how to handle any accrued interest payable by us. Accrued interest payable by you will be deducted from the principal amount of the time deposit.

2.4. HSBC Premier Junior Pack

2.4.1. Eligibility criteria

- (a) In order to be eligible for a Junior Pack Account in your name, you have to maintain a separate Master Account in the same name at the HSBC Premier Tier at all times when you have a Junior Pack Account. You have to comply with such requirements as we may specify from time to time for maintaining the HSBC Premier Tier for the Junior Pack Account. A reference to the "Master Account" in this Clause 2.4 means the separate Master Account unless we specify otherwise.
- (b) Without limiting or reducing the effect of Clause 1.8 and any of our other rights, if the Master Account is closed for any reason or is no longer maintained at the HSBC Premier Tier, you are required to close the Junior Pack Account unless we agree otherwise. We have the right to close the Junior Pack Account at any time without giving you notice or reason.

2.4.2. Nature of Junior Pack Account

- (a) The Junior Pack Account is not a trust account. The minor child registered by you under the Junior Pack Account (in this Clause 2.4, "Child") does not acquire any beneficial or other interest in the Junior Pack Account or any Services available under the Junior Pack Account. You are the holder of the Junior Pack Account and will be treated accordingly unless we have made any other arrangement with you.
- (b) Except as we specify otherwise in these Terms and Conditions, the Junior Pack Account is a Master Account subject to these Terms and Conditions and will be treated accordingly. However, the following Services are not available to a Junior Pack Account and the provisions in these Terms and Conditions that only relate to such Services do not apply to the Junior Pack Account:
 - (i) cheque book;
 - (ii) e-Cheques Services;
 - (iii) credit services including secured credit facility, clean credit facility and overdraft protection; and
 - (iv) inclusion of other account or product information on the Consolidated Statement.
- (c) Without limiting or reducing the effect of Clause 1.10, if you request us to issue a Cash Card to a Child or allow a Child to access the Junior Pack Account through any means made available by us, you authorise us to disclose information relating to the Junior Pack Account to the Child.

2.4.3. Cash Card for Junior Pack Account

If you apply for a Cash Card under the Junior Pack Account:

- (a) The Cash Card remains our property. You should return it to us upon our request. We have the right to withdraw a Cash Card or any services offered with a Cash Card at our discretion at any time without notice.
- (b) The Cash Card and the Authentication Factors we issue to a Child are considered to have been issued to you. You are responsible for (i) all Cash Cards issued by us at your request (including all Authentication Factors and related facilities, services and charges) and (ii) all withdrawals and transactions effected by the use of a Cash Card or Authentication Factors.
- (c) You authorise us to debit the amount of each withdrawal or transaction effected by the use of a Cash Card or Authentication Factors from the Junior Pack Account.
- (d) You should promptly report to us any loss, theft, disclosure or unauthorised use of a Cash Card or Authentication Factors, followed by a written confirmation as soon as reasonably practicable. You are liable for all withdrawals and transactions effected by the use of a Cash Card or Authentication Factors (whether or not authorised by you) before we actually receive your report.
- (e) Use of a Cash Card and Authentication Factors is subject to the provisions of this Clause 2.4 and other applicable provisions of these Terms and Conditions. These include the provisions governing an ATM Card as if the Cash Card were an ATM Card. You are bound by these provisions. You have to ensure that each Child to whom we issue a Cash Card complies with these provisions.

2.5. Use of ATM Card and liabilities

2.5.1. ATM Card

- (a) For the purposes of this Clause 2.5, all references to Accounts include all other accounts accessible by the use of your ATM Card.
- (b) Your ATM Card remains our property. You should return it to us upon our request.
- (c) We may offer, vary, suspend or withdraw any Service relating to the ATM Card at any time without prior notice. You may be required to make separate application to obtain some Services relating to the ATM Card (such as to use the ATM Card at an ATM). We may also specify or vary the terms and conditions governing the use of ATM Cards from time to time. Without limiting or reducing the effect of Clause 1.12, you will be bound by a variation unless your ATM Card is returned to us for cancellation before the date on which that variation takes effect.
- (d) Without limiting our right, we may set daily transaction limits or specify the scope of any Service relating to the ATM Card available in or outside Hong Kong. If you want to use your ATM Card at an ATM outside Hong Kong for cash withdrawals and transfers, you are required to set your ATM daily withdrawal and transfer limits and corresponding activation periods in

advance. You have to set the limits and periods through one of the channels designated by us from time to time.

- (e) You authorise us to disclose, in strict confidence, to other institutions (whether in or outside Hong Kong) personal data and information about you, your ATM Card and Accounts. Such disclosure may be required or appropriate in connection with any electronic fund transfer network or to enable us to provide the Services relating to your ATM Card.

2.5.2. Your responsibility for using the ATM Card

- (a) By using (which includes activating) your ATM Card, you will be considered to have accepted the terms and conditions governing the use of ATM Cards from time to time and will be bound by them. You are responsible for all transactions effected by the use of your ATM Card (including all related fees and charges).
- (b)
 - (i) You should promptly report to us any loss, theft, disclosure or unauthorised use of your ATM Card or Authentication Factors, followed by a written confirmation as soon as reasonably practicable. You will be responsible for all transactions effected by the use of your ATM Card before we receive your report.
 - (ii) If you report loss, theft, disclosure or unauthorised use of your ATM Card or Authentication Factors in accordance with Clause 2.5.2(b)(i), your maximum liability for unauthorised transactions is HKD500 per ATM Card.
 - (iii) However, please note that the limit referred to in Clause 2.5.2(b)(ii) DOES NOT APPLY (and you will be liable for the full amount) in the cases below:
 - (A) if you have knowingly (whether or not voluntarily) permitted any other person to use your ATM Card or Authentication Factors; or
 - (B) if you have acted fraudulently or with gross negligence in using or safeguarding your ATM Card or Authentication Factors. Your failure to follow any of the security measures recommended by us from time to time regarding the use or safekeeping of your ATM Card or Authentication Factors may be treated as your gross negligence.
 - (iv) We have no obligation but may issue a replacement ATM Card to you. If we issue a replacement ATM Card, we will charge a handling fee by debiting any Account.
- (c) You should not transfer your ATM Card or Authentication Factors or allow any other person to use your ATM Card or Authentication Factors. You should keep your Authentication Factors strictly confidential. You should not write down or keep the Authentication Factors on or close to your ATM Card, or handle it in any other way that may enable another person to use your ATM Card.
- (d) We will debit the amount withdrawn, transferred or otherwise disposed of by the use of your ATM Card from the related Account. You will be unable to effect a transaction if there are insufficient funds in the related Account. If you effect a transaction in a currency other than Hong Kong dollar, we will debit that transaction from the related Account after conversion into Hong Kong dollar at our prevailing exchange rate at the relevant time of conversion.
- (e) We accept cash or cheque deposited into an ATM using your ATM Card subject to subsequent verification in our normal course of business. The statement issued by the ATM at the time of the deposit only represents what you purport to have deposited and is not binding on us. Further, a cheque is accepted subject to final payment or clearing. You are not entitled to use or withdraw the proceeds of a cheque until they have been cleared.

2.6. Use of Credit Card and liabilities

2.6.1. Where we issue a Credit Card to you on your application, you are bound by the related Credit Card Cardholder Agreement.

2.6.2. Where your Credit Card may be used at an ATM, that use is subject to the terms and conditions governing the use of ATM Cards from time to time.

You are fully responsible for ensuring that the captured data is accurate and complete before confirming any payment or funds transfer instruction. We are not responsible for any error contained in such payment or funds transfer data.
- (ii) The QR Code Services can be used on a mobile device running an operating system supported and specified by us from time to time.

- (v) The QR Code Services are not intended for use in any jurisdiction where their use would be contrary to any law or regulation of that jurisdiction or where we are not licensed or authorised to provide the QR Code Services.
- (vi) You must comply with all applicable laws and regulations that govern your download of the mobile app, or access or use of the mobile app or the QR Code Services.

(b) Security

This includes devices that have been "jail-broken" or "rooted". A jail broken or rooted device means one that has been freed from the limitations imposed on it by your mobile service provider and the phone manufacturer without their approval. The use of the QR Code Services on a jail broken or rooted device may compromise security and lead to fraudulent transactions. Use of the QR Code Services in a jail broken or rooted device is entirely at your own risk and we will not be liable for any losses or any other consequences suffered or incurred by you as a result.
- (ii) You are fully responsible for all instructions or requests given by you or any other person authorised by you during the use of the QR Code Services.

We are not responsible for any loss you may incur as a result of your use of the QR Code Services.
- (iii) You understand and agree that:
- (1) You use the QR Code Services at your sole risk. To the maximum extent permitted by law, we expressly disclaim all warranties and conditions of any kind, whether express or implied.
- (2) You download or obtain any material or information through the use of the QR Code Services at your sole risk and discretion. You are solely responsible for any damage to your computer or other device or loss of data resulting from downloading, obtaining or using such material or information.
- (iv) For the avoidance of doubt, nothing above is intended to exclude or restrict any condition, warranty, right or liability which may not be lawfully excluded or restricted.

2.7.6. Collection and use of Customer Information

- (a) For the purposes of using the Bank Services, you may be required to provide us with the personal data and other information relating to one or more of the following persons from time to time:
- (i) yourself;
- (ii) the recipient of any payment or funds transfer to be made by you, or the counterparty of any eDDA to be set up by you; and

- (iii) where you are a company, a corporation, or a sole proprietorship or partnership firm or any other unincorporated body, any of your directors, officers, employees, authorised persons and representatives,
- all personal data and information provided to us or compiled by us from time to time in connection with the Bank Services are collectively referred to as "Customer Information".
- (b) You agree (and, where applicable, for and on behalf of each of your directors, officers, employees, authorised persons and representatives) that we may collect, use, process, retain or transfer any of the Customer Information for the purposes of the Bank Services. These purposes include without limitation one or more of the following:
 - (i) providing the Bank Services to you, maintaining and operating the Bank Services;
 - (ii) processing and executing your instructions and requests in relation to the Bank Services from time to time;
 - (iii) disclosing or transferring the Customer Information to HKICL and other Participants for their use for the purpose of the operation of HKICL FPS;
 - (iv) meeting the requirements to make disclosure under any Regulatory Requirements; and
 - (v) purposes relating to any of the above.
 - (c) You understand and agree that the Customer Information may be further disclosed or transferred by HKICL, us or any other Participants to their customers and any other third parties who are users of HKICL FPS for the purposes of providing and operating the Bank Services.
 - (d) If the Customer Information includes personal data or other information of any person other than yourself, you confirm that you will obtain and has obtained the consent from such person regarding the use (including disclosure and transfer) of his/her personal data and other information by HKICL, us and the other Participants as specified in this clause.

2.7.7. Your responsibility

(a) Present genuine owner or authorised user of Proxy ID and accounts

You can only register your own Proxy ID for your own accounts or set up eDDA for your own accounts. You must be the present genuine owner or authorised user of each Proxy ID and each account provided to us for registration in the Addressing Service and the eDDA Service. By instructing us to register any Proxy ID or any account for you in relation to the Faster Payment System, you confirm that you are the present genuine owner or authorised user of the relevant Proxy ID or account. This is particularly important for mobile phone numbers as they may be recycled.

(b) Proxy ID

Any Proxy ID to be registered by you for the Addressing Service must satisfy any applicable requirements imposed by HKICL from time to time. For example, HKICL may require the mobile phone number or email address to be registered as Proxy ID to be the same number or address registered by you as contact information on our records at the relevant time.

(c) Correct information

- (i) You have to ensure that all the information provided by you for registration or amendment of Proxy ID (or any related records) or for any eDDA setup is correct, complete, up-to-date and not misleading. You have to notify us as soon as reasonably practicable of any changes or updates to such information by such means or in such manner specified by us from time to time.
- (ii) You are fully responsible for using the correct and up-to-date Proxy ID and related records in giving each payment or funds transfer instruction. You are solely liable for and will hold us harmless from any incorrect payment or transfer effected by us and HKICL FPS due to incorrect or outdated Proxy ID or related records.
- (iii) You acknowledge that we, other Participants and HKICL have the right to deregister any Proxy ID that is no longer correct or up-to-date in accordance with available information without your consent.

(d) Timely updates

You are fully responsible for giving instructions and information changes or updates to us on a timely basis for amending your Proxy ID (or related records) or any eDDA setup, including without limitation changing your Default Account, or terminating any Proxy ID or eDDA. You acknowledge that keeping your Proxy ID, eDDA and all related records up-to-date is critical for ensuring effective execution of payment and funds transfer instructions and for avoiding incorrect payment or transfer due to incorrect or outdated Proxy ID, eDDA or related records.

(e) Change of Default Account

If an account is terminated as the Default Account by you or by the relevant Participant for any reason (including suspension or termination of the account), the system of HKICL will automatically assign the most recently registered record in the Addressing Service that is associated with the same Proxy ID to be the Default Account. If you wish to set another account as the Default Account, you have to change the registration through the Participant where you maintain that other account.

(f) Transactions binding on you

- (i) For any payment or funds transfer, once you confirm the details of a transaction and submit instruction to us, such instruction and any resulting transaction is final, irrevocable and binding on you.
- (ii) For any Proxy ID registration or eDDA setup, once you submit an instruction to us, such instruction is irrevocable and binding on you. You may amend or cancel any Proxy ID or eDDA setup in accordance with the procedures and requirements prescribed by us from time to time.

(g) Use Bank Services responsibly

You must use the Bank Services in a responsible manner. In particular, you have to comply with the following obligations:

- (i) You must comply with all Regulatory Requirements that govern your use of the Bank Services, including collecting, using and handling the personal data and other information relating to any other person in compliance with the Regulatory Requirements protecting data privacy. You must not use the Bank Services for any unlawful purposes or any purposes other than those authorised or contemplated in the rules, guidelines and procedures of HKICL.
- (ii) In sending remarks or messages to be displayed to recipients or counterparties of your payment or funds transfer instructions or eDDA setup using HKICL FPS, you should mask the name or other data of such recipients or counterparties to prevent unauthorised display or disclosure of any personal data or confidential data.
- (iii) You should not repeatedly cancel the registration and request for generation of another FPS Identifier in an attempt to generate a number or value that you desire.

(h) Other obligations regarding payments and funds transfers

Any instruction given by you in relation to the Bank Services will be handled by us in accordance with this clause and the applicable provisions in these Terms and Conditions. You have to comply with the other obligations with respect to payments, funds transfers and direct debit authorisations, including without limitation maintaining sufficient funds in the relevant accounts for settling payment and funds transfer instructions from time to time.

(i) You are responsible for your authorised persons

Where you authorise any other person to give instructions or requests to us in connection with the use of the Bank Services (whether you are an individual, a company, a corporation, or a sole proprietorship or partnership firm or any other unincorporated body):

- (i) you are responsible for all the acts and omissions of each person authorised by you;
- (ii) any instruction or request received by us, believed by us in good faith to be given by you or any person authorised by you, will be irrevocable and binding on you; and
- (iii) you are also responsible for ensuring that each person authorised by you will comply with the provisions of this Clause 2.7 that are applicable to him/her when acting on your behalf.

2.7.8. Our responsibilities regarding HKICL FPS

Where a funds transfer is effected through HKICL FPS, we will process and submit your instructions and requests to HKICL FPS in accordance with the applicable rules, guidelines and procedures imposed by HKICL from time to time. HKICL FPS has the right to process and execute your Instructions and requests in such sequence or manner as HKICL considers appropriate. We have no control over the operation of HKICL FPS nor the timing on which your instructions or requests are executed by HKICL FPS. Where we receive status update notifications involving any of your Proxy ID (or related records) or eDDA setup or any other matter relating to HKICL FPS from or through HKICL FPS from time to time, we will notify you accordingly by such means and at such time as we consider appropriate.

2.7.9. Limitation of Liability regarding HKICL FPS

Without limiting or reducing the effect of Clause 1.13:

- (a) we are not liable for loss, damage or expense of any kind which you or any other person may incur or suffer arising from or in connection with the use of the Bank Services or the processing or execution of instructions or requests given by you in relation to the Bank Services or HKICL FPS, except to the extent that any loss, damage or expense incurred or suffered is direct and reasonably foreseeable arising directly and solely from our negligence or wilful default or that of our officers, employees or agents; and
- (b) for clarity, we are not liable for loss, damage or expense of any kind which you or any other person may incur or suffer arising from or in connection with one or more of the following:
 - (i) your failure to comply with your obligations relating to the Bank Services; and
 - (ii) any delay, unavailability, disruption, failure, error of or caused by HKICL FPS or any functionality of the Faster Payment System, or arising from any circumstances beyond our reasonable control, including any delay or error relating to the risk warnings, messages and indicators about suspected frauds, scams or deceptions received by us from the Faster Payment System or Hong Kong Police Force.

2.7.10. Our Rights and Responsibilities regarding funds transfer

You may instruct us to effect a funds transfer (local or overseas) by such means accepted by us from time to time (e.g. electronic clearing, TT, RTGS or HKICL FPS). The following terms apply unless we specify otherwise:

- (a) We have the right to refuse an Instruction to effect a funds transfer without giving reason. If we accept an Instruction, we have the right to effect the Instruction using any routing arrangement at our discretion.
- (b) We have the right to effect the funds transfer either in words or in code. We are not responsible for (i) any loss, delay, error, omission or alteration of the message which may occur in its transmission, and (ii) any misinterpretation of the message by the recipient (or any of the above).

- (c) When a funds transfer is being effected, there may be a currency conversion if the beneficiary account is in a currency that is different from the remitting currency.
- (d) We will communicate to the correspondent or beneficiary bank your request to pay its charges or overseas charges. That bank decides whether the beneficiary receives the full amount of the funds transfer. We have no control and take no responsibility in that matter.
- (e) We have the right to effect the funds transfer through a correspondent or beneficiary bank or a Participant other than that specified by you if operational circumstances or Applicable Regulations so require.
- (f) Where we are unable to provide a firm exchange rate quotation for any reason, we have the right to effect the funds transfer on the basis of a provisional exchange rate. The provisional exchange rate is subject to adjustment when the actual exchange rate is ascertained. You authorise us to debit or credit any difference between the provisional rate and the actual rate to your Account.
- (g) If you wish a funds transfer to be effected on a particular date, you should clearly specify that date in your Instruction.
- (h) A funds transfer Instruction may not be processed on the same day if our remittances department does not receive it before the relevant cut-off time set by us.
- (i) A funds transfer Instruction is subject to the following (or any of them):
 - (i) the cut-off time of the place where payment is to be received;
 - (ii) the funding arrangement requirements of the settlement banks; and
 - (iii) the availability of the relevant services. This may include the availability of the clearing system of the applicable currency or the location of the correspondent or beneficiary bank or the Participant.

This may mean that your Account is debited before the day the payment is received. We are not responsible for any interest expense or loss incurred or suffered by you or any other person as a result in that case.
- (j) We do not have to inform you of the following matters (or any of them). You should make your own enquiries about them:
 - (i) any exchange control or restriction which may be imposed by Applicable Regulations. We are not liable for any loss or delay to you arising from or in connection with such control or restriction; and
 - (ii) any charges which may be imposed by a correspondent or beneficiary bank or any other bank or Participant.
- (k) Where the beneficiary of payment does not maintain an account with any HSBC Group member or our agents, we and our agents have the right without giving you notice to make payment in accordance with the accepted banking practice in the place where the payment is to be received.
- (l) Even if we have accepted a funds transfer Instruction, we have the right to refuse to process or effect payment without giving you notice, if we are of the reasonable opinion that the following (or any of them) occur:
 - (i) there is insufficient available funds in the Account specified in your Instruction from which payment is to be made;
 - (ii) any information given about the Instruction is incorrect, incomplete or unclear;
 - (iii) the Instruction or processing of the Instruction would be a breach of any Applicable Regulations; and
 - (iv) you have specified additional Instructions or requests which are not acceptable to us.
- (m) In processing a funds transfer Instruction, we may be required by Applicable Regulations concerning anti-money laundering and anti-terrorist financing activities to disclose personal data or other information about you. This may include the originating account number, your name, address, date of birth, personal identity document number and other unique references. You expressly authorise (i) us to make the required disclosure to any correspondent or beneficiary bank or Participant, the payee or any Authority as we may consider appropriate, and (ii) each correspondent or beneficiary bank or Participant to make the required disclosure to any other correspondent or beneficiary bank or Participant, the payee or any Authority as that correspondent or beneficiary bank or Participant considers appropriate.
- (n) We do not have to process any stop payment Instruction received by us even if your Account has not been debited when we receive the Instruction. We may at our discretion process a stop payment Instruction using commercially reasonable efforts. In that case, we will notify you whether we have successfully executed the stop payment Instruction as soon as reasonably practicable. We will not be able to process any stop payment Instruction for any funds transfer in which your Account has already been debited.
- (o) We have the right to deduct any charges imposed by a correspondent or beneficiary bank or a Participant from the payment amount or any of your accounts with us including an Account.
- (p) Whilst we will endeavour to communicate to the beneficiary bank any payment condition you specify in a funds transfer Instruction, we have no obligation to check or verify the satisfaction of such condition before effecting payment. You irrevocably authorise us to effect payment at your own risk.
- (q) We are unable to verify beneficiary account information. The verification procedures adopted by the beneficiary bank may vary in different countries. For example, some banks may process inward remittances by verifying both the account number and account name while other banks may require only the account number or account name. You should ensure that the beneficiary account information provided to us is correct and complete.

- (r) Whilst we will endeavour to communicate to the correspondent or beneficiary bank or the Participant any message to the beneficiary you specify in a funds transfer Instruction, whether the correspondent or beneficiary bank or the Participant will communicate or act on such message is beyond our control. We are not liable for any loss arising from or in connection with the failure of the correspondent or beneficiary bank or the Participant to communicate or act on such message.
- (s) (Applicable to non-Hong Kong residents making Renminbi cross-border remittances only) You understand and agree that cross-border remittances to or from the PRC or other places outside Hong Kong instructed by you are subject to the rules and requirements of the jurisdiction of the originating or receiving market.
- (t) In the event that:
 - (a) we debit any account (the "original account") you maintained with us and denominated in a particular currency (the "original currency") to purchase a different currency (the "new currency"):
 - (i) to effect any remittances in the new currency; and/or
 - (ii) for any other transactions; and
 - (b) any of such purchases, remittances or transactions or any instruction relating thereto is cancelled, rejected or returned, then we will convert the new currency back to the original currency at our prevailing buying rate or our original selling rate, whichever is lower, and deposit the resulting sum into the original account without notice.
- (u) We are fully authorised to deduct any charges from the original account for the currency exchange referred to in sub-clause (t) above and the Customer shall be solely liable for all losses, costs, expenses and charges of any kind resulting therefrom.
- (v) In giving instructions to make payments or effect transactions by any means accepted by us from time to time (e.g. electronic clearing, TT, RTGS or HKICL FPS), you agree to take reasonably practicable steps to safeguard your own interest, money and assets from fraud or other illegal activities. You are responsible to check whether the payment recipient and the transaction are real and trustworthy in each case and exercise sound judgement. To help you stay vigilant against frauds, scams and deceptions, we may send risk alerts based on the risk warnings, messages and indicators received by us from the Faster Payment System or Hong Kong Police Force, from time to time.

2.7.11. Alerts and Money Transfers

- (a) The provisions of this Clause 2.7.11 apply to the Alerts and the Money Transfers as defined in Clause 2.7.11(b) below. If there is any inconsistency between the provisions of this Clause 2.7.11 and the other terms and conditions, the provisions of this Clause 2.7.11 will prevail insofar as the Alerts and Money Transfers are concerned.

- (b) Definitions

Terms used in this Clause 2.7.11 shall have the meanings set out below. If any term used in this Clause 2.7.11 is not defined below, that term shall have the meaning set out in Appendix 1.

Alert means a warning message that a Money Transfer or the relevant payee or payee account may involve fraud or scam.

Anti-fraud Database includes any anti-fraud search engine and/or anti-deception database (including but not limited to Scameter) operated or managed by the Hong Kong Police Force or any other law enforcement agency or governmental body or regulatory authority of Hong Kong, whether it is accessible by the public in general or by designated entities or organisations.

Money Transfer means a transfer of money by you through us via any channels or means or in any currency determined by us from time to time including but not limited to one or more channels or means of electronic banking, e-wallet, mobile banking, ATM, cash deposit machine, and bank counter at any of our branches, whether the payee account is maintained with us or not; and if the context requires or permits, includes an instruction given by you to us to make a Money Transfer.

- (c) Reason for sending Alerts

The Alerts are intended to help you stay vigilant against frauds, scams and deceptions when making Money Transfers. You shall not take the Alerts as replacing your responsibility for safeguarding your own interests, money and assets from fraud or other illegal activities.

- (d) Our role, responsibilities and restriction of liability

- (i) We:

- (1) do not control the management, operation or any other aspect of the Anti-fraud Databases;
- (2) compile the Alerts solely based on the information available from the Anti-fraud Databases from time to time; and
- (3) would not compile any Alert relating to a payee, a payee account or a transaction if no information about it is available from the Anti-fraud Databases.

Therefore, we do not and cannot warrant whether the information available from any Anti-fraud Database is complete, true, accurate and up-to-date, and that the Money Transfers for which you do not receive Alerts are not fraudulent nor that Money Transfers for which you receive Alerts are fraudulent. Our records of our delivery of any Alert to you and any response from you whether to proceed or cancel any Money Transfer shall have conclusive effect save for manifest error.

- (ii) We may compile and deliver the Alerts in such ways as we consider appropriate. We shall have sole discretion to

determine and/or vary, from time to time and without further notice to you, the contents of the Alerts, the channels or means through which the Alerts are delivered, and/or the currency(ies) of the Money Transfers, having regard to our needs and the feedback, comments, guidance or recommendations from the relevant persons. Relevant persons may include but not limited to law enforcement agencies or other governmental bodies, or regulatory authorities or industry associations of Hong Kong. We may deliver the Alerts to you by electronic or other means.

- (iii) We are not liable for loss, damage or expense of any kind which you or any other person may incur or suffer arising from any information available or omitted from any Anti-fraud Database, or any delay, unavailability, disruption, failure, error of or caused by any Anti-fraud Database, or arising from any circumstances beyond our reasonable control.
 - (iv) We are not liable for loss, damage or expense of any kind which you or any other person may incur or suffer arising from or in connection with the Alerts (or any delay or unavailability of the Alerts), or the processing, execution or cancellation of Money Transfers affected by the Alerts (or by any delay or unavailability of the Alerts), except to the extent that any loss, damage or expense incurred or suffered is direct and reasonably foreseeable, and arising directly and solely from our negligence or wilful default or that of our officers, employees or agents.
 - (v) In no event will we, our affiliates or group companies, our licensors, and our and their respective officers, employees and agents be liable to you or any other person for any loss of profit or any special, indirect, incidental, consequential or punitive loss or damages (whether or not they were foreseeable or likely to occur).
 - (vi) Nothing in these Clauses is intended to exclude or restrict any right or liability to the extent of which it may not be lawfully excluded or restricted.
- (e) Your responsibility

You are responsible for taking reasonably practicable steps to safeguard your own interests, money and assets from fraud or other illegal activities. You are responsible to check and ensure that the payee, the payee account, the transaction and the transaction details are real and trustworthy in each case. You should consider carefully whether to proceed with or cancel a Money Transfer affected by an Alert. Your decision to proceed with or cancel a Money Transfer affected by an Alert is binding on you and you shall be solely responsible for the consequences.

2.8. Depositing Items or inward remittances

- 2.8.1. You may deposit any Item to your Account using any means accepted by us from time to time. Before depositing an Item, you will ensure that the Item is on its face in order. This includes ensuring that an Item is appropriately dated and signed, with the amounts in words and figures matched.
- 2.8.2. We have the right to require you to provide details of an Item when depositing it. You will provide accurate and complete details. We are entitled to rely on the details provided by you in issuing a receipt and processing the Item. We also have the right to verify any details provided by you after issuing a receipt for the Item. If there is any discrepancy between a receipt and the outcome of our verification, the outcome of our verification is final and binding on you. We are entitled to adjust the applicable Account accordingly.
- 2.8.3. An inward remittance or Item may be in Hong Kong dollar or any other currency and may include a payment pursuant to the standing instruction of another person. If the inward remittance or Item (including the payment pursuant to the standing instruction of another person) is in a currency not supported by us, we have the right to convert it into Hong Kong dollar at the prevailing buying exchange rate before depositing it to your Account. We accept each inward remittance or Item for deposit into an Account subject to final payment or clearing. We may not make the proceeds available for use until receipt of unconditional payment. If unconditional payment of an inward remittance or Item is not actually received by us for any reason (including insufficient funds for effecting payment), we have the right to debit the relevant Account with the appropriate amount plus any charges.
- 2.8.4. The proceeds of an inward remittance of Item may not be credited to your Account on the same day we receive the remittance or Item if (a) we do not receive it before the relevant cut-off time set by us; or (b) any necessary checking is not completed. No interest (whether at a rate above or below zero) will accrue before the proceeds are actually credited to your Account.
- 2.8.5. There may be risks involved in accepting foreign currency cheques as payment or settlement of transactions. Some jurisdictions have Applicable Regulations dealing with the handling of cheques sent for clearing or collection that require return of a cheque and the amount paid even after clearing and payment. For example, the paying bank of a cheque drawn on a US bank has the right to seek refund of the cheque if it is subsequently found to be fraudulently drawn, fraudulently endorsed or fraudulently altered within a period of up to six (6) years. This refund period may be indefinite for a US Treasury cheque. We have the right to seek repayment from you of any cheque paid to you that is required to be refunded, whether the cheque is sent for collection or accepted for deposit by us. Our right remains throughout the period in which the Applicable Regulations may require refund of the cheque. We accept the deposit of any foreign currency cheques on the following terms:
- (a) In accepting cheques drawn on other banks, we have the right to decide which cheques to accept for deposit and which cheques to send for collection.
 - (b) Where we send a cheque for collection, this will be done subject to the rules set out in International Chamber of Commerce (ICC) Publication No. 522 (Uniform Rules for Collections), or any up-to-date equivalent in force. The proceeds of the cheque will only be credited to your Account after we actually receive payment from the other banks.

- (c) If a cheque accepted for deposit is dishonoured or if a cheque collected by us is subsequently required to be refunded by Applicable Regulations, we will debit your account with the value of the cheque as calculated using our prevailing selling rate or the original buying rate (whichever is higher) plus any charges.
- (d) Charges of other banks (if any) will be debited to your account with notice to you.

2.9. Withdrawals by cash or cheque

We have the right to pay any amount you withdraw from an Account by the following methods (or any of them):

- (a) by cash payment in the currency of the Account;
- (b) by issuing to you a cheque drawn by us on any bank payable in the currency of the Account; and
- (c) by cash payment in Hong Kong dollar, converting (if necessary) the equivalent amount from the relevant foreign currency at our prevailing buying rate for our customers at the time of conversion.

2.10. US Dollar Clearing System

In connection with a banking transaction in US dollar that is cleared or settled through the US Dollar Clearing System established in Hong Kong, you agree to the following:

- (a) the operation of the US Dollar Clearing System will be subject to the US Dollar Clearing House Rules and the US Dollar Operating Procedures; and
- (b) the Hong Kong Monetary Authority does not owe any duty or incur any liability to you or any other person in respect of any claim, loss, damage or expense of any kind or nature (including loss of business or business opportunity, loss of profit, or special, indirect or consequential loss) arising in any manner directly or indirectly from the following (or any of them), even if the Hong Kong Monetary Authority knew or ought reasonably to have known of the possibility of loss:
 - (i) anything done or not done by the Hong Kong Monetary Authority honestly in good faith or by the settlement institution of the US Dollar Clearing System, HKICL or any member of the US Dollar Clearing House in the management, operation or use of the US Dollar Clearing House or the US dollar clearing facilities (or any part of them). That may include the termination or suspension of the settlement institution, the US dollar clearing facilities or any such member of the US Dollar Clearing House; and
 - (ii) without limiting or reducing the effect of paragraph (i) above, the giving of any notice, advice or approval in relation to the US Dollar Clearing House Rules and the US Dollar Operating Procedures.

2.11. Inactive Account

We have the right to restrict or impose conditions for accessing an Account if it has been inactive for a period of time set by us. Unless we have received specific contrary instructions from you, we have the right to close an Account if it (i) has zero balance for a period of time set by us from time to time or (ii) remains inactive for a period of time set by us from time to time. The applicable periods may vary depending on the Account types and we will provide further information upon request.

Section 3: Other Services

3.1. HSBC Premier Emergency Services

- 3.1.1. The HSBC Premier Emergency Services are provided to our customers who are allocated the Tier of HSBC Premier, by MasterCard Worldwide or its agents or independent service providers.
- 3.1.2. If you use the HSBC Premier Emergency Services, you authorise us to transfer or disclose any information held by us from time to time relating to you, HSBC Premier and the Master Account to MasterCard Worldwide or its agents or independent service providers for the purposes of providing the HSBC Premier Emergency Services to you.

3.2. Overseas HSBC Premier and HSBC Advance Services

3.2.1. Services and Features

- (a) We and other members of the HSBC Group in or outside Hong Kong may offer or vary Services and Features under HSBC Premier or HSBC Advance at our discretion from time to time. These Services and Features may include accounts, services, rewards, benefits and privileges of any nature and may be provided by us, another member of the HSBC Group or any other person.
- (b) In order to be eligible for the Features under HSBC Premier or HSBC Advance, you have to maintain the necessary Tier of HSBC Premier or HSBC Advance set by us (or the other member of the HSBC Group providing the relevant Features), unless we or the other member agree otherwise. You have to satisfy and be bound by further terms and conditions applicable to the relevant Features that may be specified by us or the other member of the HSBC Group from time to time.

3.2.2. Your obligations and liabilities

- (a) Where a member of the HSBC Group other than us offers you a banking or credit facility as a Feature under HSBC Premier or HSBC Advance, you authorise us and that HSBC Group member to do the following (or any of them) if you fail to repay any indebtedness owing by you under such facility (in this Clause 3.2.2, "Debts"):
- (i) for us, to collect the Debts for and on behalf of that HSBC Group member;
 - (ii) to employ collection agents and service providers to collect the Debts and you agree to bear any related expenses;
 - (iii) for that HSBC Group member, to assign the Debts (in whole or in part) to us at any time. We may accept assignment of the Debts and exercise our rights (including set-off rights) in respect of the assigned Debts. You waive all rights you may have in relation to the assigned Debts in our favour to the extent permitted by the Applicable Regulations; and
 - (iv) to collect all fees, charges, loss and expenses that we or that HSBC Group member may incur or suffer arising from or in connection with the Debts. These may include legal fees and other fees, charges and expenses of reasonable amount and reasonably incurred in collecting the Debts.
- (b) Where we or another member of the HSBC Group offer you one or more banking or credit facilities as Features under HSBC Premier or HSBC Advance, you agree that your failure to repay any indebtedness owing by you under any such facility may result in:
- (i) the withdrawal, suspension, cancellation or variation of any or all of the granted facilities; and
 - (ii) you having to pay interest at higher interest rates and increased fees, charges, costs and expenses.
- Neither we nor the other HSBC Group member is liable for the above.
- (c) If you are required by any Applicable Regulations to deduct or withhold an amount from any sum payable by you to us or any other member of the HSBC Group, you should ensure that we or that other HSBC Group member receive a net payment equal to the amount which we or it would have received had no deduction or withholding been made. You are solely responsible for paying the amount deducted or withheld to the relevant authority within the applicable time limit. You will indemnify us and that other HSBC Group member for all consequences if you fail to make such payment.

3.3. Phone Banking Services

3.3.1. Scope of Phone Banking Service and Telephone Instructions

- (a) We may specify or vary the scope, features and terms of the Phone Banking Service from time to time without prior notice. You may use the Phone Banking Service and give us Telephone Instructions on your accounts and cards.
- (b) You will designate the Accounts and the Debit Accounts on which the Phone Banking Service may be used in such manner or form accepted by us from time to time. By designating a Debit Account, you confirm that each Debit Account holder of that Debit Account (i) has authorised you to debit that Debit Account by using the Phone Banking Service and (ii) accepts the provisions of this Clause 3.3.
- (c) Your right to give Telephone Instructions is subject to our discretion. We may at any time revoke such right without prior notice.

- (d) You may use the Phone Banking Service and give Telephone Instructions singly even if the signing authority or signing arrangement applicable to the relevant Debit Account, Credit Account and any other account prescribes differently.

3.3.2. Limitation of our liability

- (a) You authorise us to act on Telephone Instructions given using your Phone Banking PIN. We have no duty to verify the identity of the person using your Phone Banking PIN to give Telephone Instructions. We are not liable for acting in good faith on a Telephone Instruction given using your Phone Banking PIN, even if that Telephone Instruction was not authorised by you. You agree and confirm that each Debit Account holder agrees with that and agree(s) to be bound by the Telephone Instructions.
- (b) We may not process Telephone Instructions immediately or on the same day we receive the Telephone Instructions. This may be due to system constraint, equipment malfunction or failure, or other reasons (whether or not beyond our control). We are not liable for any delay or failure in effecting a Telephone Instruction. Our decision on whether or not to effect or the timing of effecting a Telephone Instruction will be final and binding on you and each Debit Account holder.

3.3.3. Your responsibility and confirmations

- (a) You should not disclose your Phone Banking PIN or allow any other person to use your Phone Banking PIN (whether voluntarily or not). You should keep your Phone Banking PIN strictly confidential. You should not keep a record of your Phone Banking PIN in any way that may enable another person to use it. You should promptly report to us any loss, theft, disclosure or unauthorised use of your Phone Banking PIN.
- (b) You and each Debit Account holder should ensure that there are sufficient funds or available credit facilities in the relevant Account or Debit Account to effect a Telephone Instruction. We have no obligation but may act on a Telephone Instruction where there are no sufficient funds or available credit facilities. We are not required to notify you or any Debit Account holder before acting on that Telephone Instruction. You and each Debit Account holder will be liable to repay and indemnify us for the resulting overdraft, advance or credit created by effecting that Telephone Instruction. If we decide not to act on that Telephone Instruction, we are not liable for any consequence of not acting.
- (c) Any exchange rate or interest rate quoted by us in response to a Telephone Instruction is for reference only, unless the rate is confirmed by us for a transaction. A rate confirmed by us and accepted by you for a transaction through the Phone Banking Service will be binding on you and each Debit Account holder even if we may have quoted a different rate previously by any means.
- (d) Without limiting or reducing the effect of Clause 1.14, you and each Debit Account holder jointly and severally will indemnify and reimburse (i) us, (ii) our agents and nominees, and (iii) our officers and employees and that of our agents or nominees for all actions, proceedings and claims which may be brought by or against us or them, and for all losses, damages and reasonable amounts of costs and expenses which we or they may incur or suffer as a result of or in connection with our providing the Phone Banking Service to you or acting or not acting on Telephone Instructions.

This indemnity shall continue even after:

- (1) the termination of the Master Account, an Account, an ATM Card or a Credit Card;
- (2) the variation or withdrawal of a Tier;
- (3) the termination of the Phone Banking Service or any service accessible through the Phone Banking Service; or
- (4) the termination of these Terms and Conditions.
- (e) If it is proved that any actions, proceedings, claims, losses, damages or amounts set out in paragraph (d) above was caused by negligence or wilful default of (i) ours, (ii) our agents or nominees, or (iii) our officers or employees or that of our agents or nominees, then you are not liable under paragraph (d) above to the extent that it is direct and reasonably foreseeable arising directly and solely from such negligence or wilful default.
- (f) You should notify us if a Debit Account is converted to a joint account with joint signing arrangement. We have the right to exclude that account from the Phone Banking Service.
- (g) You should notify a Debit Account holder, the holder of a Credit Account or any other person with whom you effect a transaction or fund transfer using the Phone Banking Service of the details of that transaction. We are not responsible for giving such notice.
- (h) All agreements, terms and conditions governing the respective accounts, services and products accessible or covered by the Phone Banking Service from time to time continue to apply unless we agree otherwise. The provisions of this Clause 3.3 prevail over such agreements, terms and conditions to the extent of any inconsistency between them.
- (i) If you have signed up for or have been provided with our Account-level Phone Banking Service before 14 December 2008 and continue to use it without converting to our Customer-level Phone Banking Service on or after 14 December 2008, the reference to a Credit Card in this Clause 3.3 shall be excluded.

3.4. Drop & Go Counter Service (applicable if you use the Drop & Go Counter Service)

3.4.1. Scope of Drop & Go Counter Service

- (a) Drop & Go Counter Service enables you to submit applicable documents and items at "Drop & Go Counters" accepted by us for our processing. You have to use the Drop & Go Counter Service in accordance with our guidelines and directions from time to time.

- (b) Where we allow deposit of banknotes, coins and cheques through the Drop & Go Counter Service, the following provisions apply:
- (i) we are responsible only after we have received, counted and verified the banknotes, coins and cheques in accordance with our practice to our satisfaction;
 - (ii) in the cases below, we will only credit to your Account such banknotes, coins and cheques that we have received, counted and verified to our satisfaction. Our decisions are final and binding on you:
 - (1) if there is any discrepancy between the details specified in a pay-in slip and the banknotes, coins and cheques accompanying that pay-in slip that are actually received, counted and verified by us; or
 - (2) if for any reason we do not accept any banknotes, coins and cheques deposited.

3.4.2. Your responsibility

You should ensure that all documents and items submitted under the Drop & Go Counter Service are complete, accurate and duly signed as applicable. We have the right not to process any document or item if it is not complete, accurate or duly signed.

3.4.3. Limitation of our liability and your indemnity

- (a) In relation to your use or our provision of the Drop & Go Counter Service in accordance with your Instructions from time to time, we are not liable for loss, damage or expense of any kind which you or any other person may incur or suffer. We are not liable for our decision not to process or to delay processing any Instruction or item deposited (or part of it). We are also not liable for your default in performing your obligations under this Clause 3.4 or under the Applicable Regulations.
- (b) You will indemnify and reimburse (i) us, (ii) our agents and nominees, and (iii) our officers and employees and that of our agents or nominees for all actions, proceedings and claims which may be brought by or against us or them, and for all losses, damages and reasonable amounts of costs and expenses which we or they may incur or suffer as a result of or in connection with your use or our provision of the Drop & Go Counter Service.
- (c) If it is proved that any actions, proceedings, claims, losses, damages or amounts set out in paragraph (b) above was caused by gross negligence or wilful default of (i) ours, (ii) our agents or nominees, or (iii) our officers or employees or that of our agents or nominees, then you are not liable under paragraph (b) above to the extent that it is direct and reasonably foreseeable arising directly and solely from such gross negligence or wilful default.
- (d) This Clause 3.4.3 is not limited by Clause 1.13 or 1.14 and the indemnity in this Clause shall continue after the termination of the Drop & Go Counter Service, the Accounts or these Terms and Conditions.

Section 4: Credit Facilities and Financial Accommodation – Unsecured and Secured

4.1. General provisions applicable to all facilities and accommodation

4.1.1. Our overriding right to withdraw

We may grant, vary, cancel or suspend credit facilities or financial accommodation to you at our discretion from time to time. If we grant a credit facility or financial accommodation to you, we have the overriding right at any time and without giving any reason to do the following (or any of them):

- (a) to review or withdraw the credit facility or financial accommodation and demand immediate repayment of all indebtedness owing by you to us in connection with it; and
- (b) not to allow you to draw or use the credit facility or financial accommodation.

4.1.2. You accept the terms of credit facility or financial accommodation

- (a) If we approve your application for a credit facility or financial accommodation, we will notify you in writing. You will be bound by the terms and conditions set out or referred to in the notification. We have the right to vary these terms and conditions from time to time. These terms and conditions include:
 - (i) the limit of the facility or accommodation and (if applicable) the basis on which it is calculated. In the case of Secured Credit, this may include the credit-to-asset ratio; and
 - (ii) the applicable interest rate and the basis on which it is calculated.
- (b) If you will be absent from Hong Kong for more than one (1) month, you will make arrangements before departure for repaying the credit facility or financial accommodation as any amount falls due during your absence.
- (c) You will notify us promptly if you have any difficulty in repaying any amount outstanding under a credit facility or financial accommodation.

4.1.3. Interest and fees

- (a) We have the right to set or vary the interest rate at which interest on a credit facility or financial accommodation accrues from time to time.
- (b) Interest accrues on a daily basis on the debit balance in the Account to which the credit facility or financial accommodation is attached. We will debit the accrued interest to that Account at monthly intervals, irrespective of whether there are sufficient available funds, overdraft or other facilities in the Account.
- (c) We have the right to set or vary the basis for calculating any fee charged in relation to a credit facility or financial accommodation. We will debit the fee from the Account to which the credit facility or financial accommodation is attached at specified intervals, irrespective of whether there are sufficient available funds, overdraft or other facilities in the Account.

4.1.4. Your confirmations

You confirm that you will do such acts and things when required by us in connection with the credit facility or financial accommodation. These may include the following (or any of them):

- (a) execute and give such agreements, documents or assurances to secure the Secured Indebtedness;
- (b) perfect, protect, preserve or improve any security created or intended to be created by Clause 4.3.1(a);
- (c) facilitate the exercise of our rights in connection with the credit facility or financial accommodation (including any related security);
- (d) pay us, on demand, all our expenses (including legal and out-of-pocket expenses) of reasonable amount and reasonably incurred by us in connection with the preservation, enforcement or exercise of our rights; and
- (e) pay each amount owing by you without any set-off, counterclaim, withholding or condition of any kind. If you are compelled by Applicable Regulations to make a withholding, you will pay an increased amount so that the amount actually received by us is the amount we would have received if there was no withholding.

4.1.5. Payments without deduction

- (a) All payments to us under or in connection with a credit facility or financial accommodation (including outstanding amount on the Account to which the credit facility or financial accommodation is attached, interest, fees and charges) must be paid in full. You will not deduct any sums owed by us to you from any payments made or to be made by you under or in connection with a credit facility or financial accommodation. If a deduction on account of tax or a similar charge or any other reason is required by applicable laws or regulations, or we are later obliged under applicable laws or regulations to return any money received by us in payment of the amount owing, you must make up the payment so that we receive the full amount owing under or in connection with the credit facility or financial accommodation.

- (b) You agree that any termination of a credit facility or financial accommodation is subject to the condition that no money that we received in payment of the amount owing will subsequently be returned or reduced under any applicable laws or regulations. If after the termination of a credit facility or financial accommodation, we are later obliged under applicable laws or regulations to return any money received by us in payment of the amount owing, you will remain liable for making up the shortfall or the remaining balance so that we will receive the full amount owing under or in connection with the credit facility or financial accommodation, and we have a right to claim against you for the shortfall or the remaining balance as if we had never terminated the credit facility or financial accommodation.
- (c) You hereby confirm that any withholding tax obligation or other obligations to make deduction or withholding (whether on account of tax or for any other reason), in respect of a credit facility or financial accommodation whether under applicable laws or regulations of Hong Kong or applicable laws or regulations of any other country where you may reside, would be your responsibility. You will upon our request, deliver promptly evidence satisfactory to us that you have complied with applicable deduction or withholding obligations. You hold us harmless and agree to fully indemnify us on demand for all consequences of any failure to comply with such obligations including any claim which may be made against us by any authorities.
- (d) This Clause 4.1.5 will continue to be effective after the termination of the credit facility or financial accommodation.

4.2. Unsecured credit facilities

4.2.1. Unsecured OD Protection

If we grant OD Protection to you, it will be attached to your Hong Kong dollar Current Account. We have the right to set or vary the limit and interest rate of OD Protection.

4.2.2. Unsecured Clean Credit

(a) Interest

Without limiting or reducing our right under Clause 4.1.3, we have the right to impose a different interest rate on the Clean Credit in the following cases (or any of them):

- (i) if there is any change in your customer status as determined by us; and
- (ii) where you are a salaried employee, if no regular monthly salary is paid to any Account.

We will notify you if we impose a different interest rate.

(b) Fee

You will pay a non-refundable monthly facility fee on the Clean Credit facility limit applicable at the relevant time. We will debit the fee at monthly intervals.

(c) Consolidated Statement

The Consolidated Statement will detail:

- (i) the total amount outstanding on the statement date on the Account to which the Clean Credit is attached (in this Clause 4.2.2, the "total outstanding amount");
- (ii) where minimum payment arrangement is available, the minimum amount of the total outstanding amount that you must pay (in this Clause 4.2.2, "the minimum payment amount"); and
- (iii) the date by which you must pay us (in this Clause 4.2.2, "the payment date").

(d) Payment and late charge

- (i) We accept payment by cheque or other means subject to final payment or clearing.
- (ii) If we do not receive payment of the minimum payment amount by the payment date, we will debit a late charge and overdue interest to the Account to which the Clean Credit is attached on the following statement date. We have the right to set or vary the late charge and overdue interest from time to time.

4.3. Secured credit facilities

4.3.1. Secured Credit

(a) Security over assets

- (i) In consideration of our providing the Services and granting or continuing to grant the Secured Credit to you, **you as beneficial owner charge, pledge and assign the Secured Assets to us as a continuing security for the payment by you of the Secured Indebtedness. For clarity, no security will be created if we do not grant a Secured Credit to you.**

- (ii) In this Section 4:
 - (1) "Secured Assets" means all assets and property in the Master Account at any time and from time to time. These include (A) deposits (and renewals and extensions of the deposits), moneys, interest on such deposits and moneys (in any currency), (B) gold and any other precious metals, (C) commodities, stocks, shares, bonds, notes, options, (D) money market, debt and financial instruments, (E) investments and securities of any kind, (F) all rights and benefits deriving from or attached or accruing to (A) to (E) above, and (G) proceeds of sale of (A) to (F) above.
 - (2) "Secured Indebtedness" means all moneys (including interest, fees, charges, costs and expenses) in any currency owing by you to us in connection with the Secured Credit at any time and from time to time.
 - (iii) You confirm that you will pay us the Secured Indebtedness on demand. You agree that a statement of account signed as correct by an officer duly authorised by us is conclusive evidence of the Secured Indebtedness at the relevant time in the absence of manifest error.
 - (iv) You agree, as long as the security created under Clause 4.3.1(a) exists:
 - (1) to maintain in the Master Account assets and property of a value or amount not less than the value or amount determined by us to be appropriate to secure the Secured Indebtedness in accordance with the loan-to-asset ratio we set from time to time. We have the right to determine the value of any assets and property for this purpose; and
 - (2) to maintain absolute title to the Secured Assets. You should not deal with the Secured Assets in the following manner, except in our favour or with our prior written consent, (A) withdraw, sell or dispose of the Secured Assets, (B) charge, pledge, assign or encumber the Secured Assets in any other manner, or (C) grant or permit to arise any third party right over the Secured Assets.
 - (v) The security created by Clause 4.3.1(a) will, to the extent that it may be a floating charge, crystallize and operate as a fixed charge automatically and without notice to you when the following events (or any of them) occur:
 - (1) if you create or appear to create any security (whether fixed or floating) over any of the Secured Assets in breach of paragraph (iv)(2) above; and
 - (2) if any person takes or attempts to take any form of process against any of the Secured Assets.
- (b) Enforcement of security
- (i) If the events set out in paragraph (ii) below (or any of them) occur, we have the right to realise or sell any of the Secured Assets at any time and in any way which we consider appropriate in or towards settlement of the Secured Indebtedness. We have the right to realise or sell the Secured Assets free and discharged from any trust, claim, right of redemption and any other rights which you may have. We may exercise this right without giving you notice or taking any legal process or other action against you.
 - (ii) The events referred to in paragraph (i) above are:
 - (1) you fail to pay any Secured Indebtedness on demand or to comply with any provisions of these Terms and Conditions;
 - (2) you are unable or admit to being unable to pay debts as they become due;
 - (3) you are subject to any proceedings relating to your bankruptcy or composition in favour of creditors or other proceedings with similar effect (whether started by you or any other person); and
 - (4) any legal process is taken or enforced against any of your assets or property.
 - (iii) Without limiting or reducing the effect of Clause 4.3.1(a)(v) and insofar as the security created by Clause 4.3.1(a) is a floating charge, we have the right to convert the floating charge into a specific fixed charge over the Secured Assets at any time by giving you written notice.
 - (iv) We have the right to hold the proceeds of the realisation or sale of Secured Assets in a suspense account to preserve and prove our rights against you in any proceedings relating to your bankruptcy or composition in favour of creditors, or other proceedings with similar effect. We also have the right to apply those proceeds to settle any of your accounts, obligations or liabilities as we may determine at our discretion from time to time.
 - (v) If any Secured Indebtedness is in a currency other than the currency of the Secured Assets, we may convert the currency as we consider appropriate at our prevailing buying exchange rate.

- (vi) A payment to us (even made pursuant to a judgment or court order) will not discharge your obligation in connection with the Secured Indebtedness unless we have received the full amount in the currency in which that obligation was incurred. To the extent that the amount of a payment after actual conversion falls short of the obligation in that currency, we have an additional cause of action against you. We are entitled to enforce the security created by Clause 4.3.1(a) to recover the shortfall amount.
- (c) Nature of security
 - (i) The security created by Clause 4.3.1(a) is a continuing security. It secures the ultimate balance of the Secured Indebtedness owing by you to us. The security is not limited or reduced by your death, bankruptcy or incapacity (whether or not known to us), or by settlement of any indebtedness or any other circumstance.
 - (ii) The security created by Clause 4.3.1(a) is in addition to and may be enforced even if we hold or may be provided with any guarantee, indemnity, assurance, pledge, lien, bill, note, mortgage, charge, debenture, security or other right, power or remedy.
 - (iii) Any release, discharge or settlement by us of your obligations in connection with the Secured Indebtedness is conditional upon no security or payment to us by you or any other person having been avoided, reduced or refunded pursuant to any enactment or requirement relating to bankruptcy or other circumstances with similar effect. For this purpose, we are entitled to retain the account opening form and other documents signed by you creating the security for such period as we may consider appropriate. If the condition is not satisfied, we are entitled to enforce the security created by Clause 4.3.1(a) as if the release, discharge or settlement had not occurred.
 - (iv) If the Master Account is in the joint names of two or more persons, Clause 4.3.1(a) creates a security in the Secured Assets to the full extent of the interest held by each of you. None of you is entitled to any rights or remedies of a surety as regards your obligations in connection with the Secured Indebtedness.
 - (v) To the extent permitted by law, any restriction on our right of consolidating security in law does not apply to the security created by Clause 4.3.1(a).

5.1.2A Transactions entered into with us to buy or sell Products

- (a)
 - (i) If we solicit the sale of or recommend any Financial Product to you, the Financial Product must be reasonably suitable for you having regard to your financial situation, investment experience and investment objectives (“**Customer Financial Information**”).
 - (ii) No other provision of these Terms and Conditions or any other document we may ask you to sign and no statement we may ask you to make derogates from Clause 5.1.2A(a)(i).
 - (iii) If we solicit the sale of or recommend any investment product not being a Financial Product (other than insurance product) to you, we will also ensure that the product is reasonably suitable for you based on our suitability assessment. In our assessment, we will take into account your financial situation, investment experience and/or investment objectives, if it is required by applicable regulatory requirements.
 - (iv) If you enter into a Transaction with us to buy and/or sell a Product without or inconsistent with any solicitation or recommendation from us, we will not have any obligation or duty to assess whether or ensure that the Product is suitable for you. You acknowledge and agree that it is your sole responsibility to assess and to satisfy yourself that the Transaction is appropriate for you. Any limitation of our obligation or duty in this Clause 5.1.2A(a)(iv) is subject to compliance with all Applicable Regulations.
 - (v) Except as set out in Clause 5.1.8(a)(xi), we are not liable for any loss (including indirect or consequential loss), cost or damage of any kind incurred or suffered by you or any other person with respect to or arising out of any Transactions which fall under Clause 5.1.2A(a)(iv).
- (b) By entering into a Transaction with us to buy or sell a Product, you confirm that any information you provide to us (including the Customer Financial Information) is complete, accurate and up-to-date. When we assess suitability, we will rely on your confirmation.
- (c) Before you enter into a Transaction with us to buy and/or sell a Product, you should:
 - (i) consider your own circumstances and understand the Product features, terms and risks, and you should contact us if you have any questions on the Product;
 - (ii) note that we have no ongoing responsibility to ensure that a Product we have solicited the sale of or recommended to you remains suitable for you;
 - (iii) note that if circumstances relating to you, such Product, such Product’s issuer or general market conditions change, such Product may no longer be suitable for you; and
 - (iv) note that we do not provide legal, tax or accounting advice on your investments, and you should therefore consider obtaining independent professional advice (including legal, tax and accounting advice) about your investments where necessary.
- (d) This Clause 5.1.2A takes effect on 8 June 2017 (“**Effective Date**”), and applies to:
 - (i) any solicitation and/or recommendation of a Product we make to you on or after the Effective Date, provided that you enter into a Transaction with us to buy and/or sell such Product following our solicitation and /or recommendation; and

- (a) You are required to pay all fees and expenses of reasonable amounts and reasonably incurred by us or any person appointed by us in providing the Investment Services. These may include the charges of any exchange, depository or custodian. A contract note, certificate or other document issued by us setting out the amount and nature of any fees or expenses is conclusive evidence of such fees or expenses binding on you in the absence of manifest error.
- (b) If you fail to pay any fees or expenses when they are due and payable (including your failure to pay any fees and expenses incurred by us where you do not fulfil your settlement obligations relating to any Transaction and we take action at our discretion to fulfil the obligations on your behalf):
 - (i) we are entitled without prior notice to you to debit the outstanding amount from any Account or any other account maintained by you with us; and

- (a) You accept all of the following:
 - (i) Prices of securities or Products quoted by us may be provided by various market information providers or obtained by us from other sources. We and our market information providers endeavour to ensure the accuracy and reliability of the prices quoted but neither we nor them guarantee that any price quoted is accurate, reliable, timely, complete or adequate for any purpose. We and our market information providers are not liable (whether in tort, contract or any other manner) for any loss or damages arising from or in connection with any inaccuracy, inadequacy or omission in any price quoted.

- (ii) The price of any securities or Product quoted by us (whether or not in response to your enquiry) is for reference only and is not binding on us. You should not rely on any price quoted for reference and you are solely responsible for relying on that price.
 - (iii) The actual bid and offer prices of a Transaction may differ from the price quoted to you previously. Unless the price quoted is confirmed by us for a Transaction, we are entitled to act on your Instruction to sell or purchase any securities or Product at the price at which we or our agent actually effect the Transaction, even if that price is less favourable to you than the price quoted by us previously.
- (b) You should not do the following (or any of them) with any price quoted by us:
- (i) disseminate it (or any part of it) to any other person;
 - (ii) use or permit the use of it (or any part of it) for any illegal purpose;
 - (iii) use it (or any part of it) other than for your personal reference; and
 - (iv) use it (or any part of it) to effect any transaction or dealing in securities or products other than through us.

5.1.5. Reports, statements and information

(a) Reports and statements

- (i) We will provide you with such reports and statements relating to the Investment Services in accordance with the applicable requirements prescribed by the HKMA and the SFC:
 - (1) at such intervals as agreed by you and us but at least on a monthly basis; and
 - (2) as soon as reasonably practicable after receiving your request.
- (ii) We may provide the reports and statements by placing them in your Personal Internet Banking profile, or by email or post. We may charge reasonable fees for providing reports and statements by post at your request. Where the applicable regulatory requirements do not require us to provide statements for an Investment Services Account, we may provide statements at our discretion if we consider appropriate whether or not you have opted not to receive statement.
- (iii) You should examine each report or statement provided by us to check its accuracy. You should see if there is any error, omission, discrepancy, unauthorised transaction or irregularity shown in it, whether caused by forged signature or other forgery, fraud, lack of authority or negligence of any person. You should notify us of any alleged error, omission, discrepancy, unauthorised transaction or irregularity in a report or statement within ninety (90) days after we provide it by any means specified in paragraph (ii) above. If we do not receive any such notice from you within the specified period, (1) the report or statement will be considered as correct, conclusive and binding on you, and (2) you will be considered to have waived any right to raise objection or pursue any remedies against us in relation to that report or statement.
- (iv) You consent that we may send statements of Investment Services Accounts, confirmations or similar documents relating to the Investment Services electronically in the form of eStatements or eAdvices and do not have to send hard copies afterwards unless you request. Until you have revoked the consent to receive eStatements or eAdvices, the separate terms and conditions for eStatements and eAdvices shall apply. In the event of any inconsistency between those terms and conditions and this Clause 5.1.5 in relation to an eStatement or an eAdvice, the former shall prevail. The indemnity provisions set out in those terms and conditions do not and should not be interpreted to limit or reduce the effect of Clause 1.14 or any other indemnity provisions set out in these Terms and Conditions.
- (v) After effecting a Transaction, we will:
 - (1) make available the essential features of the Transaction as soon as reasonably practicable through any means or medium specified by us from time to time. You should check the essential features of the Transaction yourself through the specified means or medium. You accept that we have no obligation to confirm with you the essential features of a Transaction in any other manner; and
 - (2) provide you with a contract note in accordance with the Applicable Regulations. If the contract note refers to a settlement date and if settlement cannot take place on that date due to suspension of business or trading for any reason, the settlement date will be deferred to the next trading day. Reasons for suspending business or trading may include hoisting of typhoon signal No.8 or above or black rainstorm warning.
- (vi) In relation to any Product listed or traded in the United States of America as we may determine from time to time, you accept that:
 - (1) where an Instruction is executed at more than one (1) price, subject to applicable Market Requirements, the contract note of that Transaction may record only the average price of all the executed prices;
 - (2) the average price may be rounded off as we consider appropriate; and
 - (3) the total consideration will be calculated based on the rounded average price and may be rounded off as we consider appropriate.

(b) Information

- (i) We have no obligation to notify you if any Instruction relating to any Investment Service is not performed or is only partially performed for any reason. You should contact us subsequently if you require confirmation.

- (ii) We agree to notify you of any material change to our name, principal address, registration status, CE number or the Investment Services offered by us from time to time.
- (iii) You agree to notify us of any material change to any information provided to us in connection with your Accounts (including Investment Services Accounts) or use of the Investment Services.
- (iv) Without limiting or reducing the effect of Clauses 1.10 and paragraph (iii) above, you agree to the following:
 - (1) notify us promptly if your domicile, residence or nationality changes (including obtaining any new nationality);
 - (2) provide us with any information we may request for analysing the tax implications of any change above (including the reasons for such change); and
 - (3) if any change above occurs, we have the right to (A) cancel all your pending orders before the relevant exchange or market opens, and (B) withhold an amount calculated in accordance with the maximum withholding tax rate (or any other withholding tax rate as we determine from time to time).

5.1.6. Instructions given by using telephone or internet

We may accept at our discretion Instructions relating to Investment Services (including your Investment Services Accounts) given by using telephone or internet. If we accept those Instructions, the provisions of this Clause 5.1.6 apply without limiting or reducing the effect of Clause 3.3:

- (a) We are entitled to set from time to time the telephone number or website through which Instructions may be given.
- (b) Instructions given by using telephone or internet, to be effective, must be:
 - (i) given by using and quoting the Phone Banking PIN or the Identifiers (as appropriate) and such other details as we may require from time to time; and
 - (ii) accepted by us by such means prescribed by us.
- (c) (i) You should act in good faith and exercise reasonable care and diligence in keeping your Phone Banking PIN and Identifiers strictly confidential. You should not disclose your Phone Banking PIN or Identifiers or allow any other person to use your Phone Banking PIN or Identifiers (whether voluntarily or not).
- (ii) You are fully responsible for:
 - (1) any accidental or unauthorised disclosure of your Phone Banking PIN or Identifiers to any person; and
 - (2) your Phone Banking PIN or Identifiers being used by unauthorised persons or for unauthorised purposes.
- (iii) If you know or suspect that your Phone Banking PIN or Identifiers are disclosed or used by unauthorised persons or any unauthorised Instruction is given, you should report promptly to us by one of the following means and change your Phone Banking PIN or Identifiers as soon as reasonably practicable:
 - (1) in person at the branch office at which the Investment Services Account is kept (or any other address as we may set from time to time); or
 - (2) by telephone or internet at such telephone number or website as we may set from time to time, and confirm the details in writing if requested by us.
- (iv) You are liable for and will be bound by all Transactions, withdrawals and transfers effected by unauthorised use of your Phone Banking PIN or Identifiers before we actually receive the report mentioned in paragraph (iii) above.
- (d) As soon as you have first set and notified us of any Phone Banking PIN or Identifier, that Phone Banking PIN or Identifier will remain effective until it is cancelled by us or with our agreement. Any subsequent variation to your Phone Banking PIN or Identifiers is not effective unless accepted by us.
- (e) Where you have registered to use the Service via HSBC Internet Banking, the separate terms and conditions for HSBC Internet Banking will apply. In the event of any inconsistency between those terms and conditions and this Clause 5.1.6 in relation to an Instruction given by use of internet, the former shall prevail. The indemnity provisions set out in those terms and conditions do not and should not be interpreted to limit or reduce the effect of Clause 1.14 or any other indemnity provisions set out in these Terms and Conditions.

5.1.7. Client money arrangement; interest

- (a) We hold your money as banker in an account in your name. The client money rules under the SFO do not apply. Accordingly, unless otherwise specified in these Terms and Conditions or under any applicable depositor protection legislation, you bear our full credit risk in respect of the money deposited with us.
- (b) You agree that we are entitled to retain any interest generated on any payment made by or to you pending transfer to your account or to stockbrokers, underwriters or fund houses to effect an Instruction.

5.1.8. Limitation on our liability and your indemnity

- (a) Without limiting or reducing the effect of Clause 1.13 and subject to Clause 5.1.2A ("Transactions entered into with us to buy or sell Products"), our liability in relation to the Investment Services is limited as follows:

- (i) You are responsible for making your own independent investment decisions. We do not make investment decisions on your behalf. Even if you may have informed us of your risk tolerance, financial situation, investment experience, investment objectives and investment period, we do not owe you a duty to exercise judgment as to the merits of any Transaction (save only to the extent required by the HKMA or the SFC and subject to Clause 5.1.2A). While any information or view given by us or our agents will be given in good faith, neither we nor any person giving the information or view are responsible for that information or view. You are responsible for the Instructions you give relating to securities, Products or the Investment Services.
- (ii) We do not guarantee gains or profitability to you. We are not responsible for the management of or any loss or diminution in the value of any securities or Products purchased or held by us on your behalf.
- (iii) We have no obligation to examine or verify the validity of ownership or title of any securities or Products. We are not responsible for any defect in ownership or title of any securities or Products purchased or held or to be purchased or held by us on your behalf.
- (iv) You are responsible for any applicable taxes or duties payable or to be withheld in respect of any securities, Products or Investment Services in accordance with the maximum rate by law or any other rate as we determine from time to time. We and our agents, nominees, delegates or market information providers are not liable for any such taxes or duties. If we determine that any taxes or duties in respect of any income, interest, proceeds, dividend or distribution credited to the Cash Account should have been paid or withheld, we have the right to collect from you and you agree to pay to us the amount to be paid or withheld.
- (v) You are solely responsible to attend to the following matters relating to trading, holding, disposing of or otherwise dealing in securities, Products or investments via us, and bear the related costs and expenses:
 - (1) handle and fulfil any local, overseas or worldwide tax issues, liabilities and obligations under all Applicable Regulations. These may include tax reporting, filing tax returns, paying applicable taxes and dealing with any application for Tax Reclaim Arrangement;
 - (2) seek independent professional advice from your own tax advisers to determine your tax position, liabilities and obligations; and
 - (3) (on our request where we or our agents or nominees are required by the tax authority of any jurisdiction to provide information) complete, sign and file any form, certificate or document and provide necessary information and assistance.
- (vi) We are not responsible for the following (or any of them):
 - (1) advising you on tax issues, liabilities or obligations or handling them for you; and
 - (2) providing or procuring any service or assistance in this regard, including handling any Tax Reclaim Arrangement that may be available to you.
- (vii) You should solely bear any losses or liabilities of any kind you incur in using any securities or funds which are legally due to be but not yet credited into your Investment Services Account. We are not responsible for such losses or liabilities.
- (viii) You authorise us (but we have no obligation) to take any action or step to settle a Transaction as we consider appropriate if you fail to settle. Such actions or steps may include purchasing securities on your behalf or using Your Securities which are of the same class as the securities required for settlement of the Transaction. We also have discretion to cancel or revoke your order. In each case, you are liable for all losses, costs, fees and expenses we incur or suffer as a result. This may include the costs of purchasing securities in the market or any shortfall in the price of the securities.
- (ix) Where you are or become a US Person:
 - (1) we have the right to suspend or terminate any or all Investment Services with respect to any Product listed or traded in the United States of America or with US source income or the relevant Accounts (or both). We are not liable for any losses, costs, fees or expenses of any kind you may incur or suffer in connection with suspension or termination; and
 - (2) we have the right (but have no obligation) to make or handle any tax reporting in relation to that Product on your behalf.
- (x) Except as set out in paragraph (xi) below, we are not liable for loss, damage or expense of any kind which you may incur or suffer arising from or in connection with the following (or any of them):
 - (1) your use of the Investment Services or our provision of the Investment Services in accordance with your Instructions from time to time;
 - (2) any error, delay or failure in providing the Investment Services; and
 - (3) any delay or failure in settling a Transaction by the settlement date set out in the contract note of that Transaction.
- (xi) If it is proved in a case set out in paragraph (x) above that there was negligence or wilful default by (i) us, (ii) our agents or nominees, or (iii) our officers or employees or that of our agents or nominees, then we will be liable for any loss and damage you incur or suffer that is direct and reasonably foreseeable arising directly and solely from such negligence or wilful default.

- (b) Without limiting or reducing the effect of Clause 1.14, you give the following indemnity in relation to the Investment Services:
- (i) (i) Except as set out in paragraph (ii) below, you will indemnify and reimburse (i) us, (ii) our agents and nominees, and (iii) our officers and employees and that of our agents or nominees for all actions, proceedings and claims which may be brought by or against us or them, and for all losses, damages and reasonable costs and expenses which we or they may incur or suffer as a result of or in connection with the following (or any of them):
- (1) your use of the Investment Services; and
 - (2) your default in performing your obligations under this Section 5. This may include your failure to provide us with sufficient securities or funds to settle Transactions from time to time.
- This indemnity will continue after the termination of the Investment Services, your Investment Services Account or these Terms and Conditions.
- (ii) If it is proved that any actions, proceedings, claims, losses, damages or amounts set out in paragraph (i) above was caused by negligence or wilful default of (i) ours, (ii) our agents or nominees, or (iii) our officers or employees or that of our agents or nominees, then you are not liable under paragraph (i) above to the extent that it is direct and reasonably foreseeable arising directly and solely from such negligence or wilful default.
- (iii) We may at our discretion agree to accept for deposit or handle securities which are not fully paid. If we agree to accept or handle such securities, we are entitled to impose any conditions as we consider appropriate. You authorise us (but we have no obligation) to make any payment relating to the securities on your behalf as we consider appropriate. The indemnity in paragraph (i) above applies in this case. In particular, you agree to pay us on demand the amount of any call in respect of the securities.
- (iv) If we receive or recover any amount in respect of your obligation in a currency other than that in which the obligation was owed, you will indemnify and reimburse us for all costs and losses we incur or suffer as a result. This may include the costs and losses relating to currency conversions or exchange rates fluctuation. This indemnity applies to any amount received or recovered by us by any means whether or not pursuant to a court order.

5.1.9. Your confirmations and agreements

- (a) You understand and confirm the following matters:
- (i) Investments in derivatives are generally not suitable for investors without knowledge of derivatives. Where you have been characterised by us as a customer without knowledge of derivatives:
 - (1) if you decide to purchase a derivative product traded on an exchange, you confirm that we have explained to you the risks associated with the relevant product either orally or in writing (including by electronic means); and
 - (2) if you decide to purchase a derivative product not traded on an exchange, you confirm that we have warned you about the relevant transaction which is generally not suitable for you as an investor without knowledge of derivatives.
 - (ii) You act as principal (and not as agent or nominee for any other person) in relation to all the Investment Services. You do not and will not hold any securities or Products (or any parts of them) on behalf of any other person.
 - (iii) You have disclosed all information requested by us in relation to your status for tax purposes accurately and completely.
 - (iv) Any securities or Products that are foreign or held by us or any other person appointed by us for you outside Hong Kong are subject to the Applicable Regulations of the relevant overseas jurisdiction. These overseas regulations may differ from the Applicable Regulations of Hong Kong. As a result, you may not enjoy the same protection for those securities or Products as you enjoy for securities or Products that are held in Hong Kong.
 - (v) You are not restricted by any law from giving the confirmations or performing your obligations in this Clause 5.1.9 or in other provisions of these Terms and Conditions. You confirm that you have waived and will waive the benefit of such law to the extent permitted by such law.
 - (vi) We may distribute unit trusts or other Products that are managed by other members of the HSBC Group.
 - (vii) In respect of a unit trust or Product distributed by us, we act as principal or agent in the Transaction as we may specify and will benefit from the Transaction or distribution of that unit trust or Product. As a distributor, we are entitled to receive and retain commissions and other fees from the fund manager or product provider of that unit trust or Product. That may include full rebate of the initial charge (subject to any cap specified in the offering document of that unit trust or Product) and sharing in the management fee and the marketing sponsorship fee. For a unit trust or Product issued or managed by any other member of the HSBC Group, we (as distributor) and the issuer or fund manager of that unit trust or Product are members of the HSBC Group. We or our associates (or both) will benefit from the origination and distribution of that unit trust or Product.
 - (viii) We do not act for the fund manager or product provider of any unit trust or Product. We have no authority to accept your application for a unit trust or Product on behalf of the fund manager or product provider. Receipt by us of your application does not amount to acceptance of that application by the fund manager or product provider.
- (b) You agree to the following matters:
- (i) The offering documents of any securities or Product are not intended to provide tax, legal, accounting, investment or financial advice. You should not rely on them for such advice or for credit or other evaluation of that securities or Product. - Product. You should consult your own tax, legal, accounting, investment, financial or other advisors.
- (ii) You should consider diversifying your investment and allocating your funds across different products.
 - (iii) Before instructing us to effect a Transaction in any securities or Product, you should ensure that:
 - (1) You own the relevant securities or Product.
 - (2) You are not subject to any prohibitions and are permitted to effect that Transaction and own the relevant securities or Product under all Applicable Regulations that apply in the relevant jurisdictions including the jurisdiction where you domicile, reside or you are a national.
 - (3) You have received and read all offering documents of the relevant securities or Product. You should ensure that you fully understand and accept the terms of the Transaction or Product which may include:
 - (A) the product structure, investment tenor and obligations and consequences of early redemption;
 - (B) the associated risks and returns; and
 - (C) the associated fees, charges, expenses and commissions.
 - (iv) If you become subject to any prohibitions described in paragraph (iii)(2) above, you should inform us promptly. You should also sell or redeem any restricted securities or Products if we require.
 - (v) If you intend to leave Hong Kong for a total period of one hundred and eighty (180) days or more in any twelve(12)-month period, you should give us written notice in advance. You should also give us written notice if you have resided outside Hong Kong for a cumulative total of one hundred and eighty (180) days or more in any twelve(12)-month period.
 - (vi) You will execute such documents and perform such acts at our request as we may consider necessary or useful for providing Investment Services or exercising our powers and rights under this Section 5.
- (c) If you trade securities or Products listed or traded in the United States of America:
- (i) You confirm the following matters:
 - (1) You are not a US Person.
 - (2) You are not a director or officer of a company listed on any stock exchange in the United States of America, or a shareholder who holds 10% or more of the interests in the shares of such a company.
 - (3) You are not:
 - (A) registered or qualified with the Securities and Exchange Commission of the United States of America, the Commodities Futures Trading Commission of the United States of America, any state securities agency, any securities exchange or association, or any commodities or futures contract market or association;
 - (B) engaged as an "investment advisor" as that term is defined in Section 202(11)(a) of the Investment Advisor's Act of 1940 (as may be amended from time to time), whether or not you are registered or qualified under that Act; or
 - (C) employed by a bank or other organisation exempt from registration under Federal or state securities laws to perform functions that would require you to be so registered or qualified if you were to perform such functions for an organisation not so exempt.
 - (4) Any securities or Products delivered or pledged by you or your transfer agent to us will be free from any lien, charge, claim or other encumbrance or restriction other than a lien imposed on all securities or Products by the applicable clearing house or depository. These restrictions may include:
 - (A) the volume limitations and manner of sale limitations set out in Rule 144 of the Securities Act of 1933 (as may be amended from time to time);

 - (E) any registration or qualification requirement or prospectus delivery requirement pursuant to applicable securities laws.
 - (ii) You agree to the following matters:
 - (1) If you become a US Person, you should notify us promptly. You should also transfer all your holdings in securities and Products listed or traded in the United States of America within one (1) month of becoming a US Person (or any other period as we determine). You accept that in that case all the income, interest, proceeds and distributions arising from the securities or Products will be subject to the maximum withholding tax rate (or any other withholding tax rate as we determine).

- (2) If you become engaged, registered, qualified or employed in the manner set out in paragraph (i)(2) or (i)(3) above, you should notify us promptly. If you are or become deemed by any US Market Data Provider to be engaged, registered, qualified or employed in that manner, we have the right to pass on to you any additional market data subscription fees and any other costs and expenses incurred as a result of or in connection with your status.

5.1.10. Trading restrictions and risk disclosures

- (a) You should at all times comply with all trading restrictions applicable to any of your trading activities. These restrictions are set out on our website as informed by us to you from time to time or in the offering documents of the relevant securities or Product. These restrictions may be varied from time to time.
- (b) You confirm that you have read, fully understood and accepted the risk disclosure statements in relation to the Investment Services, securities and Products. These risk disclosure statements are set out in Appendix II, on our website as informed by us to you from time to time or in the offering documents of the relevant securities or Product. These risk disclosure statements may be varied from time to time. You confirm that the risk disclosure statements are in the language of your choice and that we have invited you to read the risk disclosure statements, ask questions and take independent advice if you wish.
- (c) You agree that you are responsible for checking and ensuring that you have understood all trading restrictions and risk disclosure statements on our website or in the offering documents of the relevant securities or Product from time to time.

5.1.11. Power to debit, power to deal with securities and exchange rate

Without limiting or reducing our rights under any other provisions of these Terms and Conditions (including our rights under Clauses 1.9, 5.1.2(b) and 5.1.3), we have the right without prior notice to you to do the following (or any of them):

- (a) debit from your Cash Account the sums payable in respect of a Transaction. These sums may include (i) any amount of fees payable to us or any person appointed by us, and (ii) any amount of taxes or duties payable in respect of any securities or Products or relating to any Investment Services which should have been made or withheld by you but is eventually made or withheld by us on your behalf. The amounts owing by you (i) may be actual or contingent, present or future, (ii) may be owing by you solely or jointly with any other person, and (iii) may include fees, expenses or interest;
- (c) credit to your Cash Account any sale proceeds, dividends, interests or any other amount received by us in respect of the Investment Services after deduction of the maximum or relevant amount of withholding tax (if applicable); and
- (d) collect or effect any amount payable in respect of a Transaction in any currency as we may determine. Where conversion of one currency into another currency is required for that purpose or otherwise to enable us to exercise our powers and rights under this Section 5, such conversion will be effected at the Exchange Rate.

5.1.12. Connected parties

- (a) You accept that when we arrange a Transaction with or for you, we or a Connected Company or some other person connected with us may have an interest, relationship or arrangement which is material in respect of the securities, Products, Transaction, arrangement or service concerned.
- (b) You consent that we and any Connected Company may have interests which conflict with your interests and may owe duties to other customers which would otherwise conflict with our duties to you. In particular, you consent that in providing the Investment Services to you, we may execute Transactions on your behalf and we (or a Connected Company) may do the following (or any of them):
- (i) enter into Transactions in securities or Products with you on our own account as principal or on account of a Connected Company, or otherwise deal or arrange deals involving a Connected Company, or make a market or deal in securities or Products (or transactions relating to them) on our own account;

- (c) To the fullest extent permitted by Applicable Regulations and applicable Market Requirements, you agree that we may solicit or accept from, or offer to, any stockbroker, underwriter, issuer, fund manager or any other person (including a Connected Company) engaged in a Transaction, any rebate or reallowance of any brokerage or commission payable or any other benefit.

5.1.13. Disclosure of information to regulators

- (a) This Clause 5.1.13 applies in relation to any Transaction or dealing where we have received:
- (i) an enquiry from The Stock Exchange of Hong Kong Limited, the HKMA, the SFC or any other Authority (whether in or outside of Hong Kong) having jurisdiction over us, our agents, nominees and delegates or you (in this Clause 5.1.13, collectively the "regulators"); or
 - (ii) a request from a stockbroker, registered person or intermediary in response to such enquiry from any of the regulators.

This Clause 5.1.13 does not limit and is in addition to our authority to disclose information or require you to disclose information to regulators.

- (b) You will, upon our request, inform the relevant regulator of the following within two (2) Business Days:
- (i) your identity, address, occupation and contact details; or
 - (ii) if the Transaction or dealing is originated by any third party, the identity, address, occupation contact details of such third party.

We will indicate in our request the contact details of the relevant regulator.

You also authorise us to disclose any information relating to you, your Investment Services Account, Transactions, securities or Products which a regulator or any Applicable Regulation requires disclosure.

This paragraph (b) shall continue in effect even after the termination of these Terms and Conditions.

5.1.14. Termination of Investment Services and Investment Events of Default

- (a) Without limiting or reducing our rights under Clause 1.8, either you or we may terminate all or any part of the Investment Services by giving to the other prior written notice of at least thirty (30) days.
- (b) For clarity, this Clause 5.1.14 does not limit or reduce our rights under Clause 1.8. Clause 1.8 and the Events of Default set out in Clause 1.8 apply with respect to the Investment Services and the activities contemplated by this Section 5.
- (c) If we are of the opinion that the events set out in paragraph (d) below or any of them (in this Clause 5.1, each an "Investment Event of Default") occur, we have the right to suspend or terminate all or any part of the Investment Services, your Investment Services Account or any one or more Accounts with immediate effect.
- (d) The Investment Events of Default are as follows:
- (i) You or any Credit Support Provider (or any Custodian acting on your or its behalf) disaffirms, disclaims or repudiates any of your obligations under these Terms and Conditions or any obligation under a Credit Support Document.
 - (ii) You or any Credit Support Provider fails to comply with or perform any of your or its obligations or agreements in accordance with the applicable Credit Support Document.
 - (iii) Any Credit Support Document expires or ceases to be in full force and effect for any reason before all your obligations under these Terms and Conditions are satisfied in full, unless we agree in writing that this does not amount to an Investment Event of Default.
 - (iv) Any confirmation given by any Credit Support Provider pursuant to any Credit Support Document proves to be false or misleading in any material respect as at the time it was given.
 - (v) Any event set out in Clause 1.8.2(c)(iii), (iv) or (ix) or any other similar event occurs in respect of any Credit Support Provider (including where any non-individual Credit Support Provider is adjudicated or found insolvent as defined under any insolvency law applicable to it).
 - (vi) If any Credit Support Provider is a partnership, any event set out in Clause 1.8.2(c)(iii), (iv) or (ix) occurs in respect of any partner of that Credit Support Provider.
 - (vii) It becomes unlawful for you to perform any of your obligations under these Terms and Conditions or the Transactions, or to enter into any further transactions under these Terms and Conditions.
 - (viii) Any other event which, in our opinion, renders suspension or termination of the Investment Services, your Investment Services Account or any Account necessary or useful. These events may include you being domicile or resident in a jurisdiction where you are restricted from purchasing or holding any securities or Products.
- (e) If all or any part of the Investment Services, your Investment Services Account or any Account are suspended or terminated for any reason whether by you or by us, or if any one or more Investment Event of Default occurs, we have the right to do the things set out in Clause 1.8.3 (as if any reference to Event of Default in Clause 1.8.3 were a reference to Investment Event of Default). We also have the right to do the following (or any of them):
- (i) cover, reduce or eliminate any loss or liability relating to any contract, position or commitment by doing the following (or any of them) at such time and in such manner as we consider necessary or appropriate: (1) closing out, replacing or reversing any outstanding contract we entered with you or on your behalf, (2) entering into any other transaction, and (3) taking or refrain from taking any action; and
 - (ii) sell or otherwise dispose of any of your securities, Products or assets on such terms as we may determine, whether to ourselves, a member of the HSBC Group or any other person.

- (f) Termination of all or any part of the Investment Services and withdrawal of any funds, securities or Products by you will not limit or reduce our right to settle any Transaction or liability entered or incurred by you under these Terms and Conditions or by us on your behalf before termination.
- (g) Even after the Investment Services, your Investment Services Account or any Account are suspended or terminated or after any Investment Event of Default has occurred, you remain responsible for performing and discharging your obligations and liabilities created or accrued before then.

5.2. Securities trading services and custodian services

5.2.1. Scope of securities trading services

- (a) Without limiting or reducing our authority and rights under Clause 5.1.2(b), you authorise us to take such steps from time to time as we consider appropriate or useful to enable us to provide the Investment Services relating to securities trading. Such steps may include the following (or any of them):
 - (i) to purchase or subscribe for any type of securities or Products in accordance with your Instructions;
 - (ii) to sell, redeem, transfer, convert, switch, exchange or otherwise dispose of securities or Products and to deal with the proceeds in accordance with your Instructions;
 - (iii) to deliver the documents of title and any other instruments relating to securities or Products to you or to your order in accordance with your Instructions and at your risk; and
 - (iv) to aggregate orders effected on your behalf with the orders of other customers, any Connected Company or ourselves.
- (b) FundMax Account
 - (i) This Clause 5.2.1(b) applies to any FundMax Account made available by us from time to time.
 - (ii) We have the right to decide and vary the terms and conditions on which a FundMax Account is made available from time to time. These terms and conditions may include the following (or any of them):
 - (1) investor eligibility criteria;
 - (2) the unit trusts, investment funds or other types of investment available for trading or investing through the FundMax Account;
 - (3) investment amounts or currencies (including payment method or any minimum or maximum requirement);
 - (4) dealing timelines, procedures and restrictions applicable to purchase, subscription, sale, redemption, transfer, conversion, switching, exchange or other disposal of investment;
 - (5) timing or frequency of reviewing or rebalancing the portfolio in the FundMax Account;
 - (6) whether to provide portfolio building service and the terms and conditions on which such service is provided;
 - (7) variation, withdrawal or termination of investment; and
 - (8) fees, charges, expenses or commissions.
 - (iii) You are not allowed to use a FundMax Account to trade or invest in stocks, warrants, equity-linked notes or other equity-linked investments, or stocks or unit trust monthly investment plan.
 - (iv) We have the right to terminate your FundMax Account if you engage in frequent trading or market timing activities. Those activities are strictly prohibited in the interest of the unit trusts or investment funds.
 - (v) We have no obligation to make available or continue any FundMax Account.
 - (vi) Details of a FundMax Account will be notified or agreed by us when you apply for it.
 - (vii) Fees relating to FundMax Account
 - (1) We will waive the initial charge and switching fee for subscription or switching unit trusts or investment funds using a FundMax Account. You are still required to pay other charges including annual management fee, redemption charge and performance fee as set out in the offering documents of the relevant unit trusts or investment funds.
 - (2) Monthly account fee will start to accrue from the date on which a FundMax Account first records a holding of unit trust or investment fund excluding funds in the 'No Subscription Fee Series', CapitALL funds, guaranteed funds and such other unit trusts and investment funds specified by us from time to time (in this Clause 5.2.1(b), "Relevant Funds").
 - (3) Monthly account fee is calculated based on the average holding balance of Relevant Funds during the charging period and the rate corresponding to that balance. For a Relevant Fund denominated in a currency other than Hong Kong dollar, the holding balance will be converted into Hong Kong dollar at our prevailing exchange rate on the date when the holding balance is calculated. Monthly account fee is calculated in Hong Kong dollar and charged in the denomination currency of the Cash Account designated by you for the purpose of your FundMax Account. The fee amount will be converted at our prevailing exchange rate on the date when the fee is collected if the Cash Account is denominated in a currency other than Hong Kong dollar.

- (4) Monthly account fee is collected on the last Business Day of each calendar month and on a full-month basis. If the date from which a FundMax Account first records a holding of unit trust or investment fund does not cover a full month, the monthly account fee for that month will be charged in the following month. Details of the monthly account fee may be found in the monthly composite statement for your FundMax Account.
- (5) Monthly account fee is debited from the Cash Account designated by you at the time of opening your FundMax Account. If you wish the monthly account fee to be debited from another Cash Account from a specified month, you are required to ensure that we actually receive Instruction to change the Cash Account at least three (3) Business Days before the last Business Day of that month.
- (6) If the average holding balance of Relevant Funds during the charging period is below the minimum charging balance set by us from time to time for the Master Account under which your FundMax Account is held, the monthly account fee will be calculated based on that minimum charging balance.
- (7) If the debit for monthly account fee has been unsuccessful for three (3) consecutive months, we have the right to suspend your FundMax Account.
- (8) In the case of closure of your FundMax Account, we will debit from the designated Cash Account any monthly account fee accrued but not yet debited, and all investment holdings in the FundMax Account should be redeemed or transferred out.
- (9) If your FundMax Account is closed less than one (1) year after the date of completion of the last subscription or switching of a Relevant Fund using the FundMax Account, we will charge an administration fee based on the relevant minimum charging balance and the corresponding rate. That fee will be charged for the period from the date following the closure date of the FundMax Account up to the first anniversary date of the last subscription or switching transaction. We will debit that fee from the designated Cash Account.
- (10) For each transfer out of investment holding from your FundMax Account to any other account, we will charge a transfer fee of one (1)% of the prevailing market value of the investment holding being transferred. The transfer fee will be debited from the designated Cash Account upon receipt of the transfer Instruction at the denomination currency of the Cash Account. If the denomination currency of the investment holding differs from the denomination currency of the Cash Account, the transfer fee will be converted to the denomination currency of the Cash Account at our prevailing exchange rate on the date when the fee is collected. The transfer fee is not refundable whether or not the transfer Instruction is successfully executed.

5.2.2. Purchase and sale Instructions

- (a) Without limiting or reducing our rights under Clause 1.4.6(c), we have the right not to accept or act on any Instruction in the following circumstances (or any of them):
 - (i) as regards an Instruction to purchase or subscribe for securities or Products:
 - (1) if there are insufficient available funds in the same currency as the currency of the relevant securities or Products standing to the credit of the Cash Account to meet the purchase price and estimated expenses in connection with that purchase or subscription. However, we may at our discretion accept the Instruction. In that case, we have the right to convert any funds in the Cash Account into the currency of the relevant securities or Products at the Exchange Rate as we consider appropriate; and
 - (2) if there are insufficient available credit facilities to meet such purchase price and expenses, or any terms and conditions relating to such facilities have not been satisfied in our opinion;
 - (ii) as regards an Instruction to sell or dispose of securities or Products if there are insufficient quantity of the relevant securities or Products to meet the settlement obligation. The securities or Products must be free from any charge, lien or other security interest or encumbrances or claims in favour of any person (including us). The securities or Products may be:
 - (1) held in our name as nominee or in our nominee's name; or
 - (2) due to be but not yet credited to your Securities Account.
- (b) Without limiting or reducing our rights under Clause 5.2.2(a), the following apply where we accept an Instruction:
 - (i) on receipt of an Instruction to purchase or subscribe for securities or Products:
 - (1) we will calculate in good faith the amount required to meet the purchase price and estimated expenses (including tax, duty or other expenses) in connection with that purchase or subscription;
 - (2) we have the right (but have no obligation) to debit or withhold an amount to cover all actual or contingent liabilities incurred by us in connection with that Instruction (including the amount in paragraph (1) above). We may debit or withhold such amount from the sum available (whether in the form of credit balance or credit facility) in the Cash Account (including funds arising from the sale or disposal of securities on your behalf) or any other account maintained by you with us; and
 - (3) until completion of that purchase or subscription you are not entitled to withdraw all or any part of the amount debited or withheld under paragraph (2) above and that amount does not constitute a debt owed by us to you.

- (ii) on receipt of an Instruction to sell or dispose of securities or Products:
 - (1) we have the right (but have no obligation) to debit or withheld the relevant securities or Products from the Securities Account on completion of that sale or disposal or (at our discretion) at any time before completion; and
 - (2) until completion of that sale or disposal you are not entitled to withdraw or in any way deal with all or any part of the securities or Products debited or withheld under paragraph (1) above and you should hold them on trust for us.
- (c) Cut-off time and expiry of Instructions
 - (i) We have the right to set cut-off time for receiving Instructions to purchase or sell securities or Products in respect of any exchange or market. We will inform you of the applicable cut-off time upon request.
 - (ii) We have the right not to execute an Instruction on the same day if it is received by us after the applicable cut-off time.
 - (iii) If a trading date is specified in an Instruction and that Instruction is not executed (in whole or in part) for any reason on that trading date, that Instruction (or the unexecuted part) will be considered to lapse (1) on the expiry of that trading date, or (2) on the following business day if that trading date is a public holiday in the market where the Instruction is to be executed. Any other Instructions will be effective until cancelled by you or by us.
 - (iv) If the date of an Instruction is a public holiday in the market where the Instruction is to be executed, we will execute the Instruction on the following business day in that market.

5.2.3. Safe custody arrangement and possession of securities and Products

- (a) We may at your request provide custodian services for securities or Products. Such services are subject to the provisions of Clause 5.2.9 below.
- (b) To the extent not inconsistent with the provisions of Clause 5.2.9 below, the following provisions apply in relation to securities or Products purchased or held for your account:
 - (i) Such securities or Products will be held for you by us (1) in our name, (2) in the name of a nominee appointed by us in the market where such securities or Products are issued, listed on an exchange or bought or sold, or (3) in the name of a nominee in accordance with the rules of the applicable system which provides central clearing and settlement facilities. In holding such securities or Products for you, neither we nor any of our nominees act as trustee for you or any other person.
 - (ii) Any securities or Products purchased for you will be delivered by us to you or a custodian or agent for safe-keeping as you may direct provided that (1) they are fully paid and (2) they are not held as collateral for your or any other person's obligations.
 - (iii) We and our nominees are not required to return to you the identical securities or Products deposited with us. We will return securities or Products of the same class, denomination and nominal amount and have equal ranking in every respect with the securities or Products deposited with us (subject to any capital reorganisation or conversion or other Corporate Action that may have occurred in the meantime).
 - (iv) If we actually receive any dividends, distributions or other benefits on any securities or Products held by us or our nominees for you but not registered in your name, we will credit the relevant amount to your account with us (or pay in another manner agreed by us). We have the right to take any action relating to fractional entitlements as we consider appropriate.
 - (v) We have no duty to investigate, participate in or take affirmative action concerning proxies received by us, attendance at meetings and voting except we have received and agreed to act on your express written instructions. In the absence of such instructions, we have the right to take the default position or act in our discretion as regards such proxies, meeting attendance and voting. However, we have no discretion and may not take any action in respect of any proxies, meeting attendance and voting where the relevant securities comprise any ordinary shares (or other shares of a class carrying rights to vote in all circumstances at general meetings) of, or otherwise constitute relevant share capital of, any public company quoted on a recognised stock exchange.
 - (vi) Without limiting or reducing the effect of any indemnity provisions in these Terms and Conditions and except as set out in paragraph (vii) below, you will indemnify and reimburse (1) us, (2) our agents and nominees, and (3) our officers and employees and that of our agents or nominees for all actions, proceedings and claims which may be brought by or against us or them, and for all losses, damages and reasonable costs and expenses which we or they may incur or suffer as a result of or in connection with our or their holding your securities or Products for you in any market. This indemnity will continue after the termination of the Investment Services, your Investment Services Account or these Terms and Conditions.
 - (vii) If it is proved that any actions, proceedings, claims, losses, damages or amounts set out in paragraph (vi) above was caused by negligence or wilful default of (1) ours, (2) our agents or nominees or (3) our officers or employees or that of our agents or nominees, then you are not liable under paragraph (vi) to the extent that it is direct and reasonably foreseeable arising directly and solely from such negligence or wilful default.

5.2.4. Short selling

- (a) Until such time we notify you that you may give short sale instructions, you should ensure that each sale Instruction is a "long" sale. That means that you will never give us a sale Instruction unless, at the time of giving that Instruction, you either:
 - (i) own the securities or Products to be sold; or

- (ii) have already exercised an instrument convertible into the securities or Products to be delivered to the purchaser.
- (b) If we notify you that you may give short sale instructions, you must comply with all Applicable Regulations concerning short selling of securities or Products.
- (c) We have the right not to accept or act on any short sale Instructions.

5.2.5. Connected parties

Without limiting or reducing the effect of Clause 5.1.12, you accept that in providing the Investment Services to you, we may make recommendations to you or execute Transactions on your behalf. In doing so, we (or a Connected Company) are or may be effecting or arranging Transactions on your behalf in:

- (a) a unit trust, mutual fund or other collective investment scheme which is managed or operated by us or by a Connected Company or for which we or a Connected Company is a trustee or adviser;
- (b) securities or Products or transaction relating to them in which we have a material interest as a result of the following:
 - (i) the issue of such securities or Products or any transactions relating to them having been guaranteed or underwritten by us or by a Connected Company;
 - (ii) a commission relating to the matters set out in paragraph (i) above is paid to us or a Connected Company by a third party with which we or a Connected Company has a marketing arrangement; or
- (c) securities or Products whose issuer is a Connected Company.

5.2.6. Execution of Transactions

- (a) Unless we disclose otherwise to you in writing at any time whether before or after a Transaction, we act as your agent in executing Transactions for you.
- (b) Without limiting or reducing the effect of Clause 5.2.6(a), when you give us an Instruction to execute or clear a Transaction, we have the right to execute or clear (as appropriate) that Transaction through the following persons (or any of them):
 - (i) any Connected Company;
 - (ii) any member or participant of the applicable exchanges and clearing houses; and
 - (iii) any intermediary or principal in the applicable exchanges and clearing houses or in any other market.

In each case the person through which we execute or clear the Transaction will (unless we agree otherwise) act as your sub-agent, pursuant to arrangements which we may make from time to time at our discretion in connection with trade execution or clearing. References to execution or clearing of Transactions by us as your agent will be construed accordingly.

- (c) Local charges levied on you in relation to a Transaction represent our charges and may not necessarily equal to charges paid by us to local brokers.
- (d) We have the right to refuse or not to execute an Instruction for any relevant pre-market session or relevant market opening. If we have specifically agreed with you, Instructions to execute Transactions given by you and instructions given by our other customers in respect of the same securities may be bundled together for execution by us as a single transaction at a single price when the relevant pre-market session starts or the relevant market opens. We will allocate the transaction between you and the other customers on a pro rata basis.
- (e) Without limiting or reducing the effect of the other provisions of these Terms and Conditions, you agree that we and any person set out in Clause 5.2.6(b) may execute an Instruction on your behalf through the relevant exchange or market or otherwise act as your agent and receive commission from you.
- (f) Where your Instruction is a Stop Loss Limit Order, the provisions of Clause 6.2 will apply.

5.2.7. Settlement

- (a) You shall provide us with:
 - (i) securities or Products for delivery in the case of a sale; or
 - (ii) money for payment in the case of a purchase, by such time and at such place as may be necessary for us to make delivery or payment as required by the relevant exchange or market.
- (b) If you fail to provide the relevant securities, Products or money to us, we have the right (but have no obligation) without further notice or demand to take the following steps (or any of them) immediately to satisfy your settlement obligation:
 - (i) in case of a sale, to deliver the securities or Products by:
 - (1) buying the securities or Products required for delivery at a price we believe to be reasonable; and
 - (2) using any securities or Products held in your Securities Account which are issued by the same issuer and are of the same class as the securities or Products required for delivery,

then debiting all the costs (including our reasonable commission and other transaction costs) from your Cash Account, and crediting to your Cash Account the payment received against delivery (if applicable, after deduction of the maximum or relevant amount of withholding tax);

- (ii) in case of a purchase, to accept delivery of the securities or Products and do the following:
 - (1) debiting the purchase price and expenses from your Cash Account or any other account maintained by you with us; and
 - (2) selling the relevant securities or Products at a price we believe to be reasonable, then crediting to your Cash Account or any other account maintained by you with us the proceeds of sale (after deduction of our reasonable commission and other transaction costs and, if applicable, the maximum or relevant amount of withholding tax); and
- (iii) take any other action or step as we in our discretion consider appropriate or necessary.
- (c) You accept that the timing of crediting to your account any money, securities, Products or other property that are legally due to be paid or delivered to you is subject to (i) time zone differences and (ii) the timing of confirmation by any third party custodian appointed by us. Therefore, such money, securities, Products or property may not be credited to your account on the date of payment or delivery as announced in the relevant market.

5.2.8. Right of set-off

Without limiting or reducing our rights under these Terms and Conditions, we may set off any amount payable by you and any amount payable to you where such amounts arise from the purchase or sale of securities or Products by you on a cash-against-delivery basis (or from any related currency exchange transaction).

5.2.9. Custodian services and Instructions

- (a) The provisions of this Clause 5.2.9 apply where we provide custodian services relating to securities or Products at your request.
- (b) In addition to the authority conferred on us by the other provisions of these Terms and Conditions, you authorise us to take such steps from time to time as we consider appropriate or useful to enable us to provide custodian services and to exercise our authority or powers in connection with these services. These steps may include the following (or any of them):
 - (i) As soon as reasonably practicable upon receipt of securities or Products from you or any person acting on your behalf:
 - (1) to hold or arrange for securities or Products and the relevant documents of title to be held in safe custody. This may include holding or depositing securities or Products with any clearing or settlement system, centralised depository or similar facility, or other system or depository as we or any person appointed by us consider appropriate; or
 - (2) to hold or arrange for bearer instruments to be held in bearer form and to register other instruments in our name or in the name of any other person appointed by us.
 - (ii) To withdraw securities or Products from your Securities Account or to purchase, sell, dispose of or deal with securities or Products in any other manner, and to handle their proceeds, in each case in any manner or for any purpose in accordance with your Instructions or as permitted by these Terms and Conditions to the fullest extent permitted by Applicable Regulations.
 - (iii) To deliver documents of title and any other instruments relating to securities or Products to you or to your order in accordance with your Instructions and at your risk.
 - (iv) Where securities or Products are registered in our name or in the name of any other person appointed by us and have been deposited or held with us under this Clause 5.2.9:
 - (1) to notify you of any notice or information received by us which requires your action in relation to such securities or Products;
 - (2) to make request, collect or receive payments, interests or any other cash distributions payable on such securities or Products arising from acquisition, ownership, disposal, redemption, conversion, exchange or other dealing of such securities or Products;
 - (3) to exercise any rights arising from or attached to such securities or Products; and
 - (4) to execute documents as necessary or useful for the purposes of any of the above matters.

In each case we will act upon your Instructions provided that we receive Instructions from you within a reasonable time. If we do not receive an Instruction at all or within a reasonable time, we are entitled not to attend any meeting or exercise any voting or other right (including the completion of proxies) and we are entitled to act or refrain from acting in accordance with the default option specified in any notice or request for Instructions.
 - (v) Nothing in paragraph (iv) above obliges us to notify you of any notice or Corporate Action information (including proxy voting form) received by us or restricts our right to take such actions as we consider appropriate in our discretion.
 - (vi) Unless we have received conflicting Instructions, without giving you notice to:
 - (1) exchange securities or Products where the exchange is purely administrative. This may include exchanging temporary securities for definitive securities, and exchanging warrants or other documents evidencing title to securities for the actual securities; and

- (2) perform all other ancillary acts which we or any other person appointed by us may reasonably consider to be necessary or useful to carry out any Instructions, perform custodian services or exercise our rights under this Clause 5.2.9.
- (vii) To participate in and to comply with the rules and regulations of any depository or system which provides central clearing and settlement facilities for securities or Products and to hold securities or Products in such depository or system on such terms as such depository or system may customarily operate. In each case we are not liable for any act or omission on the part of the manager or operator of the relevant depository or system.
- (c) In providing custodian services, we will maintain records which identify your securities or Products. Such records will segregate such securities or Products from other assets held by us for ourselves or for our other customers.
- (d) We have the right not to accept securities or Products for deposit under this Clause 5.2.9 in the following circumstances (or any of them):
 - (i) you are not the legal and beneficial owner of the securities or Products and you do not give us the necessary transfer documents or Instruction to enable us to transfer the beneficial ownership to you, or you hold any of the securities or Products on behalf of any third party;
 - (ii) you do not give us the necessary transfer documents or Instruction as we may require to enable us to register the securities or Products in our name or in the name of our nominee;
 - (iii) the securities or Products are not free of mortgage, charge, pledge, lien, right of set-off or any security interest, encumbrances or claims of any kind in favour of any person other than us; and
 - (iv) you do not pay any fees, reasonable expenses, duties or other amounts payable in respect of any transfer or registration set out in paragraph (i) or (ii) above.
- (e) All securities or Products delivered, purchased or held pursuant to this Clause 5.2.9 may be held in our name (as your nominee), by our nominee or agent or by the nominee of the relevant clearing system, custodian or depository. These securities or Products will be held in accordance with or as permitted by Applicable Regulations and Market Requirements. For the purposes of settling any purchase or sale of securities or Products or transacting with regard to any Corporate Action, we and the other nominee entities may transfer securities or Products between one another.
- (f) Entitlements to shares and any other benefits (including cash proceeds arising from Corporate Action) accruing on securities or Products held for customers by us or any person appointed by us which have been pooled will be distributed amongst those customers. Such entitlements will be distributed in the same proportions as the respective holdings of customers who have given identical instructions in connection with the relevant Corporate Action in relation to their holdings of the pooled securities or Products. If a distribution would otherwise require the allocation of a fraction of an asset or unit of currency to you, we are entitled to credit to the Cash Account an amount which we calculate to be the value of the fractional entitlement instead of allocating such entitlement to you.
- (g) Without limiting or reducing our rights under other provisions of these Terms and Conditions, we have the right without giving reason:
 - (i) (either directly or via any agent or nominee) not to (1) act on any Instructions to requisition any meeting of or propose or second any resolution at any meeting of any issuer of securities or Products, or (2) take any other action as registered or nominee holder of any securities or Products, in each case if such action would in our opinion materially prejudice our position or reputation (or that of any relevant agent or nominee). We (either directly or via any agent or nominee) will inform you of our decision not to act as soon as practicable after receipt of the relevant Instructions or of notice of the relevant meeting; and
 - (ii) not to provide any custodian or withdrawal service for securities or Products listed or traded in the United States of America.
- (h) Limitation on our liability and your indemnity
 - (i) Without limiting or reducing the effect of Clause 1.13 or other liability limitation provisions of these Terms and Conditions, our liability in relation to the custodian services are limited as follows:
 - (1) We are not liable for any losses incurred or suffered by you or any other person as a result of the benefit of Corporate Action not being obtained or voting rights not being exercised.
 - (2) Where foreign listed securities or Products are accepted in a jurisdiction restricting foreign ownership of securities or Products, we have no duty to ascertain the nationality and the location of domicile or residence of the owner of the securities or Products or whether the securities or Products deposited are approved for foreign ownership.
 - (3) All securities or Products deposited or held with us under this Clause 5.2.9 are so deposited or held at your risk. We are not liable except if it is proved that there was negligence or wilful default by (i) us, (ii) our agents or nominees, or (iii) our officers or employees or that of our agents or nominees in the performance of our or their duties under this Clause 5.2.9. Then we will be liable for any loss and damage you incur or suffer that is direct and reasonably foreseeable arising directly and solely from such negligence or wilful default.

- (ii) Without limiting or reducing the effect of Clause 1.14 or other indemnity provisions of these Terms and Conditions:
 - (1) Except as set out in (2) below, you will indemnify and reimburse (i) us, (ii) our agents and nominees, and (iii) our officers and employees and that of our agents or nominees for all actions, proceedings and claims which may be brought by or against us or them, and for all losses, damages and reasonable costs and expenses which we or they may incur or suffer as a result of or in connection with your use or our provision of the custodian services under this Clause 5.2.9. Such liabilities may include losses and costs incurred as a result of (i) the remittance of payments to you before actual receipt of cleared funds from the issuer of securities or Products or from any other person, or (ii) the provision of any adjustment in the computation of any interest, dividends or other receivables received by us in respect of any securities or Products (whether such adjustment is made before or after receipt by us).
This indemnity will continue after the termination of the custodian services under this Clause 5.2.9.
 - (2) If it is proved that any actions, proceedings, claims, losses, damages or amounts set out in (1) above was caused by negligence or wilful default of (i) ours, (ii) our agents or nominees, or (iii) our officers or employees or that of our agents or nominees, then you are not liable under (1) above to the extent that it is direct and reasonably foreseeable arising directly and solely from such negligence or wilful default.
- (i) Termination of custodian services
 - (i) Either you or we may terminate the custodian services in accordance with these Terms and Conditions.
 - (ii) You are required to make all necessary arrangements at your cost and expense to transfer any assets held by us under this Clause 5.2.9 to another entity or to yourself. You should ensure that such transfer takes place at the same time as the termination of our custodian services, failing which we may arrange for such transfer at your cost and expense.

5.3. Wayfoong Statement Gold

5.3.1. Wayfoong Statement Gold product key facts statement and product fact sheet

You should read the provisions of this Clause 5.3 together with the Wayfoong Statement Gold product key facts statement and product fact sheet which are available upon request at any of our branches.

5.3.2. Purchase of Wayfoong Statement Gold

- (a) You should give Instructions to purchase Wayfoong Statement Gold in such form and manner set by us from time to time. Each purchase Instruction should be for not less than one (1) unit of Wayfoong Statement Gold or in whole multiple thereof.
- (b) The price per unit at which you make each purchase of Wayfoong Statement Gold should be the prevailing price for purchase of per mace of gold that we conclusively determine at the time we execute the relevant purchase Instruction. Such price is binding on you and is recorded on the receipt relating to the purchase. Any price quoted by us at any other time is for reference only and is valid only at the exact time that it is quoted. We will effect a purchase Instruction, if time permits, during the Business Day of receipt of your purchase Instruction. However, if a purchase Instruction is to be settled by you by cheque, we will effect that purchase Instruction, if time permits, during the Business Day on which the cheque is cleared.
- (c) A purchase of Wayfoong Statement Gold will be settled by:
 - (i) an immediate direct debit of your Current Account or Savings Account or any other account designated by you; or
 - (ii) full payment by you in cash, by cheque or by cashier's order on the same Business Day as execution of the purchase Instruction.
- (d) You agree that if the amount of any cheque tendered as payment for a purchase Instruction is insufficient on clearance to purchase the units of Wayfoong Statement Gold specified in the Instruction, we have the right to purchase less units of Wayfoong Statement Gold with the amount of the cleared cheque. We will account to you for any amount of money remaining after that purchase. We are not liable to you for purchasing less units of Wayfoong Statement Gold in that case.
- (e) By giving a purchase Instruction, you confirm that you have full right, power and authority to purchase the Wayfoong Statement Gold specified in that Instruction.

5.3.3. Sale of Wayfoong Statement Gold

- (a) You should give Instructions to sell the Wayfoong Statement Gold held in your Wayfoong Statement Gold Account in such form and manner set by us from time to time. You should specify in each sale Instruction the Wayfoong Statement Gold Account designation and the number of units of Wayfoong Statement Gold to be sold.
- (b) Each sale Instruction is irrevocable. The details specified in the form setting out a sale Instruction are conclusive evidence as to the number of units of Wayfoong Statement Gold to be sold in that transaction in the absence of manifest error.
- (c) The price per unit at which you make each sale of Wayfoong Statement Gold should be the prevailing price for sale of per mace of gold that we conclusively determine at the time we execute the relevant sale Instruction. Such price is binding on you and is recorded on the receipt relating to the sale. Any price quoted by us at any other time is for reference only and is valid only at the exact time that it is quoted.
- (d) The proceeds of a sale of Wayfoong Statement Gold will, if time permits, be paid to you on the same Business Day as execution of the sale Instruction. Payment may be made by direct credit to your Current Account or Savings Account or any other account designated by you. Payment may also be made in cash, by cheque or by cashier's order as specified by you in the sale Instruction.

In the case of a sale Instruction, the proceeds of sale will be paid to you in accordance with Clause 5.3.3(d).

You will be bound by a variation if we do not receive notice from you to close the Wayfoong Statement Gold Account with effect before the date on which that variation takes effect.

5.3.6. Use of Wayfoong Statement Gold for discharging your liability

- (a) You authorise us to appropriate from your Wayfoong Statement Gold Account such units of Wayfoong Statement Gold as may be required to discharge your liability to us from time to time. We have a lien over the Wayfoong Statement Gold in your Wayfoong Statement Gold Account. The lien stands as a continuing security for the payment by you of any liability whether actual or contingent, present or future (including any fees, expenses or interest) owing by you to us.

- (b) If you fail to pay any amount due to us within five (5) Business Days after we demand payment, we have the right to sell all or any of the units of Wayfoong Statement Gold in your Wayfoong Statement Gold Account at any time and in any way which we consider appropriate as if we have received a sale Instruction. 5.3.10. Governing version

The English version and Chinese version of Section 5.3 shall have equal weight.

5.4. Structured Investment Deposits (SID Deposits)

5.4.1. General terms of SID Deposits

- (a) The provisions of Clause 5.4 govern all SID Deposits. In addition, supplemental terms and conditions set out in Clauses 5.4A to 5.4D apply to the respective types of SID Deposit offered by us. An appendix to any supplemental terms and conditions or to the SID Terms and Conditions sets out (i) the structure selected or considered selected by you from those offered by us from time to time and (ii) the methodology for determining the Return, Redemption Amount or other factors relating to the SID Deposit (in Clauses 5.4, 5.4A, 5.4B, 5.4C and 5.4D, "relevant Appendix of SID Deposit"). Where you place a deposit which is accepted by us as a SID Deposit, we will issue a relevant Confirmation setting out details (such as the principal amount) of that SID Deposit. The relevant Confirmation will incorporate by reference the relevant Appendix of SID Deposit.
- (b) In addition to the supplemental terms and conditions and appendices described in Clause 5.4.1(a), we may specify other supplemental terms and conditions and appendices relating to SID Deposits from time to time. All supplemental terms and conditions and appendices specified by us from time to time form part of these Terms and Conditions.
- (c) These Terms and Conditions, each set of supplemental terms and conditions, each appendix and the form of confirmation are subject to variation in accordance with these Terms and Conditions.
- (d) In the event of any conflict in the documentation relating to a SID Deposit, the documentation will govern and prevail in the following order:
 - (i) the relevant Confirmation;
 - (ii) the relevant Appendix of SID Deposit;
 - (iii) the supplemental terms and conditions relating to that SID Deposit;
 - (iv) the SID Terms and Conditions;
 - (v) Clause 5.1 of these Terms and Conditions; and
 - (vi) Section 1 of these Terms and Conditions.
- (e) For the purpose of the SID Deposits only, the English version and Chinese version of the documentation shall have equal weight.

5.4.2. Making SID Deposits

- (a) We have the right to specify and vary from time to time the terms on which you may make SID Deposits. These terms may include the following:
 - (i) the available currencies;
 - (ii) the applicable minimum initial deposit amount;
 - (iii) the applicable multiple of such minimum amount; and
 - (iv) the available SID Deposit Periods.

- (b) Funds for the purpose of making a SID Deposit must be received by us before the Cut-off Time for the relevant SID Deposit Period. Once we have received such funds, they cannot be withdrawn except in accordance with these Terms and Conditions. Subject to the terms of this Clause 5.4.2:
 - (i) such funds will be held in an interest bearing account until the relevant SID Deposit Date as a time deposit to which the terms and conditions for time deposit apply. Details of interest rates payable on that time deposit will be available on request; and
 - (ii) the Reserved Amount will be placed as a SID Deposit on the SID Deposit Date.
- (c) No SID Deposit can or will be automatically renewed for any subsequent SID Deposit Period. This includes no renewal of the principal amount of a SID Deposit or any Return or Redemption Amount payable in respect of a SID Deposit.
- (d) We have the right not to accept any funds received from you or to accept only part of such funds as a SID Deposit. We may exercise that right even if (i) we have received the Reserved Amount; or (ii) we have accepted funds from any other customer as a SID Deposit. If we do not accept any funds, we will notify you as soon as practicable and place any funds received in the Disposal Account.

5.4.3. Withdrawal of SID Deposits

- (a) You are not allowed to withdraw a SID Deposit (or any part of it) without our consent prior to the SID Maturity Date relating to the current SID Deposit Period.
- (b) Where we allow you to redeem a SID Deposit prior to the relevant SID Maturity Date (in Clauses 5.4, 5.4A and 5.4C, "Early Redemption"), the terms for Early Redemption will be set out in the relevant Appendix of SID Deposit. **It is likely that the Return on such Early Redemption will be lower than that if the SID Deposit had been kept in place until the relevant SID Maturity Date, and the Return may be negative.**
- (c) We have the right to uplift a SID Deposit (or any part of it) prior to the SID Maturity Date. We may exercise this right if we determine, in our discretion, that it is necessary or appropriate to protect our security interest or right to combine accounts or set off, or to protect your interests. If we uplift a SID Deposit (or any part of it), we will deduct such break costs or add such proportion of the Return or Redemption Amount, as we may determine conclusively to be deductible or to have accrued. We will then place the resulting deposit amount in the Disposal Account or on interest bearing deposit. The resulting deposit amount may be less than the original principal amount of the SID Deposit.

5.4.4. Capital protection

- (a) The principal amount of a SID Deposit is fully (i.e. 100%) capital protected on maturity unless otherwise stated in the relevant Appendix of SID Deposit.
- (b) If the Return calculated on maturity in accordance with the relevant formula in the relevant Appendix of SID Deposit would be negative, it will not be deducted from the principal amount but will be considered to be nil instead, unless otherwise stated in the relevant Appendix of SID Deposit or the provisions relating to Early Redemption or early withdrawal by us (such as in the case of illegality or in accordance with Clause 5.4.3(c)).

5.4.5. Return and Redemption Amount

- (a) Unless otherwise stated in the relevant Appendix of SID Deposit, interest will not be paid on a SID Deposit at a predetermined rate. Instead, depending on the types of SID Deposit, a Return or Redemption Amount will be payable on maturity.
- (b) The Return or Redemption Amount payable on a SID Deposit in respect of any SID Deposit Period will be calculated in accordance with the terms of the relevant Appendix of SID Deposit. Such Return or Redemption Amount is payable on the SID Maturity Date. We will notify you of the Return or Redemption Amount payable in respect of a SID Deposit as soon as practicable after the SID Maturity Date.
- (c) **In certain circumstances depending on the applicable capital protection provisions (if any), the Redemption Amount may be greater than or less than the original principal amount of the SID Deposit.**

5.4.6. Interest

- (a) Interest on a SID Deposit in respect of any SID Deposit Period, if stated to be payable in the relevant Appendix of SID Deposit:
 - (i) will accrue from (and including) the SID Deposit Date up to (but excluding) the SID Maturity Date;
 - (ii) will be calculated at the applicable Interest Rate per annum on the basis of the actual number of days that have elapsed during the period referred to in (i) above and in accordance with prevailing market practice; and
 - (iii) will be payable on the SID Maturity Date,
 unless otherwise stated in the relevant Appendix of SID Deposit.
- (b) Where Interest Rate on a SID Deposit is calculated by reference to HIBOR, LIBOR or other reference rate (as such terms may be defined in the relevant Appendix of SID Deposit) and the rate is not available for any reason, it will be determined conclusively by us in good faith and in a commercially reasonable manner.

5.4.7. Calculations and determinations

We will determine conclusively, acting in a reasonable manner in accordance with prevailing market practices, all rates, fixings and values required for the purposes of calculating the Return or Redemption Amount, and all other matters to be established in relation to a SID Deposit.

5.4.8. Participation Rate

- (a) Depending on the type of SID Deposit, a Participation Rate may or may not apply and may differ for each type of SID Deposit or for each choice of Return or Redemption Amount calculation offered by us.
- (b) The Participation Rate is used to calculate the Return or Redemption Amount. Calculation will be made in accordance with the relevant formula set out in the relevant Appendix for SID Deposit or the supplemental terms and conditions relating to the SID Deposit. The Participation Rate represents the percentage of the increase or decrease (if any, as the case may be) of the underlying Index or other reference, in respect of which you will receive benefit over the SID Deposit Period.
- (c) The Participation Rate is affected by a number of variables. These variables may include interest rates, currency exchange rates, market volatility and dividend or coupon yield. We have the right to vary the Participation Rate for each SID Deposit Period.

5.4.9. Fees

We have the right to impose fees and charges from time to time as we in our discretion consider appropriate. We will notify you of any fees or charges imposed or of any changes to them at least one (1) month in advance. Such fees or charges will not apply to a SID Deposit already placed with us during the SID Deposit Period.

5.4.10. Tax

We will pay any Return, Redemption Amount or interest subject to any deduction or withholding in respect of tax required by Applicable Regulations. We will inform you of the amount of deduction or withholding (if applicable) each time any Return, Redemption Amount or interest is paid.

5.4.11. Waiver

No act or omission by us will affect our rights, powers or remedies under these Terms and Conditions or the SID Terms and Conditions or any further or other exercise of such rights, powers or remedies.

5.4.12. Business Days

If any payment or calculation to be made or other action to be taken by us or by you in relation to a SID Deposit would fall otherwise on or by reference to a day which is not a Business Day, it will be postponed until (or, as appropriate, by reference to) the following Business Day unless otherwise specified in the relevant Confirmation, relevant Appendix of SID Deposit or the supplemental terms and conditions relating to that SID Deposit.

5.4.13. Joint depositors

If a SID Deposit is or is to be made in the joint names of two or more persons:

- (a) you are jointly and severally liable with each other for the obligations and liabilities under these Terms and Conditions and the SID Terms and Conditions;
- (b) any act or omission of any of you will be deemed the act or omission of all of you; and
- (c) any notice to be given to you under these Terms and Conditions or the SID Terms and Conditions will be validly given to all of you if given to any of you.

5.4.14. Risk disclosures applicable to all SID Deposits

- (a) **A SID Deposit is NOT equivalent to, and should not be treated as a substitute for, time deposit. A SID Deposit is NOT a protected deposit and NOT protected by the Deposit Protection Scheme in Hong Kong.**
- (b) **The Return or Redemption Amount in relation to a SID Deposit will depend on market conditions and the performance of the asset or investment linked to that SID Deposit. The performance of the linked asset or investment may go up or down during the relevant SID Deposit Period and this will affect the Return or Redemption Amount.**
- (c) **The Return or Redemption Amount may be less than would have been payable on a time deposit for the same period. It is possible that no amount by way of return will be payable at all. You must be prepared to risk losing (i) the interest that you might otherwise have earned on money invested as a SID Deposit or (ii) where a SID Deposit is not 100% capital protected, the principal amount of that SID Deposit to the extent not so protected.**
- (d) **You acknowledge the risk disclosures in this Clause 5.4 explain some principal risks but is not an exhaustive list of all possible risks associated with investment in SID Deposits generally or with respect to specific types of SID Deposits. If you have any concerns about SID Deposits or any type of SID Deposits, you should consult your professional advisers.**

5.4A Index-linked SID Deposits supplemental terms and conditions

The provisions of this Clause 5.4A apply specifically to SID Deposits that are linked to Indices.

5.4A.1 Fixing dates

- (a) Where a fixing for an Index in respect of a SID Deposit is required to be taken on a date which (i) is not an Index Business Day, or (ii) is an Index Business Day but a Market Disruption Event exists in relation to that Index, that fixing will be taken on the following Index Business Day on which no Market Disruption Event exists (whether or not that date is already a date on which a fixing is taken). However, if there is a Market Disruption Event on each of the five (5) consecutive Index Business Days following the original date that would have been the fixing date, that fifth Index Business Day will be considered to be the applicable fixing date even if a Market Disruption Event exists on that date (in this Clause 5.4A, such fixing date, the "Amended Fixing Date"). In that case, we will determine conclusively the relevant level of that Index in good faith and in a commercially reasonable manner.
- (b) Where as a result of Clause 5.4A.1(a) (but not any other reason) the SID Deposit Date (or, as applicable, the SID Maturity Date) would fall otherwise before the last Amended Fixing Date related to it, the SID Deposit Date (or, as applicable, the SID Maturity Date) will be considered to be the day (in this Clause 5.4A, "Applicable Day") which is:
- (i) the Interim Day Count after that last Amended Fixing Date; or
 - (ii) the Interim Day Count on that last Amended Fixing Date (if the Interim Day Count is zero).
- However, if the day set out in paragraph (i) or (ii) above is not a Business Day in the relevant location, the Business Day in that location following that day will be considered to be the Applicable Day.
- (c) Where the Return or Redemption Amount in respect of a SID Deposit is determined by reference to more than one (1) Index, the provisions set out in Clause 5.4A.1(a) or 5.4A.1(b) will (unless otherwise provided in the relevant Appendix of SID Deposit) apply separately in respect of each Index, with the effect that:
- (i) all calculations of the relevant Return or Redemption Amount will be made (and the SID Deposit Date or, as applicable, the SID Maturity Date will be determined) by reference to such provisions, except for any Index that is not affected by such provisions, fixings for that Index will be taken as of the relevant scheduled date without reference to such provisions, and
 - (ii) the SID Deposit Date or, as applicable, the SID Maturity Date will be determined by reference to the last fixing date to occur.

5.4A.2 Adjustment to an Index

- (a) If an Index:
- (i) ceases to be calculated and announced by the original Sponsor but is calculated and announced by a successor Sponsor acceptable to us; or
 - (ii) is replaced by a successor index using, in our good faith determination, the same or a substantially similar formula and method of calculation as used in the calculation of that Index,
- then the Index linked to the relevant SID Deposit will be considered to be (1) the index so calculated and announced by that successor Sponsor or (2) that successor index (as the case may be).
- (b) If the original Sponsor (or any relevant successor Sponsor):
- (i) on or prior to a date upon which the level of an Index falls to be determined, makes a material change in the formula or the method of calculating that Index or in any other way materially modifies that Index (other than a modification prescribed in that formula or method to maintain that Index in the event of changes in constituent stock, capitalisation or other routine events); or
 - (ii) on such a date fails to calculate and announce that Index,
- then we will ascertain the relevant level of that Index using, instead of a published level for that Index, the level of that Index as at the relevant date as determined conclusively by us so as to produce substantially the same economic effect as if the change or failure had not occurred.

5.4A.3 Correction of an Index

Where the level of an Index used for the purpose of calculating the Return or Redemption Amount is corrected by the Sponsor prior to the SID Maturity Date (or, where applicable, prior to the date of Early Redemption), such amended level shall be used (instead of the level originally published) for such calculation.

5.4A.4 Disclaimers and definitions relating to an Index

You acknowledge the various disclaimers and definitions attached to or referenced in the relevant Appendix of SID Deposit in relation to each Index.

5.4A.5 Risk disclosure applicable to index-linked SID Deposits

The Return or Redemption Amount in relation to an index-linked SID Deposit will depend on market conditions prevailing at the relevant fixing times of the linked Index during or in respect of the relevant SID Deposit Period. The level of the linked Index may go up or down during the relevant SID Deposit Period and this will affect the Return or Redemption Amount.

5.4B Currency-linked SID Deposits supplemental terms and conditions

The provisions of this Clause 5.4B apply specifically to SID Deposits that are linked to currencies.

5.4B.1 Risk disclosure applicable to currency-linked SID Deposits

The Return or Redemption Amount in relation to a currency-linked SID Deposit will depend on the exchange rate movements of the linked currencies prevailing at the relevant fixing times during or in respect of the relevant SID Deposit Period or such other period as stated in the relevant Appendix of SID Deposit. The exchange rates may go up or down during the relevant SID Deposit Period and this will affect the Return or Redemption Amount.

5.4C Interest rate-linked SID Deposits supplemental terms and conditions

The provisions of this Clause 5.4C apply specifically to SID Deposits that are linked to interest rates.

5.4C.1 Risk disclosure applicable to interest rate-linked SID Deposits

The Return or Redemption Amount in relation to an interest rate-linked SID Deposit will depend on the interest rate movements of the linked currencies prevailing at the relevant fixing times during or in respect of the relevant SID Deposit Period or such other period as stated in the relevant Appendix of SID Deposit. The interest rates may go up or down during the relevant SID Deposit Period and this will affect the Return or Redemption Amount.

5.4D Equity-linked or equity basket-linked SID Deposits supplemental terms and conditions

The provisions of this Clause 5.4D apply specifically to SID Deposits that are linked to an equity or a basket of equities.

5.4D.1 Disruption

(a) If we determine that a Valuation Date relating to the applicable Equity is a Disrupted Day, the relevant Valuation Date will become the first succeeding Scheduled Trading Day that is not a Disrupted Day relating to that Equity. However, if each of the eight (8) consecutive Scheduled Trading Days following that Scheduled Trading Day is a Disrupted Day, (i) that eighth Scheduled Trading Day will be considered to be the Valuation Date relating to that Equity even if it is a Disrupted Day (in this Clause 5.4D, such Valuation Date, the "Amended Valuation Date"), and (ii) we will determine conclusively the value of the relevant Unit as of the Valuation Time on that Amended Valuation Date in good faith and in a commercially reasonable manner.

(b) Where as a result of Clause 5.4D.1(a) (but not any other reason) the SID Deposit Date (or, as applicable, the SID Maturity Date) would fall otherwise before the last Amended Valuation Date related to it, the SID Deposit Date (or, as applicable, the SID Maturity Date) will be considered to be the day (in this Clause 5.4D, "Applicable Day") which is:

- (i) the Interim Day Count after that last Amended Valuation Date; or
- (ii) the Interim Day Count on that last Amended Valuation Date (if the Interim Day Count is zero).

However, if the day set out in paragraph (i) or (ii) above is not a Business Day in the relevant location, the Business Day in that location following that day will be considered to be the Applicable Day.

(c) Where the Return or Redemption Amount in respect of a SID Deposit is determined by reference to an Equity Basket, the provisions set out in Clause 5.4D.1(a) or 5.4D.1(b) will (unless otherwise provided in the relevant Appendix of SID Deposit) apply separately in respect of each Component Equity, with the effect that:

- (i) the Valuation Date for each Component Equity affected by the occurrence of a Disrupted Day will be determined in accordance with such provisions and the Valuation Date for each Component Equity not affected by the occurrence of a Disrupted Day will be the Scheduled Valuation Date; and
- (ii) the SID Deposit Date or, as applicable, the SID Maturity Date will be determined by reference to the last Amended Valuation Date to occur in respect of the Scheduled Valuation Date in question.

5.4D.2 Averaging Dates

(a) If Averaging Dates are a feature of a SID Deposit linked to an Equity, then unless otherwise stated in the relevant Appendix of SID Deposit:

- (i) the Initial Price, Final Price or other relevant value will be the arithmetic mean of the Relevant Prices of the Unit on each relevant Averaging Date; and
- (ii) if we determine that an Averaging Date is a Disrupted Day, then the relevant Averaging Date will become the first succeeding Valid Date. However, if the first succeeding Valid Date has not occurred as of the Valuation Time on the eighth Scheduled Trading Day immediately following the original date that (but for the occurrence of another Averaging Date or Disrupted Day) would have been the final Averaging Date in respect of the relevant Scheduled Valuation Date, then:
 - (1) that eighth Scheduled Trading Day will be considered to be the Averaging Date (whether or not that eighth Scheduled Trading Day is already an Averaging Date); and
 - (2) we will determine conclusively the value of the relevant Unit as of the Valuation Time on that Averaging Date in good faith and in a commercially reasonable manner.

(b) If Averaging Dates are a feature of a SID Deposit linked to an Equity Basket, then:

- (i) the Initial Price, Final Price or other relevant value will be the arithmetic mean of the total values calculated for the Component Equities of each Issuer comprised in the Equity Basket on each Averaging Date. The values for the Component Equities of each Issuer will be calculated by multiplying:
 - (1) the Relevant Prices of one (1) unit of the relevant Component Equity; and

- (2) the relevant number of the relevant Component Equity in the Equity Basket; and
- (ii) the provisions set out in Clause 5.4D.2(a) will apply separately in respect of each Component Equity, with the effect that:
 - (1) the Averaging Dates for each Component Equity not affected by the occurrence of a Disrupted Day will be the dates stated in (or determined in accordance with the provisions of) the relevant Appendix of SID Deposit as Averaging Dates in respect of the relevant Valuation Date; and
 - (2) the Averaging Dates for each Component Equity affected by the occurrence of a Disrupted Day will be determined in accordance with the provisions set out in Clause 5.4D.2(a).

5.4D.3 Correction of an Equity value

Where the value of a Unit or (in the case of a SID Deposit linked to an Equity Basket) of a Component Equity used for the purpose of calculating the Return or Redemption Amount is corrected by the relevant Exchange prior to the SID Maturity Date (or, where applicable, prior to the date of Early Redemption), such amended value will be used (instead of the value originally published) for such calculation.

5.4D.4 Reference value or Equity Basket adjustment

We have the right to adjust at our discretion the Final Price, the Initial Price or any other value relating to a Unit or to the composition of the Component Equities of the applicable Equity Basket if the following events (or any of them or any similar event) occur:

- (a) A Market Disruption Event.
- (b) (i) (1) A sub-division, consolidation or reclassification of the relevant Equity or, as applicable, any relevant Component Equity; or
 - (2) A free distribution or dividend of the relevant Equity or, as applicable, any relevant Component Equity to existing holders by way of bonus, capitalization or similar issue.
- (ii) A distribution, issue or dividend to existing holders of the relevant Equity or, as applicable, any relevant Component Equity of the following (or any of them):
 - (1) that Equity or, as applicable, that Component Equity;
 - (2) other share capital or securities granting the right to payment of dividends or proceeds of liquidation of the Issuer equally or proportionately with such payments to holders of that Equity or, as applicable, that Component Equity; or
 - (3) any type of securities, rights or warrants or other assets for payment (by cash or other means) at less than the prevailing market price as determined conclusively by us.
- (iii) An extraordinary dividend.
- (iv) A call by the Issuer in respect of that Equity or, as applicable, that Component Equity that is not fully paid.
- (v) A repurchase by the Issuer of that Equity or, as applicable, that Component Equity whether out of profits or capital and whether the consideration for such repurchase is cash, securities or other assets.
- (vi) An event relating to the Issuer of that Equity or, as applicable, that Component Equity that results in any shareholder rights being distributed or becoming separated from shares of common stock or other shares of the capital stock of that Issuer pursuant to a shareholder rights plan or arrangement directed against hostile takeover. However, any adjustment effected as a result of this event will be readjusted upon any redemption of such rights. That shareholder rights plan or arrangement provides for a distribution of preferred stock, warrants, debt instruments or stock rights at a price below their market value (as determined by us) where certain events occur.
- (vii) Any other event that may have a diluting or concentrative effect on the theoretical value of that Equity or, as applicable, that Component Equity as determined conclusively by us.
- (c) (i) Any reclassification or change of that Equity or, as applicable, that Component Equity that results in transferring or an irrevocable commitment to transfer to another person all of that Equity or, as applicable, that Component Equity that is outstanding.
- (ii) Any consolidation, amalgamation, merger or binding share exchange of the Issuer of that Equity or, as applicable, that Component Equity with or into another entity (other than a consolidation, amalgamation, merger or binding share exchange where that Issuer is the controlling entity which does not result in any reclassification or change of that Equity or, as applicable, that Component Equity that is outstanding).
- (iii) Any takeover offer, tender offer, exchange offer, solicitation, proposal or other event by any person to purchase or otherwise obtain 100% of that Equity or, as applicable, that Component Equity of the Issuer that is outstanding that results in transferring or an irrevocable commitment to transfer all of that Equity or, as applicable, that Component Equity (except any of that Equity or, as applicable, that Component Equity owned or controlled by that person).
- (iv) Any consolidation, amalgamation, merger or binding share exchange of the Issuer of that Equity or, as applicable, that Component Equity or its subsidiaries with or into another entity where that Issuer is the continuing entity and which:
 - (1) does not result in a reclassification or change of that Equity or, as applicable, that Component Equity that is outstanding; but

- (2) results in all of that outstanding Equity or, as applicable, that Component Equity (other than those owned or controlled by that other entity) immediately prior to that event collectively representing less than 50% of that outstanding Equity or, as applicable, that Component Equity immediately following that event.
- (d) All the shares or all or substantially all of the assets of the Issuer of that Equity or, as applicable, that Component Equity are nationalized, expropriated or otherwise required to be transferred to any governmental agency, authority or entity or its instrumentality.
- (e) By reason of the voluntary or involuntary liquidation, bankruptcy, insolvency, dissolution or winding-up of or any similar proceedings affecting the Issuer of that Equity or, as applicable, that Component Equity, (i) all the equities of that Issuer are required to be transferred to a trustee, liquidator or other similar official or (ii) holders of that Equity or, as applicable, that Component Equity become legally prohibited from transferring them.
- (f) The relevant Exchange announces that that Equity or, as applicable, that Component Equity (i) ceases or will cease to be listed, traded or publicly quoted on that Exchange pursuant to its rules for any reason and (ii) is not immediately re-listed, re-traded or re-quoted on an exchange or quotation system located in the same jurisdiction as that Exchange (or, where that Exchange is in the European Union, in any European Union member state).
- (g) We determine in good faith that:
 - (i) it has become illegal to hold, acquire or dispose of that Equity or, as applicable, that Component Equity; or

The Return or Redemption Amount in relation to an equity-linked or equity basket-linked SID Deposit will depend on market conditions prevailing at the relevant valuation times during or in respect of the relevant SID Deposit Period. The value of an Equity or a Unit may go up or down during the relevant SID Deposit Period and this will affect the Return or Redemption Amount.

5.5. Deposit Plus

5.5.1. Invest in Deposit Plus

- (a) Deposit Plus is governed by the provisions of this Clause 5.5 and the other provisions of these Terms and Conditions applicable to Time Deposits. For the purpose of Deposit Plus, the provisions of this Clause 5.5 prevail over such other provisions to the extent of any inconsistency between them.

 - (ii) Interest will accrue at the interest rate stated in the relevant Confirmation.
- (d) Upon maturity of a Deposit Plus investment, its principal amount and interest will be paid in the Deposit Plus Deposit Currency where:

- (b) Where we consent to withdrawal of a Deposit Plus investment prior to its Maturity Date, we have the right to impose conditions as we consider appropriate. Such conditions may include deduction of break costs as we may determine conclusively. Such break costs include the costs, expenses, liabilities or losses we incur or suffer in connection with (i) breaking our hedging arrangement or (ii) obtaining funds from other sources for paying the Deposit Plus investment in the Deposit Plus Deposit Currency or the Linked Currency (as the case may be). Therefore the total amount paid on withdrawal may be less than the original principal amount of the Deposit Plus investment.
- (c) No Deposit Plus investment (including its principal amount and interest) can or will be automatically renewed.

5.5.4. Tax

We will pay the principal amount of a Deposit Plus investment and any interest or return subject to any deduction or withholding in respect of tax required by Applicable Regulations. - (a) **The net return on a Deposit Plus investment will depend on market conditions prevailing at the Fixing Time on the Fixing Date.**

We do not represent or guarantee the accuracy, reliability, adequacy, timeliness, sequence or completeness of any information provided to you through the eAlerts Service, or whether it is fit for any purpose. You should not rely on such information as investment advice or for trading purpose. You are solely responsible for verifying such information before using it for any purpose. We are not liable in any manner to you or any other person for using such information for any purpose.

- (e) You should not reply to an eAlert sent by us through SMS messaging or e-mail as it is a one-way message.
- (f) You should never provide your account or personal data on screen following a website hyperlink from an e-mail eAlert. All website hyperlinks authorised by us are for your information only and we will not require you to provide data in that manner.
- (g) eAlerts sent by e-mail may not be encrypted and may not be free of virus, interception or tampering.
- (h) You should inform us as soon as reasonably practicable if SMS messaging or any e-mail or website hyperlink appears to be irregular.

6.1.6. Security

- (a) You must keep your telecommunications equipment under personal control and keep your password, account and security details secret. You must take all reasonable precautions to prevent loss, theft or unauthorised or fraudulent use of your telecommunications equipment, your password, account, security details or other confidential information.
- (b) You should choose a nick-name for every account designated by you for using the eAlerts Service. You should avoid names that are easy to guess such as your name or account number. You should check that eAlerts received by you that contain your account information quote the nick-name for the relevant account.

 - (i) If you travel outside Hong Kong without suspending the eAlerts Service, you authorise us to transfer information about you and your account to the relevant network operator and any other service provider for the purpose of providing the eAlerts Service to you outside Hong Kong. You further authorise us and them to use, transfer and store such information in such territories as are necessary for that purpose.

6.1.7. Service providers supporting the eAlerts Service

We may use any person (including any telecommunications service provider or other independent service provider) for supporting the eAlerts Service. That person is not our agent or nominee and we have no co-operation, partnership, joint venture or other relationship with it. - (d)
 - (i) If we believe a communication sent through the eAlerts Service does not reach you, we may re-send it to the contact details you provided in accordance with the procedures for re-sending eAlerts set by us from time to time. If we believe a communication re-sent through the eAlerts Service does not reach you, we may in our discretion stop sending any further communication through the eAlerts Service.
 - (ii) You are considered as having received a communication sent or re-sent through the eAlerts Service to the contact details you provided.

6.1.9. Charges (applicable to Chargeable eAlerts)

- (a) You may choose the eAlerts that you want to receive through the eAlerts Service. We charge a fee for providing Chargeable eAlerts at rates as we may set from time to time. We may charge for Chargeable eAlerts on an individual basis or by a monthly payment package. You should check with us regularly for the applicable fees and charges.
- (b) You have to designate a Nominated Account for debiting the charges for Chargeable eAlerts. Without limiting or reducing our rights to debit your accounts (including set-off rights) under these Terms and Conditions, you authorise us to debit the charges for Chargeable eAlerts from the Nominated Account on a monthly basis or pursuant to a monthly payment package.
- (c) We will charge for a Chargeable eAlert sent to you even if you do not receive it as long as that is not caused by our negligence or wilful default.
- (d) If the same eAlert is sent to you through SMS messaging and e-mail, it will be counted as two (2) eAlerts for the purposes of (i) charging for Chargeable eAlerts on an individual basis; and (ii) reducing the number of eAlerts available to you.

At present, in relation to a stock stated in a Stop Loss Limit Order, Nominal Price means the previous closing price, the current bid price or the current ask price of that stock at any time during or at the close of the pre-opening trading session or continuous trading session, depending on whether or not that stock has been traded during the day under the various circumstances as set out in the definition in the Rules of The Stock Exchange of Hong Kong Limited. Stop Loss Limit Order means an Instruction to sell a stock stated in that Instruction at a price not less than the Lowest Selling Price if the Nominal Price falls to a level that is equal to or less than the Stop Loss Price.

Stop Loss Price in relation to a Stop Loss Limit Order, means the price below the Nominal Price designated by you (but always within a spread range as determined conclusively by us from time to time) at which that Stop Loss Limit Order is to be triggered.

Trading Day means a day on which the Stock Exchange of Hong Kong is open for business.

6.2.2. Our obligations

- (a) We are not under an obligation to act on an Instruction to cancel or amend a Stop Loss Limit Order received by us. In that case, we are not liable for any loss or expense suffered or incurred by you arising from or in connection with our acting on the earlier Stop Loss Limit Order.
- (b) Single Day Stop Loss Limit Order
 - (i) You are required to state clearly in each Single Day Stop Loss Limit Order the stock to which it relates and the Stop Loss Price. We will inform you of the applicable cut-off time from time to time.
 - (ii) If a Single Day Stop Loss Limit Order is triggered on the Trading Day on which it is given but is not executed (in whole or in part) for any reason on that Trading Day, that Single Day Stop Loss Limit Order (or the unexecuted part) will lapse on the expiry of that Trading Day.
- (c) Multiple Day Stop Loss Limit Order

 - (ii) If a Multiple Day Stop Loss Limit Order is not triggered on the Trading Day on which it is given, it will be carried forward for up to seven (7) consecutive days including the day on which it is given until it is triggered or expires, or is cancelled with our consent (whichever is the earliest).

- (iii) If a Multiple Day Stop Loss Limit Order is triggered on a Trading Day but is not executed (in whole or in part) for any reason on that Trading Day, that Multiple Day Stop Loss Limit Order (or the unexecuted part) will lapse on the expiry of that Trading Day even if it has not then expired.
- (d) Execution of Stop Loss Limit Order

You authorise us to execute in the following manner a Stop Loss Limit Order that is triggered:

 - (ii) if that Stop Loss Limit Order is not executed at all or in whole at a price between the Stop Loss Price and the Lowest Selling Price, and the Nominal Price then rises above the Stop Loss Price, execute that Stop Loss Limit Order in whole or in part at the then Nominal Price being a price higher than the Stop Loss Price.
- (e) Limitation of our liability
 - (i) Except as set out in paragraph (ii) below, we are not liable for loss, damage or expense of any kind which you may incur or suffer arising from or in connection with the following (or any of them):

- (f) No withdrawal

On receipt of a Stop Loss Limit Order we are entitled to hold the stocks to which that Stop Loss Limit Order relates. You agree that you are not entitled to withdraw or deal in any way all or any part of such stocks until that Stop Loss Limit Order expires or lapses, or is cancelled with our consent (whichever is the earliest).

- (b) You may give Instruction to vary your Target Rate or cancel a transfer Instruction. That Instruction will not be effective until we have been given reasonable time to process and decide to accept it. You authorise us to continue to act on the existing Target Rate or transfer Instruction until your Instruction to vary or cancel it becomes effective.
- (c) You may choose an amount to convert or an amount to be converted into (in this Clause 6.3, "Transfer Amount") subject to our agreement. We will determine the marked transfer amount (in this Clause 6.3, "Marked Transfer Amount") with reference to the Transfer Amount and the Target Rate.

Appendix II: Investment Risk Disclosures

The following risk disclosure statements explain some principal risks but is not an exhaustive list of all possible risks involved.

1. Risk of Securities Trading

The prices of securities fluctuate, sometimes dramatically. The price of a security may move up or down, and may become valueless. It is as likely that losses will be incurred rather than profit made as a result of buying and selling securities.

2. Risk of Trading Futures and Options

The risk of loss in trading futures contracts or options is substantial. In some circumstances, you may sustain losses in excess of your initial margin funds. Placing contingent orders, such as "stop-loss" or "stop-limit" orders, will not necessarily avoid loss. Market conditions may make it impossible to execute such orders. You may be called upon at short notice to deposit additional margin funds. If the required funds are not provided within the prescribed time, your position may be liquidated. You will remain liable for any resulting deficit in your account. You should therefore study and understand futures contracts and options before you trade and carefully consider whether such trading is suitable in the light of your own financial position and investment objectives. If you trade options you should inform yourself of exercise and expiration procedures and your rights and obligations upon exercise or expiry.

3. Risk of Trading Growth Enterprise Market Stocks

Growth Enterprise Market (GEM) stocks involve a high investment risk. In particular, companies may list on GEM with neither a track record of profitability nor any obligation to forecast future profitability. GEM stocks may be very volatile and illiquid.

You should make the decision to invest only after due and careful consideration. The greater risk profile and other characteristics of GEM mean that it is a market more suited to professional and other sophisticated investors.

Current information on GEM stocks may only be found on the internet website operated by The Stock Exchange of Hong Kong Limited. GEM Companies are usually not required to issue paid announcements in gazetted newspapers.

You should seek independent professional advice if you are uncertain of or have not understood any aspect of this risk disclosure statement or the nature and risks involved in trading of GEM stocks.

4. Risks of Client Assets Received or held outside Hong Kong

Client assets received or held by the licensed or registered person outside Hong Kong are subject to the applicable laws and regulations of the relevant overseas jurisdiction which may be different from the Securities and Futures Ordinance (Cap.571) and the rules made thereunder. Consequently, such client assets may not enjoy the same protection as that conferred on client assets received or held in Hong Kong.

5. Risk of Providing an Authority to repledge your Securities Collateral etc.

There is risk if you provide the licensed or registered person with an authority that allows it to apply your securities or securities collateral pursuant to a securities borrowing and lending agreement, repledge your securities collateral for financial accommodation or deposit your securities collateral as collateral for the discharge and satisfaction of its settlement obligations and liabilities.

If your securities or securities collateral are received or held by the licensed or registered person in Hong Kong, the above arrangement is allowed only if you consent in writing. Moreover, unless you are a professional investor, your authority must specify the period for which it is current and be limited to not more than 12 months. If you are a professional investor, these restrictions do not apply.

Additionally, your authority may be deemed to be renewed (i.e. without your written consent) if the licensed or registered person issues you a reminder at least 14 days prior to the expiry of the authority, and you do not object to such deemed renewal before the expiry date of your then existing authority.

You are not required by any law to sign these authorities. But an authority may be required by licensed or registered persons, for example, to facilitate margin lending to you or to allow your securities or securities collateral to be lent to or deposited as collateral with third parties. The licensed or registered person should explain to you the purposes for which one of these authorities is to be used.

If you sign one of these authorities and your securities or securities collateral are lent to or deposited with third parties, those third parties will have a lien or charge on your securities or securities collateral. Although the licensed or registered person is responsible to you for securities or securities collateral lent or deposited under your authority, a default by it could result in the loss of your securities or securities collateral.

A cash account not involving securities borrowing and lending is available from most licensed or registered persons. If you do not require margin facilities or do not wish your securities or securities collateral to be lent or pledged, do not sign the above authorities and ask to open this type of cash account.

6. Risk of providing an authority to hold mail or to direct mail to third parties

If you provide the licensed or registered person with an authority to hold mail or to direct mail to third parties, it is important for you to promptly collect in person all contract notes and statements of your account and review them in detail to ensure that any anomalies or mistakes can be detected in a timely fashion.

7. Risk of Margin Trading

The risk of loss in financing a transaction by deposit of collateral is significant. You may sustain losses in excess of your cash and any other assets deposited as collateral with the licensed or registered person. Market conditions may make it impossible to execute contingent orders, such as “stop-loss” or “stop-limit” orders. You may be called upon at short notice to make additional margin deposits or interest payments.

If the required margin deposits or interest payments are not made within the prescribed time, your collateral may be liquidated without your consent. Moreover, you will remain liable for any resulting deficit in your account and interest charged on your account. You should therefore carefully consider whether such a financing arrangement is suitable in light of your own financial position and investment objectives.

8. Risk of Trading Nasdaq-Amex Securities at The Stock Exchange of Hong Kong Limited

The securities under the Nasdaq-Amex Pilot Program (“PP”) are aimed at sophisticated investors. You should consult the licensed or registered person and become familiarised with the PP before trading in the PP securities. You should be aware that the PP securities are not regulated as a primary or secondary listing on the Main Board or the Growth Enterprise Market of The Stock Exchange of Hong Kong Limited.

9. Additional Risk Disclosure for Futures and Options Trading

This brief statement does not disclose all of the risks and other significant aspects of trading in futures and options. In light of the risks, you should undertake such transactions only if you understand the nature of the contracts (and contractual relationships) into which you are entering and the extent of your exposure to risk. Trading in futures and options is not suitable for many members of the public. You should carefully consider whether trading is appropriate for you in light of your experience, objectives, financial resources and other relevant circumstances.

9.1 Futures

(a) Effect of “Leverage” or “Gearing”

Transactions in futures carry a high degree of risk. The amount of initial margin is small relative to the value of the futures contract so that transactions are “leveraged” or “geared”. A relatively small market movement will have a proportionately larger impact on the funds you have deposited or will have to deposit: this may work against you as well as for you. You may sustain a total loss of initial margin funds and any additional funds deposited with the firm to maintain your position. If the market moves against your position or margin levels are increased, you may be called upon to pay substantial additional funds on short notice to maintain your position. If you fail to comply with a request for additional funds within the time prescribed, your position may be liquidated at a loss and you will be liable for any resulting deficit.

(b) Risk-reducing orders or strategies

The placing of certain orders (e.g. “stop-loss” orders, or “stop-limit” orders) which are intended to limit losses to certain amounts may not be effective because market conditions may make it impossible to execute such orders. Strategies using combinations of positions, such as “spread” and “straddle” positions may be as risky as taking simple “long” or “short” positions.

9.2 Options

(a) Variable degree of risk

Transactions in options carry a high degree of risk. Purchasers and sellers of options should familiarise themselves with the type of option (i.e. put or call) which they contemplate trading and the associated risks. You should calculate the extent to which the value of the options must increase for your position to become profitable, taking into account the premium and all transaction costs.

The purchaser of options may offset or exercise the options or allow the options to expire. The exercise of an option results either in a cash settlement or in the purchaser acquiring or delivering the underlying interest. If the option is on a futures contract, the purchaser will acquire a futures position with associated liabilities for margin (see the section on Futures above). If the purchased options expire worthless, you will suffer a total loss of your investment which will consist of the option premium plus transaction costs. If you are contemplating purchasing deep-out-of-the-money options, you should be aware that the chance of such options becoming profitable ordinarily is remote.

Selling (“writing” or “granting”) an option generally entails considerably greater risk than purchasing options. Although the premium received by the seller is fixed, the seller may sustain a loss well in excess of that amount. The seller will be liable for additional margin to maintain the position if the market moves unfavourably.

The seller will also be exposed to the risk of the purchaser exercising the option and the seller will be obligated to either settle

the option in cash or to acquire or deliver the underlying interest. If the option is on a futures contract, the seller will acquire a position in a futures contract with associated liabilities for margin (see the section on Futures above). If the option is "covered" by the seller holding a corresponding position in the underlying interest or a futures contract or another option, the risk may be reduced. If the option is not covered, the risk of loss can be unlimited.

Certain exchanges in some jurisdictions permit deferred payment of the option premium, exposing the purchaser to liability for margin payments not exceeding the amount of the premium. The purchaser is still subject to the risk of losing the premium and transaction costs. When the option is exercised or expires, the purchaser is responsible for any unpaid premium outstanding at that time.

10. Additional Risks common to Futures and Options

10.1 Terms and conditions of contracts

You should ask the firm with which you deal about the terms and conditions of the specific futures or options which you are trading and associated obligations (e.g. the circumstances under which you may become obliged to make or take delivery of the underlying interest of a futures contract and, in respect of options, expiration dates and restrictions on the time for exercise). Under certain circumstances the specifications of outstanding contracts (including the exercise price of an option) may be modified by the exchange or clearing house to reflect changes in the underlying interest.

10.2 Suspension or restriction of trading and pricing relationships

Market conditions (e.g. illiquidity) and/or the operation of the rules of certain markets (e.g. the suspension of trading in any contract or contract month because of price limits or "circuit breakers") may increase the risk of loss by making it difficult or impossible to effect transactions or liquidate/offset positions. If you have sold options, this may increase the risk of loss.

Further, normal pricing relationships between the underlying interest and the futures, and the underlying interest and the option may not exist. This can occur when, for example, the futures contract underlying the option is subject to price limits while the option is not. The absence of an underlying reference price may make it difficult to judge "fair value".

10.3 Deposited cash and property

You should familiarise yourself with the protections given to money or other property you deposit for domestic and foreign transactions, particularly in the event of a firm insolvency or bankruptcy. The extent to which you may recover your money or property may be governed by specific legislation or local rules. In some jurisdictions, property which had been specifically identifiable as your own will be pro-rated in the same manner as cash for purposes of distribution in the event of a shortfall.

10.4 Commission and other charges

Before you begin to trade, you should obtain a clear explanation of all commission, fees and other charges for which you will be liable. These charges will affect your net profit (if any) or increase your loss.

10.5 Transactions in other jurisdictions

Transactions on markets in other jurisdictions, including markets formally linked to a domestic market, may expose you to additional risk. Such markets may be subject to regulation which may offer different or diminished investor protection. Before you trade you should enquire about any rules relevant to your particular transactions. Your local regulatory authority will be unable to compel the enforcement of the rules of regulatory authorities or markets in other jurisdictions where your transactions have been effected. You should ask the firm with which you deal for details about the types of redress available in both your home jurisdiction and other relevant jurisdictions before you start to trade.

10.6 Currency risks

The profit or loss in transactions in foreign currency-denominated contracts (whether they are traded in your own or another jurisdiction) will be affected by fluctuations in currency rates where there is a need to convert from the currency denomination of the contract to another currency.

10.7 Trading facilities

Electronic trading facilities are supported by computer-based component systems for the order-routing, execution, matching, registration or clearing of trades. As with all facilities and systems, they are vulnerable to temporary disruption or failure. Your ability to recover certain losses may be subject to limits on liability imposed by the system provider, the market, the clearing house and/or participant firms. Such limits may vary: you should ask the firm with which you deal for details in this respect.

10.8 Electronic trading

Trading on an electronic trading system may differ from trading on other electronic trading systems. If you undertake transactions on an electronic trading system, you will be exposed to risks associated with the system including the failure of hardware and software. The result of any system failure may be that your order is either not executed according to your instructions or is not executed at all.

10.9 Off-exchange transactions

In some jurisdictions, and only then in restricted circumstances, firms are permitted to effect off-exchange transactions. The firm with which you deal may be acting as your counterparty to the transaction. It may be difficult or impossible to liquidate an existing position, to assess the value, to determine a fair price or to assess the exposure to risk. For these reasons, these transactions may involve increased risks. Off-exchange transactions may be less regulated or subject to a separate regulatory regime. Before you undertake such transactions, you should familiarise yourself with applicable rules and attendant risks.

10.10 Use of Alternative Liquidity Pools for Securities Listed on Stock Exchanges Outside of Hong Kong

In respect of orders for securities listed on stock exchanges outside of Hong Kong, we may transmit your orders to affiliated HSBC entities and third party brokers for execution, who may, subject to local regulation, execute such orders on alternative trading venues ("ATVs"), including dark pools. The primary potential benefits for using ATVs is to achieve better pricing and to reduce transaction costs. In general, ATVs and ATV operators are subject to regulations which are not necessarily the same as regulations that are applicable to exchanges and exchange operators. A typical feature of ATVs is that there is no pre-trade transparency. The reference prices on an ATV could be "stale" or out-of-date due to latency from data feeds. Separately, access to ATVs is usually restricted and there could be less supply and/or demand on an ATV (as compared to the supply and/or demand on an exchange) due to the limited number of participants. Our affiliated HSBC entities and third party brokers generally consider the execution price and opportunities for price improvement when deciding the appropriate venue for executing orders. There may also be other factors in their consideration, for example (i) market depth and order size; (ii) the trading characteristics of the security; (iii) speed and accuracy of executions; (iv) the availability of efficient and reliable order handling systems; (v) liquidity and automatic execution guarantees; (vi) service levels; (vii) the cost of executing orders; and (viii) execution certainty. We will continue to monitor and evaluate the execution practices of our affiliated HSBC entities and third party brokers.

11. Risk of Trading Warrants and Callable Bull/Bear Contracts

- 11.1. Warrants and Callable Bull/Bear Contracts ("CBBCs") are structured products which involve derivatives.
- 11.2. You rely on the creditworthiness of the issuer of warrants and/or CBBCs. Warrants and CBBCs are subject to both the actual and perceived measures of the credit worthiness of its issuer. There is no assurance of protection against a default by its issuer in respect of its payment obligations. If the issuer becomes insolvent, you may get nothing back and the potential maximum loss could be 100% of the investment amount and no return may be received.
- 11.3. You are warned that the prices of warrants and CBBCs may fall in value as rapidly as it may rise and holders may sustain a total loss of their investment.
- 11.4. CBBCs have a mandatory call feature and may therefore be subject to early termination. Upon early termination (i) investors in category N CBBCs will lose all of their investments in the CBBCs; and (ii) the residual value of category R CBBCs may be zero.
- 11.5. Before you purchase any warrants or CBBCs, you should ensure the following:
 - (a) you fully understand the nature of the warrants or CBBCs to be purchased by you;
 - (b) you fully understand the potential risks and rewards involved;
 - (c) you carefully study the full details and risk factors set out in the relevant listing documents and consider whether the warrants or CBBCs are suitable for you having regard to your investment objectives, investment experience, financial and operational resources and other relevant circumstances; and
 - (d) where necessary, you seek professional advice before you invest in any warrants or CBBCs.
- 11.6. You should note that we, acting through our appointed liquidity provider, may be the only market participant in HSBC-issued warrants and CBBCs.

Appendix 1: Risk Disclosures and Other Information

This Appendix describes some of the key risk disclosures and other information concerning China Connect. This Appendix does not disclose all the risks and other significant aspects of Northbound trading through China Connect. The Customer should ensure that he understands the nature and risks of China Connect and Northbound trading and he should consider carefully (and consult his own advisers where necessary) whether trading in China Connect Securities is suitable for him in light of his circumstances. The decision to trade in China Connect Securities is the Customer's, but he should not trade in China Connect Securities unless he fully understands and is willing to assume the risks associated with China Connect. The Customer acknowledges the risks, and agrees to the terms, set out in this Appendix.

The Bank does not represent that the information set out in this Appendix is up to date or comprehensive, and does not undertake to update the information set out in this Appendix.

1. Pre-Trade Checking

Under PRC law, the relevant China Connect Market may reject a sell order if an investor does not have sufficient available China Connect Securities in his account. SEHK will apply similar checking on all Northbound sell orders at the Exchange Participant level to ensure there is no overselling by any Exchange Participant ("**Pre-Trade Checking**"). Accordingly, the Customer will comply with any requirements relating to Pre-Trade Checking required by the China Connect Authorities and/or as notified to the Customer by the Bank. The Customer will in addition ensure there are sufficient available China Connect Securities in the Customer's account to cover any proposed sell order.

If the Bank considers that the Customer has not (by the commencement of trading on the Trading Day on which he wishes to execute a sell order or any other cut-off time specified by the Bank from time to time) transferred sufficient available China Connect Securities to the Exchange Participant's designated CCASS stock account(s) to cover a proposed sell order, the Bank may (but shall not be obliged to) in its absolute discretion: (a) reject the Customer's sell order (in whole or in part); (b) where appropriate arrangements are in place and as permitted by Market Requirements, use any China Connect Securities in the Exchange Participant's (or any other Exchange Participant's) designated CCASS stock account(s) which the Bank holds for itself or on behalf of its other customers to fulfil the Pre-Trade Checking requirement in respect of the Customer's sell order, in which case, the Customer shall reimburse the Bank for any costs, losses or expenses which the Bank incurs as a result of buying in or otherwise sourcing the amount of China Connect Securities which the Customer has failed to deliver in respect of the Customer's sell order, on such terms and at such price (including any associated fees and expenses) and at such time as the Bank shall determine in its absolute discretion; or (c) perform any other act which the Bank considers necessary or desirable to comply with Pre-Trade Checking and/or relevant Market Requirements and to cover the Customer's shortfall (including but not limited to applying any other China Connect Securities available to the Bank) from any stock borrowing arrangements (to the extent permitted by Market Requirements and available to the Bank) or other sources. In addition, the Bank may in its absolute discretion reject the Customer's sell order (in whole or in part) if for any other reason the Bank considers that there is or may be non-compliance or potential non-compliance with Market Requirements. Any risk, loss or cost resulting from non-compliance or potential non-compliance with Pre-Trade Checking and/or any relevant Market Requirements shall be borne by the Customer.

2. Settlement

Northbound trades will follow the settlement cycle of the relevant China Connect Market. For settlement of China Connect Securities trades, CSDCC will debit or credit the securities accounts of its participants (including HKSCC as clearing participant) on T day free of payment. The Bank may have settlement arrangements in place different from the CSDCC settlement arrangements. Unless the Bank agrees to pre-fund, settlement of funds relating to such trading will be effected on T+1 day. Where any China Connect Securities have been overbought or oversold (notwithstanding any Pre-Trade Checking arrangements), there may be a delay in settlement due to a delay or failure by the Bank's system for reconciliation of orders.

Although the transfer of the China Connect Securities precedes the transfer of cash, under the China Connect Service, the title to China Connect Securities will not be released until the receipt of confirmation of payment. Accordingly, for the purpose of contract notes, the settlement date would be T+1 day when both the securities and the cash are settled or, where the purchase is pre-funded (by way of a debit of available funds in the Customer's account upon placement of the order and a corresponding cash prepayment by the Bank to HKSCC), the settlement date would be the date on which the securities are released from hold (usually on T day).

3. Quota Restrictions

Purchases of China Connect Securities through China Connect are subject to certain quota controls as described below. As a result, there is no assurance that a buy order can be successfully placed through China Connect. There is a daily quota limiting the maximum value of all Northbound buy trades that can be executed by Exchange Participants on each Trading Day ("**Daily Quota**") in respect of each China Connect Market. The Daily Quota may change from time to time without prior notice and the Customer is advised to refer to the HKEx website and other information published by HKEx for up-to-date information.

Under the China Connect Rules, Northbound selling is permitted regardless of whether the Daily Quota has been reached. If there is a restriction, rejection or suspension of Northbound buying as a result of the Daily Quota being fully utilised, the Bank will be unable to carry out any further buy orders.

4. **Restriction on Day Trading**

Unless SEHK otherwise determines, day (turnaround) trading is not permitted on the China Connect Markets. If the Customer buys China Connect Securities on T day, the Customer may be able to sell the China Connect Securities only on or after settlement has been completed (normally on T+1 day). Due to Pre-Trade Checking requirements, the Bank may process an Instruction to sell China Connect Securities that were bought on T day only on or after the applicable cut-off time (as notified to the Customer by the Bank from time to time) on T+1 day subject to any Market Requirements.

5. **Disclosure of Interests**

Under PRC laws, rules and regulations, if the Customer holds or controls shares (on an aggregate basis, i.e., including both domestically and overseas issued shares of the same PRC Listco (as defined below), whether the relevant holdings are through Northbound trading, the QFII/RQFII regime or other investment channels) in a PRC incorporated company which is listed on a PRC stock exchange (a “**PRC Listco**”) up to a certain threshold (as may be specified from time to time by the relevant China Connect Authorities), the Customer must disclose such interest within the period specified by the relevant China Connect Authority, and the Customer must not buy or sell any such shares within the period specified by the relevant China Connect Authority. The Customer must also disclose any substantial change in his holding as required by the relevant China Connect Authority.

Under Hong Kong law, where a PRC incorporated company has both H Shares listed on SEHK and A Shares listed on a China Connect Market, if an investor is interested in more than a certain threshold (as may be specified from time to time) of any class of voting shares (including A Shares purchased through China Connect) in such PRC incorporated company, the investor is under a duty of disclosure pursuant to Part XV of the SFO. Part XV of the SFO does not apply where the PRC incorporated company has not listed any shares on SEHK.

It shall be the Customer’s responsibility to comply with any disclosure of interest rules from time to time imposed by the relevant China Connect Authorities and to arrange for any relevant filings.

6. **Short Swing Profit Rule**

Under PRC laws, rules and regulations, the “short swing profit rule” requires the Customer to give up/return any profits made from purchases and sales in respect of China Connect Securities of a particular PRC Listco if (a) the Customer’s shareholding in such PRC Listco exceeds the threshold prescribed by the relevant China Connect Authority from time to time and (b) the corresponding sale transaction occurs within the six months after a purchase transaction, or vice versa. The Customer (and the Customer alone) must comply with the “short swing profit rule”. The Bank shall have no responsibility to alert the Customer or otherwise assist the Customer in complying with the “short swing profit rule”.

7. **Foreign Ownership Limits**

Under PRC laws, rules and regulations, there is a limit to how many shares a single foreign investor is permitted to hold in a single PRC Listco, and also a limit to the maximum combined holdings of all foreign investors in a single PRC Listco. Such foreign ownership limits may be applied on an aggregate basis (i.e. across both domestically and overseas issued shares of the same issuer, whether the relevant holdings are through Northbound trading, the QFII/RQFII regime or other investment channels). It shall be the Customer’s responsibility to comply with all foreign ownership limits from time to time imposed by Market Requirements. In addition, in accordance with Clause 3.2 above, the Bank shall have the right to apply any procedure or requirements which the Bank determines in its absolute discretion to be necessary or desirable to comply with any foreign ownership limits from time to time including (for example, and without limitation) imposing any threshold on the Customer that is lower than the foreign ownership limits prescribed by any China Connect Authority. Such legal and regulatory restrictions or limitations may have an adverse effect on the liquidity and performance of an investment in China Connect Securities due to factors such as limitations on fund repatriation, dealing restrictions, adverse tax treatments, higher commission costs, regulatory reporting requirements and reliance on services of local custodians and service providers. As a result, the Customer may suffer losses through his trading, holding or investment of or in China Connect Securities.

If the Bank becomes aware that the Customer has breached (or reasonably believes that the Customer may breach upon execution of further Northbound buy orders) any foreign ownership limits, or if the Bank is so required by any China Connect Authority, including without limitation, as a result of any Forced-sale Notice issued by the relevant China Connect Market, the Bank will sell any China Connect Securities pursuant to Clause 7 (Sale, Transfer and Disgorgement) above in order to ensure compliance with all Market Requirements. In such case, no China Connect Securities buy orders for the relevant China Connect Securities will be accepted until the relevant China Connect Market informs its corresponding SEHK Subsidiary or SEHK that the aggregate foreign shareholding has fallen below a certain percentage. SEHK may determine in its absolute discretion which Exchange Participants and what quantity of China Connect Securities should be subject to a Forced- sale Notice (this is generally likely to be on a “last-in, first-out” basis), and SEHK’s (or the relevant SEHK Subsidiary’s) own records shall be final and conclusive.

Moreover, under PRC laws, where the aggregate holding of foreign investors exceeds a specified percentage (the “**Cautionary Level**”) of the issued shares of a single PRC Listco, upon notification by the China Connect Market to its corresponding SEHK Subsidiary, SEHK and the relevant SEHK Subsidiary are required as soon as practicable thereafter to suspend accepting buy orders in respect of the relevant China Connect Securities. In such circumstances, the Bank may reject the Customer’s buy order Instructions until the aggregate shareholding of foreign investors has fallen below a specified percentage (the “**Permitted Level**”) as advised by the relevant China Connect Market from time to time.

As of the date of these Terms and Conditions, the single foreign investor limit is set at 10% of the shares of a PRC Listco and the aggregate foreign investor limit is set at 30% of the shares of a PRC Listco (while the Cautionary Level and the Permitted Level are

set at 28% and 26% respectively of the shares of a PRC Listco). Such limits and levels are subject to change from time to time and the Bank shall not be under any obligation to inform the Customer of any such changes relating to foreign ownership limits.

8. Securities Eligible for Northbound Trading

SEHK will include and exclude securities as China Connect Securities based on the prescribed criteria under the China Connect Rules and any other relevant rules and regulations from time to time. The Bank shall not be under any obligation to inform the Customer of any changes to the eligibility of securities for Northbound trading. The Customer should refer to the HKEx website and other information published by HKEx for up-to-date information.

According to the SSE Listing Rules and the SZSE Listing Rules, if any company listed on the SSE or the SZSE (other than a company listed on the ChiNext Board) is in the delisting process, or its operation is unstable due to financial or other reasons such that there is a risk of being delisted or exposing investors' interests to undue damage, such listed company will be earmarked and traded on the risk alert board. Any change to the risk alert board may occur without prior notice. If a China Connect Security has been placed under risk alert, it ceases to be a China Connect Security and investors under China Connect will be allowed only to sell it and are prohibited from further buying. For details concerning the risk alert board, please refer to the SSE Listing Rules, the SZSE Listing Rules and any other relevant sources from time to time.

9. Special China Connect Securities

SEHK will accept or designate securities which cease to meet the eligibility criteria for China Connect Securities as Special China Connect Securities (provided that they remain listed on the relevant China Connect Market). In addition, any securities or options (which are not 'eligible for China Connect trading') received by the Customer as a result of any distribution of rights or entitlements, conversion, takeover, other corporate actions or abnormal trading activities will be accepted or designated by SEHK as Special China Connect Securities. The Customer will be able only to sell, but not to buy, any Special China Connect Securities.

10. ChiNext Shares

ChiNext Shares involve a high investment risk. In particular, profitability and other financial requirements for listing on the ChiNext Board are less stringent than the Main Board and the SME Board of the SZSE. The Customer should make the decision to invest only after due and careful consideration.

Companies listed on the ChiNext Board may include enterprises in the innovation and technology sector as well as other start-up and/or growth enterprises with smaller operating scale and share capital. Stock prices may also be more susceptible to manipulation due to fewer circulating shares. Accordingly, the ChiNext Shares may be very volatile and illiquid. In addition, current information on such companies may be limited and may not be widely available.

It may be more common and easier for companies listed on the ChiNext Board to be delisted. The ChiNext Shares may become very illiquid after delisting. The Customer may suffer a total loss of his investment in the event of a delisting.

The Customer should seek independent professional advice if he is uncertain of or has not understood any aspect of this risk disclosure statement or the nature and risks involved in trading of ChiNext Shares.

11. No Off-exchange Trading and Transfers

The Customer, the Bank and any Related Person shall not trade or provide services to facilitate trading of any China Connect Securities otherwise than through the China Connect Market System, and the Bank shall not (unlike the current practice in Hong Kong in respect of SEHK-listed shares) match, execute or arrange the execution of any sale and purchase Instructions or any transfer Instructions from the Customer or effect any Non-trade Transfer or settlement of transaction in respect of any China Connect Securities in any manner otherwise than through China Connect in accordance with the China Connect Rules, except in the circumstances specified in the China Connect Rules or any other situations specified by the relevant China Connect Market and CSDCC (including but not limited to any Non-trade Transfer as a result or for the purpose of (a) succession; (b) divorce; (c) dissolution, liquidation or winding up of any company or corporation; (d) donation to a charitable foundation; and (e) assisting in any enforcement action or proceedings of any court, prosecutor or law enforcement agency) or as otherwise provided by a relevant China Connect Authority.

The Customer acknowledges that the rule against off-exchange trading and transfers under Northbound trading may delay or disrupt reconciliation of orders by the Bank. The Bank shall not be responsible or held liable for any loss or damage directly or indirectly suffered by the Customer arising from this rule, including, without limitation, any loss arising from any delay in settlement of trades.

12. Placing Orders

Only limit orders with a specified price are allowed pursuant to Market Requirements, whereby buy orders may be executed at or lower than the specified price and sell orders may be executed at or higher than the specified price. Market orders will not be accepted.

13. China Connect Market Price Limits

China Connect Securities are subject to a general price limit of a $\pm 10\%$ based on the previous Trading Day's closing price (and a price limit of $\pm 5\%$ where the China Connect Securities are on risk alert). The price limit may be changed from time to time. All orders in respect of China Connect Securities must be within the price limit. Any orders with a price beyond the price limit will be rejected by the relevant China Connect Market.

14. Taxation

Whether PRC capital gains tax and/or other PRC Taxes will be payable on the trading of China Connect Securities under China Connect is subject to clarification by the SAT. In addition and without prejudice to any of the Bank's rights under the Master Terms and Conditions, the Customer will be fully and solely responsible for any and all his liabilities and obligations for any Taxes in respect of China Connect Securities including, without limitation, any capital gains tax or other PRC Taxes, and will indemnify the Bank from and against all Hong Kong and/or PRC Taxes which the Bank may incur or be subject to arising in connection with any China Connect Securities which the Customer holds, trades or otherwise deals in. Neither the Bank nor any Related Person assumes any responsibility for advising on or handling any tax issues, liabilities and/or obligations in connection with China Connect, and neither the Bank nor any Related Person will provide any service or assistance in this regard. The Customer acknowledges and agrees that the Bank shall have no responsibility to act as tax agent, representative or adviser of the Customer in respect of any Taxes. Prior to investing in China Connect Securities, the Customer is strongly urged to consult his own tax advisers and counsel with respect to the possible tax consequences to him of such investment since such tax consequences may differ in respect of different investors.

Without prejudice to the foregoing and any other right or remedy which the Bank may have, the Bank shall be entitled in its absolute discretion, without further notice or demand, forthwith to satisfy any obligation of the Bank or any Related Person or the Customer to pay or account for any amounts in respect of any Taxes by selling, realising or otherwise dealing with (including but not limited to withholding or deducting any amount towards Taxes), in such manner as the Bank in its absolute discretion may determine, all or part of any property held by the Bank or any Related Person for any purpose in any of the Customer's accounts held with the Bank or any Related Person, and to apply the proceeds in reduction of all or part of the Customer's liability to the Bank or any Related Person. Neither the Bank nor any Related Person shall have any liability for any losses or risks which may result to the Customer directly or indirectly from any actions taken by the Bank or any Related Person in respect of the foregoing.

15. Client Securities Rules

By way of brief background, the Client Securities Rules prescribe how client assets are to be dealt with by all intermediaries and their associated entities. However, as the China Connect Securities traded through China Connect are not listed or traded on SEHK, the Customer will not have protection under the Client Securities Rules, unless otherwise specified by the SFC or any other relevant China Connect Authority.

16. Ownership of China Connect Securities

China Connect Securities are held in CSDCC. HKSCC will become a direct participant in CSDCC and China Connect Securities acquired by investors through Northbound trading will be (if applicable):

- (a) recorded in the name of HKSCC in the nominee securities account opened by HKSCC with CSDCC and HKSCC will be nominee holder of such China Connect Securities; and
- (b) held in custody by the depository of CSDCC and registered in the securityholders' register of the issuer of the China Connect Securities.

HKSCC will record interests in such China Connect Securities in the CCASS stock account of the relevant CCASS Clearing Participant.

Under Hong Kong law, HKSCC will be regarded as the legal owner of such China Connect Securities and will be regarded as holding the beneficial entitlement to the China Connect Securities on behalf of the relevant Clearing Participant(s). Depending on the custody arrangements between a Clearing Participant and its Hong Kong or overseas clients, such Clearing Participant will in turn generally be regarded as holding the beneficial entitlement for such Hong Kong or overseas clients.

Under current PRC regulations, China Connect Securities will be recorded in a nominee account opened by HKSCC with CSDCC and Northbound investors have rights and interests in China Connect Securities acquired through China Connect according to the applicable laws. The CSRC Securities Registration and Settlement Measures, CSDCC Securities Registration Rules and Administrative Rules on Securities Accounts, the CSDCC China Connect Rules, SSE China Connect Rules and SZSE China Connect Rules generally provide for the concept of a "nominee holder" and recognise the Northbound investors as the "ultimate owners" of China Connect Securities.

Northbound investors shall exercise their rights in relation to China Connect Securities through HKSCC as the nominee holder. As Northbound investors will have actual control over voting rights in respect of such China Connect Securities (either individually or

acting in concert with others), Northbound investors are responsible for complying with disclosure obligations under PRC laws and regulations in relation to China Connect Securities acquired through Northbound trading.

After the launch of the Shanghai Hong Kong Stock Connect, and concurrent with the promulgation of the expanded and revised China Connect Rules, CSRC issued two FAQs respectively on 15 May 2015 and 30 September 2016, which provided regulatory clarification and affirmation that HKSCC is the nominee holder for China Connect Securities, and Hong Kong and overseas investors shall enjoy property rights as the holder and shall exercise their rights in relation to China Connect Securities as proprietary owners through HKSCC.

HKEx has published materials explaining the ownership rights of Northbound investors in China Connect Securities and may publish further information from time to time. In summary, the HKEx published materials state that:

- (a) it is the Hong Kong and overseas investors as the ultimate investors (rather than any broker, custodian or intermediary through whom such investors hold the China Connect Securities) who should be recognised under PRC laws and regulations as having beneficial ownership in the China Connect Securities;
- (b) as key functions of a nominee holder, HKSCC will be responsible for collecting and distributing dividends to its participants (for their own account and/or as agent for their investors) and obtaining and consolidating voting instructions from its participants and submitting a combined single voting instruction to the issuer of the relevant China Connect Securities. Under the CCASS China Connect Rules, HKSCC is prepared to provide assistance to the beneficial owners of China Connect Securities where necessary. Further details are set out in the HKEx published materials.

HKEx notes that any beneficial owner who decides to take legal action is responsible for seeking its own independent legal advice to satisfy itself and HKSCC that a cause of action exists and the beneficial owner should be prepared to conduct the action and take up all costs in relation to the action, including providing HKSCC with indemnities and legal representation in proceedings; and

- (c) on the insolvency of HKSCC, the China Connect Securities would not be regarded as the general assets of HKSCC under Hong Kong and PRC law and would not be available to the general creditors of HKSCC. CSDCC and the PRC courts would recognise the liquidator of HKSCC, duly appointed pursuant to Hong Kong law, as the rightful person to deal with China Connect Securities in the place of HKSCC.

The Customer should conduct his own review of the HKEx published materials and the applicable China Connect Rules from time to time. The Customer should also consult his own legal advisers to make his own assessment of his rights as a Northbound investor in China Connect Securities.

17. Amendment of Orders and Loss of Priority

Consistent with the current practice in the PRC, if an investor engaged in Northbound trading wishes to amend an order, the investor must first cancel the original order and then input a new one. Accordingly, order priority will be lost and, subject to the Daily Quota restrictions (see paragraph 3 above), the subsequent order may not be filled on the same Trading Day.

18. Risk of CSDCC Default

CSDCC has established a risk management framework and measures that are approved and supervised by the CSRC. If CSDCC (as the host central counterparty) defaults, HKSCC may (but shall have no obligation to) take any legal action or court proceeding to seek recovery of the outstanding China Connect Securities and monies from CSDCC through available legal channels and through CSDCC's liquidation process, if applicable. As CSDCC does not contribute to the HKSCC guarantee fund, HKSCC will not use the HKSCC guarantee fund to cover any residual loss as a result of closing out any of CSDCC's positions. HKSCC will in turn distribute China Connect Securities and/or monies recovered to clearing participants on a pro-rata basis as prescribed by the relevant China Connect Authorities. The Bank in turn will be distributing China Connect Securities and/or monies only to the extent recovered directly or indirectly from HKSCC. Although the likelihood of a default by CSDCC is considered to be remote, investors should be aware of this arrangement and of this potential exposure before engaging in Northbound trading.

19. Risk of HKSCC Default

The Bank's provision of services pursuant to these Terms and Conditions also depends upon the performance by HKSCC of its obligations. Any action or inaction of HKSCC or a failure or delay by HKSCC in the performance of its obligations may result in a failure of settlement, or the loss, of China Connect Securities and/or monies in connection with them and the Customer may suffer losses as a result. Neither the Bank nor any Related Person shall have any responsibility or liability for any such losses.

20. Scripless Securities

China Connect Securities are traded in scripless form, and accordingly China Connect Securities may not be physically deposited into and/or withdrawn from CCASS.

21. Company Announcements on Corporate Actions

Any corporate action in respect of China Connect Securities will be announced by the relevant issuer through the SSE website and/or SZSE website (as the case may be) and certain officially appointed newspapers. HKSCC will also record all corporate actions relating to China Connect Securities in CCASS and inform its clearing participants of the details via the CCASS terminals as soon as practicable on the announcement date. Investors engaged in Northbound trading may refer to the SSE website and/or the SZSE website (as the case may be) and the officially appointed newspapers and website (such as Shanghai Securities News (上海證券報), Securities Times (證券時報), China Securities Journal (中國證券報), Securities Daily (證券日報) and www.cninfo.com.cn (巨潮資訊網) or, alternatively, the HKEx website's China Stock Markets Web (or such other replacement or successor web-page from time to time) for corporate actions in respect of China Connect Securities issued on the previous Trading Day. Investors should note that (i) issuers that are listed on the China Connect Markets publish corporate documents in Chinese only and English translations will not be available and (ii) issuers listed on the ChiNext Board are required to publish certain corporate announcements on their corporate websites and the officially appointed websites only.

Unlike the current practice in Hong Kong in respect of SEHK-listed shares, investors engaged in Northbound trading may not be able to attend shareholder meetings by proxy or in person.

In addition, HKSCC will endeavour to collect and distribute cash dividends relating to China Connect Securities to clearing participants in a timely manner. Upon receipt of the dividend amount, HKSCC will to the extent practicable arrange to distribute to relevant clearing participants on the same day.

The Bank shall have no obligation whatsoever to collect or receive or take any other action (including attending any general meeting and/or exercising any voting right) in relation to any payment or distribution (including, but not limited to, any cash or scrip dividends) or voting in respect of China Connect Securities for the Customer's account or to notify the Customer of the existence of or the terms of any notice, circular, report, announcement or similar corporate action in respect of China Connect Securities. If the Bank shall make any such collection or receipt, take any such action or give the Customer any such notification or shall take any action pursuant to any such notification, the Bank shall not have:

- (a) any liability in respect of any inaccuracies or delays (including, but not limited to, any delays in delivering cash or scrip dividends to the Customer); and
- (b) any obligation to continue or repeat any such action.

The Bank does not and cannot ensure the accuracy, reliability or timeliness of any company announcements of corporate actions, and neither the Bank nor any Related Person accepts any liability (whether in tort or contract or otherwise) for any loss or damage arising from any errors, inaccuracies, delays or omissions or any actions taken in reliance thereon. The Bank expressly disclaims all warranties, express or implied, as to the accuracy of any company announcement or as to the fitness of the information for any purpose.

22. Disclosure of Information and Publication of Trade Information

SEHK may require the Bank to provide information on the Customer's profile, and the type and value of the Customer's orders in relation to Northbound trading of China Connect Securities and the trades which the Bank executed for the Customer, at such intervals and in such form as SEHK may specify from time to time for purposes of the publication, dissemination or public distribution of aggregated information in respect of China Connect Securities trades under China Connect, trading volumes, investor profiles and other related data.

In addition, the Customer will provide to the Bank, promptly upon request by the Bank, such materials and/or information as may be required by the Bank or any China Connect Authority including, without limitation, any information relating to China Connect trades executed by the Customer through Exchange Participants other than the Bank, where the China Connect Securities in respect of such trades have been transferred to the Bank for sale, and the Customer hereby expressly consents to the disclosure by the Bank of any of the foregoing materials and/or information and any Customer Information to any China Connect Authority as the Bank deems necessary to comply with any Market Requirements.

23. Retention of Information

The Customer acknowledges and accepts that the Bank will be required under the China Connect Rules to keep records for a period of not less than 20 years of (a) all orders and trades executed on the Customer's behalf; (b) any instructions received from the Customer; and (c) the Customer's account information in relation to Northbound trading.

24. Client Error

Neither the Bank nor any Related Person shall be liable for any loss, damage or expense or consequential loss, damage or expense suffered by the Customer as a result of any trading based on the Customer's Instructions. The Bank will not be able to unwind any trade, and the Customer should also take note of the settlement arrangements in respect of China Connect Securities, including, but not limited to, quota restrictions, which may affect the Customer's ability to mitigate the consequences of any error trades.

The China Connect Rules generally prohibit any off-exchange trading or transfers. However, transfers may be permitted between Exchange Participants and their clients to rectify an error trade in limited circumstances, although there is a lack of clarity as to the circumstances in which such transfers may be permitted. Any Exchange Participant who performs a Non-trade Transfer to rectify an error trade will be required to submit to SEHK an error trade report together with supporting documents explaining how the error was made and providing details of the Non-trade Transfer. SEHK has the power to disallow a particular Exchange Participant to conduct Non-trade Transfers for error trade rectification if SEHK has reasonable cause to suspect or to believe that the Exchange Participant may abuse or may have abused such rectification arrangements or may have used such rectification arrangements to circumvent the prohibition against off-exchange trades or transfers. SEHK may provide error trade reports and related information to the SFC and the relevant China Connect Market. Exchange Participants are warned by SEHK not to misuse this arrangement to effect off-exchange trades or transfers which are otherwise disallowed under the relevant China Connect Rules. The Bank shall have absolute discretion to determine whether to conduct any transfer to rectify any error trade and shall have no obligation to do so. Neither the Bank nor any Related Person shall have any liability for any losses which may result directly or indirectly from any error trade or any refusal to conduct a transfer to correct an error trade.

25. Operation of China Connect Service/China Connect Market System

SEHK or the relevant SEHK Subsidiary (after consulting with SEHK) may, under certain circumstances as specified in the SEHK rules and/or whenever SEHK determines that it is appropriate and in the interest of a fair and orderly market to protect investors, temporarily suspend or restrict all or part of the order-routing and related supporting services with regard to all or any Northbound trading of China Connect Securities, and for such duration and frequency as the SEHK may consider appropriate. The Customer will not be able to buy or sell China Connect Securities through China Connect during any period in which trading of China Connect Securities is suspended. In particular, the Customer should note that while trading of China Connect Securities is suspended by SEHK, trading of such China Connect Securities may continue on the relevant China Connect Market. The Customer may remain exposed to fluctuations in the price of China Connect Securities caused by trading on the relevant China Connect Market during the period when trading of such China Connect Securities is suspended by SEHK.

SEHK has absolute discretion to change the operational hours and arrangements of the China Connect Service at any time and without advance notice, whether on a temporary basis, due to operational needs, inclement weather, under emergency situations or otherwise. Moreover, SEHK or the relevant SEHK Subsidiary (with the agreement of SEHK) may cease the provision of the China Connect Northbound trading service permanently.

Such suspension, restriction or cessation will affect the Bank's ability to accept and process the Customer's orders and the Customer is advised to refer to the HKEx website and other information published by HKEx for up-to-date information. There can be no assurance that the Customer's orders will be accepted or processed, notwithstanding that China Connect Securities may be traded through other channels including, without limitation, by PRC investors on the relevant China Connect Market.

Further, the SEHK Rules state that, where any H Shares with corresponding A Shares eligible as China Connect Securities are suspended from trading on SEHK, but the corresponding A Shares are not suspended from trading on the relevant China Connect Market, the service for routing the China Connect sell orders and China Connect buy orders for such A Shares to the relevant China Connect Market for execution will normally remain available. However, SEHK may, in its discretion, restrict or suspend such service without prior notice and the Customer's ability to place sell orders and buy orders may be affected.

In addition, the China Connect Market System is a platform for trading of China Connect Securities under China Connect. The Bank provides trading services based on the China Connect Market System which is operated by the relevant China Connect Market. The Bank is not responsible for any delay or failure caused by any China Connect Market System and investors accept all risks arising from trading China Connect Securities through any China Connect Market System. Neither the Bank nor any Related Person shall be responsible or held liable for any loss or damage directly or indirectly suffered by the Customer arising from or in connection with the China Connect Service or the CSC through Northbound trading including, without limitation, the following:

- (a) a suspension, restriction or cessation of the China Connect Service or the CSC, or any inability to access or use the CSC or the China Connect Service (including any inability of the Bank to provide the Customer with access to or use of the CSC or the China Connect Service);
- (b) any special arrangement put in place or any action, step or measure taken or not taken to deal with an emergency, including but not limited to the cancellation of any or all China Connect orders input by Exchange Participants;

- (c) any suspension, delay, interruption or cessation of trading of any China Connect Securities on the relevant China Connect Market or through SEHK;
- (d) any delay, suspension, interruption or order cancellation of any China Connect Securities as a result of the hoisting of a Typhoon Signal No. 8 or above or the issuance of the Black Rainstorm Warning in Hong Kong;
- (e) any delay or failure to route any China Connect orders or any delay or failure to send any order cancellation requests or to provide the China Connect Service, due to any system, communication or connection failure, power outage, software or hardware malfunction or other event beyond the control of SEHK, the Bank or any Related Person;
- (f) any circumstance in which a China Connect order which a China Connect Exchange Participant has requested to be cancelled is not cancelled for any reason whatsoever;
- (g) any delay, failure or error of any China Connect Market System or any system upon which the relevant SEHK Subsidiary, the Bank or any Related Person is reliant in providing the China Connect Service; and
- (h) any delay or failure to execute, or any error in matching or executing, any China Connect order due to any reason beyond the control of SEHK, HKEx or the relevant SEHK Subsidiary, the Bank or any Related Person (including, without limitation, any action or decision taken or made, or not taken or made, by the relevant China Connect Market, any China Connect Authority or any other relevant governmental or regulatory body).

If there is any delay or failure to send any order cancellation request in any circumstance described in paragraph (e) or (f) above, the Customer shall, in the event such order is matched and executed, remain responsible to fulfil any settlement obligations in respect of such transaction.

26. Operational Hours

SEHK has absolute discretion to determine from time to time the operational hours of the China Connect Service, and will have absolute discretion to change the operational hours and arrangements of the China Connect Service at any time and without advance notice, whether on a temporary basis or otherwise. The Bank shall not be under any obligation to inform the Customer of any such determination by SEHK as to the operational hours of the China Connect Service. Any such change to the operational hours and arrangements with respect to the China Connect Service may affect the Bank's ability to accept and/or process the Customer's orders and/or to provide, in a timely manner, any China Connect trading services generally.

Where, for example, there is any price sensitive information relating to a PRC Listco during a time when the China Connect Service is not in operation, China Connect Securities issued by or in respect of the PRC Listco may continue to trade on the relevant China Connect Market and the price of such China Connect Securities may move significantly. In such case, Northbound investors will not be able to trade in such securities until the next available Trading Day under China Connect.

27. Rights Issuances

Where a Hong Kong or overseas investor receives any form of entitlement security from the issuer of a China Connect Security, if such entitlement security:

- (a) is a China Connect Security, Hong Kong and overseas investors will be allowed to buy and sell the entitlement security through China Connect;
- (b) is not a China Connect Security but is a RMB-denominated security listed on a China Connect Market, Hong Kong and overseas investors may be permitted to sell the entitlement security through China Connect but will not be permitted to buy such entitlement security;
- (c) is a security listed on a China Connect Market but is not traded in RMB, Hong Kong and overseas investors will not be allowed to buy or sell the entitlement security through China Connect. HKEx has stated that the relevant China Connect Market and SEHK will consult each other to agree on the appropriate treatment of the entitlement security; or
- (d) is not listed on a China Connect Market, Hong Kong and overseas investors will not be allowed to buy or sell the entitlement security on China Connect unless and until appropriate arrangements (if any) have been provided by HKSCC. It is possible that no such arrangements will be provided.

28. Odd Lot Trading

Odd lot trading in China Connect Securities is available only for sell orders and all odd lots must be sold in one single order. A board lot order may be matched with different odd lot sell orders, resulting in odd lot trades. Board lot and odd lot orders are matched on the same platform on China Connect and subject to the same share price. The maximum order size is 1 million shares and the tick size is uniformly set at RMB0.01.

29. Risks associated with investing in China Connect Securities

PRC-related risks

Investing in the PRC, an emerging market, involves special considerations and risks, including without limitation greater price volatility, less developed regulatory and legal framework, economic, and social and political instability.

Market risk

The market value of China Connect Securities and the income from them may go down as well as up. There can be no assurance that the Customer will achieve profits or avoid losses from trading China Connect Securities, significant or otherwise. The return the Customer receives from China Connect Securities (if any) will fluctuate in response to changes in capital appreciation and/or income relating to such China Connect Securities. Furthermore, China Connect Securities may experience volatility and decline depending on market conditions. Through trading China Connect Securities, the Customer is exposed to various forms of risk, including (for example) interest rate risks (risks of falling China Connect Securities values in a rising interest rate market), income risks (risks of falling incomes from China Connect Securities in a falling interest rate market) and credit risk (risk of a default by an issuer of China Connect Securities).

Possible business failure risk

In the current economic environment, global markets are experiencing very high levels of volatility and an increased risk of corporate failures. The insolvency or other corporate failure of any issuer of China Connect Securities may have an adverse effect on the Customer's investment. The Customer may lose money by investing in China Connect Securities.

Equity risk

Investing in China Connect Securities may offer a higher rate of return than investing in short term and longer term debt securities. However, the risks associated with investments in China Connect Securities may also be higher, because the investment performance of China Connect Securities depends upon factors which are difficult to predict. Such factors include the possibility of sudden or prolonged market declines and risks associated with individual companies.

Dividend risk

Whether an issuer of China Connect Securities will pay distributions is subject to such issuer's dividend policy. Dividend payment rates in respect of China Connect Securities may depend on factors including general economic conditions and the financial positions of the relevant issuers. There can be no assurance that any dividends or distributions in respect of China Connect Securities will be declared or paid.

Liquidity risks

Although China Connect Securities are listed for trading on a China Connect Market and available for trading through SEHK by China Connect, there can be no assurance that an active trading market for China Connect Securities will develop or be maintained. If spreads on China Connect Securities are wide, this may adversely affect the Customer's ability to dispose of China Connect Securities at the desired price. If the Customer needs to sell China Connect Securities at a time when no active market for them exists, the price the Customer receives for his China Connect Securities — assuming he is able to sell them — is likely to be lower than the price received if an active market did exist.

General legal and regulatory risk

The Customer must comply with all Market Requirements. Furthermore, any change in any Market Requirements may have an impact on the market sentiment which may in turn affect the performance of China Connect Securities. It is impossible to predict whether such an impact caused by any such change will be positive or negative for China Connect Securities. In the worst case scenario, the Customer may lose a material part of his investments in China Connect Securities.

Currency risk

The value of RMB against Hong Kong dollars or other foreign currencies may be affected by a wide range of factors. There is no guarantee that RMB will not depreciate. A depreciation of RMB may result in a decrease in the market value of RMB securities and the realisation price of RMB securities. Non-RMB based investors who are trading in RMB securities may also sustain loss in the event that they subsequently convert any RMB proceeds back to Hong Kong dollars or other base currencies.

There are also significant restrictions on the remittance of RMB into and out of the PRC. If the issuer of RMB securities is not able to remit RMB to Hong Kong or make distributions in RMB due to exchange controls or other restrictions, the issuer may make distributions (including dividends and other payments) in other currencies. Investors may therefore be exposed to additional foreign exchange risk and liquidity exposures.

The liquidity and trading price of China Connect Securities may be adversely affected by the limited availability of RMB outside the PRC and restrictions on the conversion of RMB. These factors may affect the liquidity of RMB for investors and accordingly adversely affect the market demand for China Connect Securities.

- f. We may exercise any of our rights under this Condition 7 any number of times and at any time after you submit an application.

8. Submission of Application for Securities

- a. We will process your instruction to apply for securities in a Public Offer subject to these Conditions (including our right to refuse to act on your instruction under Condition 2(d)) and submit an application for you within such period specified in the Offering Documents.
- b. If we refuse to act on any instruction to apply for securities for any reason, we will refund any amount debited by us in relation to that instruction (in full but without interest) in accordance with Condition 11(a).
- c. Where multiple or suspected multiple applications for securities from you are identified by the Issuer, its share registrar or the Issuer's advisers, your application for securities processed by us may be removed from balloting. The removed application will be regarded as an unsuccessful application by us and we will arrange for refund of the Subscription Cost (excluding our handling fee, if any) in connection with that application in accordance with Condition 11(a) below.

9. Notification of Results

- a. The Issuer of a Public Offer is solely responsible for announcing the result of the applications and allocation of the securities. The arrangements for announcement of results may differ amongst Public Offers. You should review the Offering Documents of the relevant Public Offer for details.
- b. We may where we consider appropriate (but have no obligation to) notify you of the result of the application made by us pursuant to your instruction.

10. Authorisation to Credit the Securities to the Investment Account

You authorise us to credit any securities allocated to you as a result of an application for securities made by us pursuant to your instruction to your Investment Account.

11. Refund of Subscription Cost

- a. We will arrange for refund of Subscription Cost in the following circumstances:
 - (i) if we do not submit an application for you for any reason, we will arrange to refund the Subscription Cost in connection with the application debited by us (in full but without interest) to you by crediting the relevant amount to your Settlement Account within a reasonable time upon closing of the Public Offer period relating to the relevant IPO or such period of time as we consider appropriate; or
 - (ii) if we submit an application for you but it is unsuccessful or only partly successful or rejected where multiple or suspected multiple applications from you are identified, we will arrange to refund the Subscription Cost (in full or in part (as applicable) but without interest) to you by crediting the relevant amount to your Settlement Account within a reasonable time after: (A) the allotment and the Public Offer settlement of successful applications; or (B) we receive the refund from the relevant Issuer, including where the offering is cancelled during or after the Public Offer settlement of the offering. This will ordinarily be on the day on which either (A) or (B) takes place, but in some cases may take longer.
- b. If the offer price of the securities you applied for in a Public Offer (as finally determined by the Issuer) is less than the initial offer price, we will arrange to refund the surplus amount of the Subscription Cost debited in connection with the application to you in accordance with the terms and conditions of the relevant Public Offer.
- c. All fees, charges and expenses charged by us in relation to an application are not refundable unless we agree otherwise.

12. Your Responsibilities and Your Authorisations to Us

- a. You agree to read the terms and conditions and the application procedures set out in the Offering Documents and agree to be bound by them before making an application using HSBC IPO Nominee Services and confirm to us that you are in full compliance with the terms and conditions and application procedures of the Public Offer.
- b. You agree to use HSBC IPO Nominee Services in strict compliance with these Conditions and the provisions (in particular, the terms and conditions of the Public Offer and the selling restrictions) set out in the Offering Documents and the application form. You acknowledge that we are not required to submit an application on your behalf if you do not comply with any of the provisions or requirements set out in these Conditions, the Offering Documents or the application form.
- c. You undertake and agree to accept the securities applied for, or any lesser number allocated to, you or pursuant to your application using HSBC IPO Nominee Services.
- d. If applicable, you authorise us to instruct and authorise the Issuer or other parties (or their respective agents or nominees) in connection with the Public Offer to execute any transfer forms, contract notes or other documents on your behalf, to do on your behalf all things necessary to register any securities allocated to you in your name(s), as required by the articles of association of the relevant Issuer, and to give effect to the arrangements described in the Offering Documents.
- e. In the case of equity offerings, you agree that we have the ability to authorise, on your behalf, the Issuer to place your name(s) on the register of members of the Issuer as the holder of any securities allocated to you.
- f. Where multiple applications are not permitted in a Public Offer, you undertake that the application made by you using HSBC IPO Nominee Services is the only application made by you in that Public Offer. You are fully aware that multiple or suspected multiple applications will, in a Public Offer which does not allow multiple applications, be rejected. You further acknowledge that we may (but have no obligation to) act on your first instruction received by us.
- g. You authorise us, or our nominee(s) (as the case may be) to sign all documents and to do all things necessary to enable you to be registered as the holder(s) of the securities allocated to you, and as required by the articles of association of the Issuer of the securities.
- h. You authorise us to disclose and transfer to any person all information relating to you in connection with your application for securities in a Public Offer if such disclosure and transfer is (i) required by any Applicable Regulations, (ii) requested or required in connection with that Public Offer, or (iii) in our reasonable opinion, necessary for our provision of HSBC IPO Nominee Services. The persons to whom we disclose and transfer your information may include any government, regulatory or tax authority in any jurisdiction, the Issuer, other parties in connection with that Public Offer (including the receiving banks, custodians, depositories, registrars and sponsors in an equity offering or the Central Moneymarkets Unit Service operated by Hong Kong Monetary Authority, or other custodian or depository in a debt offering), and any of our subcontractors, affiliates or nominees. We are authorised to transmit information relating to you to, or through, and to store that information in various locations in or outside Hong Kong as we reasonably consider appropriate or useful for the provision of HSBC IPO Nominee Services.
- i. You will not, and will not attempt to, copy, reproduce, republish, frame, upload to a third party, transmit or distribute the whole or any part of the Offering Documents or the application form.
- j. You understand that it is your sole responsibility to determine independently whether to make an application for securities in a Public Offer and to seek independent professional advice on legal, tax and other issues in connection with the use of HSBC IPO Nominee Services, these Conditions, the Offering Documents and any transactions and dealings which may affect you under Applicable Regulations. We do not provide solicitation, recommendation, investment advice or guidance on any application for securities made by you using HSBC IPO Nominee Services. By making any such application, you are considered as having made such application based on your own judgment and investment decision.
- k. You undertake that at all times you have all authorisations and consents necessary for the transfer, use, control or processing of personal data and other information furnished to or received by us in connection with or pursuant to your use of HSBC IPO Nominee Services. You will indemnify us, HSBC Holdings plc and its subsidiary and associate undertakings and their respective branches ("HSBC Group") for all actions, proceedings and claims which may be brought by or against us or them, and for all losses, damages and reasonable costs and expenses which we or they may incur or suffer as a result of or in connection with the infringement of any other person's rights or violation of any Applicable Regulations caused by the transfer, use, control or processing of personal data and other information pursuant to our provision of HSBC IPO Nominee Services.

13. Fees, Expenses and Rebates

- a. We (or any other member of the HSBC Group) are entitled to receive and retain any rebate received by us arising out of or in connection with the securities successfully allotted to you in a Public Offer. Such rebate may be received by us and other members of the HSBC Group in our respective capacities in connection with that Public Offer, and may take the form of a fee, commission or any other form. We and other members of HSBC Group are not required to account to you any rebate received by us.
- b. We have the right to charge or vary the fees relating to the use of HSBC IPO Nominee Services and the intervals at which they are payable from time to time. Such fees are in addition to any fees which you may be required to pay in relation to your Investment Account. We will notify you the rate of the fee and you have to pay it if you continue to maintain or use HSBC IPO Nominee Services after the effective date for imposing a fee or a revised fee. Any fee payable by you in relation to the application for securities in a Public Offer will be notified at the time of your application. Paid fees are not refundable unless we agree otherwise.

- c. You authorise us to debit any amount payable by you to us (including any fees, charges, expenses or interest) relating to the provision of HSBC IPO Nominee Services from the Settlement Account. The fees may include handling fee, application fee or other fees relating to a Public Offer. We have the right to make the debit whether there are sufficient available funds, overdraft or other facilities in the Settlement Account. If you give us an instruction to submit an application for securities in a Public Offer (i) where there are insufficient funds in your Settlement Account and (ii) which, if executed by us, would cause your Settlement Account to go overdrawn or over an existing overdraft limit, we will treat this as your informal request for an unauthorised overdraft and we may:
- (i) refuse your request and that instruction and impose a service charge for considering and refusing your request; or
 - (ii) agree to your request and provide you with an overdraft or an increase to your existing overdraft. The amount of the overdraft or increase will be subject to our prevailing interest rate calculated on a daily basis. We may charge an arrangement fee for the overdraft or the increase.

14. Delegation

We may sub-contract, outsource or delegate the performance of any part of HSBC IPO Nominee Services to any third parties or otherwise appoint any other person as our nominee or agent to perform any or part of the HSBC IPO Nominee Services (whether locally or overseas) on our behalf.

15. Amendments

We have the right to vary these Conditions (including fees and charges) and any other terms and conditions governing HSBC IPO Nominee Services from time to time by notice. We will give you notice by way of display at our premises or in any other manner we consider appropriate. You will be bound by a variation unless we have received notice from you to terminate HSBC IPO Nominee Services with effect before the date on which that variation takes effect.

16. Communication

- a. We may prescribe, from time to time, the form of notice (whether written or any other form) and the mode of communication with respect to each type of notice to be given pursuant to these Conditions.
- b. You will be considered as having received any notice given by us:
 - (i) at the time of personal delivery or leaving it at the address last notified in writing by you (if delivered personally);
 - (ii) forty-eight (48) hours after posting it to the above address if that address is in Hong Kong or seven (7) days after posting if that address is outside Hong Kong (if sent by post);
 - (iii) immediately after faxing it to the fax number last notified in writing by you (if sent by fax);
 - (iv) immediately after sending it by electronic means to the email address or mobile phone number last notified in writing by you (if sent by electronic means); or
 - (v) immediately after sending it by push notification via the Push Notifications Alerts Service (if sent by push notification).
- c. Communications sent by you to us will be considered as having been received by us on the day of actual receipt.
- d. Where the Investment Account is in joint names, any notice under these Conditions to any of you will be considered as effective notification to all of you.

17. Severability

If any provisions of these Conditions is or becomes illegal, invalid or unenforceable under the laws of any jurisdiction, such illegality, invalidity or unenforceability does not affect any other provisions which remain in full force, validity and effect.

18. Waiver

No failure or delay by us in exercising any right, power or remedy will operate as a waiver of that right, power or remedy. Nor will any single or partial exercise preclude any other or further exercise of a right, power or remedy. Any right, power or remedy under these Conditions is intended to be cumulative and in addition to any other right, power or remedy we have in law.

19. Governing Law and Jurisdiction

- a. These Conditions are governed by and will be construed according to the laws of the Hong Kong Special Administrative Region ("Hong Kong").
- b. You submit to the non-exclusive jurisdiction of the Hong Kong courts.
- c. These Conditions may be enforced in the courts of any competent jurisdiction.
- d. No person other than you and us will have any right under the Contracts (Rights of Third Parties) Ordinance to enforce or enjoy the

benefit of any of the provisions of these Conditions.

20. Governing Version

These Conditions and the application form are available in both English and Chinese languages. The English version of these Conditions prevails to the extent of any inconsistency between the English version and the Chinese version. Any Chinese version of these Conditions is for reference only.

21. Application for an IPO loan facility (if applicable)

a. Use of IPO loan facility

- (i) An IPO loan facility ("IPO Loan Facility") is made available to you by us and should be used exclusively to finance (in whole or in part) the application for securities in a Public Offer made by us or our nominees on your behalf ("Subscription Application").
- (ii) The Subscription Application will be made pursuant to the IPO Loan Facility Details section of the application form submitted by you to us. The loan facility amount ("Loan Facility Amount") will be the maximum amount that we agree to lend to you with respect to the Subscription Amount, and the total amount advanced and drawn down by HSBC ("Drawdown Amount") may be lower than the Loan Facility Amount. You irrevocably authorise us to determine in our sole discretion the size, number, and timing of drawdown(s) for the Subscription Application. We will apply any drawdown to the Subscription Cost, and you are not entitled to withdraw or otherwise use any drawdown under the IPO Loan Facility.

b. Your responsibility to pay any balance of Subscription Cost and provide information

- (i) You are solely responsible for (1) paying any balance of the Subscription Cost for the Subscription Application that is not covered by the Drawdown Amount ("Balance"), and (2) providing to us or our nominee(s) all documents and information necessary to enable us or them to make the Subscription Application on your behalf.
- (ii) You should ensure that there are sufficient available cleared funds in your Settlement Account at all times between (A) the time we receive your application and (B) the time we debit the relevant amount from the Settlement Account. You irrevocably authorise us to pay the Balance from the Settlement Account directly for the Subscription Application if made by us or remit it to our nominee(s) if the Subscription Application is made by them.
- (iii) You understand that we or our nominee(s) will not make the Subscription Application on your behalf unless we or they have received at a time specified by us all documents and information necessary to enable us or our nominee(s) to make the Subscription Application.

c. Repayment of amounts following an unsuccessful Subscription Application

- (i) If the Subscription Application is wholly or partially unsuccessful, any amounts released by us in our capacity as a designated Electronic Initial Public Offering bank ("Designated Bank"), or refunded by the receiving bank as may be specified in the Offering Documents ("Receiving Bank") if we have remitted the application money to the Receiving Bank, will be used to repay the Drawdown Amount (in whole or in part). We will apply any amount released or refunded to repay the Drawdown Amount (in whole or in part) within a reasonable time after such amount is released or repaid ("Repayment"). This will ordinarily be on the day on which the amount is released or repaid, but in some cases may take longer.
- (ii) You agree that our nominee(s) will hold any amounts refunded to them on trust to pay that amount to us and you have no right or claim to any amount refunded. You irrevocably authorise (1) our nominee(s) to pay to us any amount refunded to them in repayment of the Drawdown Amount (in whole or in part) or any other amount payable by you under these Conditions, and (2) us to deduct from your Settlement Account on or after the day of Repayment an amount equal to the balance of the Drawdown Amount not repaid by the amount refunded.
- (iii) We will credit to your Settlement Account (without interest) any amount remaining after we have fully exercised our rights under these Conditions.

d. Facility fee for providing the IPO Loan Facility

- (i) You are required to pay a fee for our provision of the IPO Loan Facility ("Facility Fee"). The Facility Fee is payable regardless of whether any amount is drawn down under the IPO Loan Facility. You irrevocably authorise us to deduct the Facility Fee from your Settlement Account on the day of Repayment.
- (ii) We will provide to you pricing information at the time of or prior to your IPO Loan Facility Application. We will confirm the final Facility Fee that you are required to pay for the IPO Loan Facility as soon as practicable upon our acceptance of your application.
- (iii) Any amount payable by you under these Conditions and interest accrued on such amount which are due and not repaid will bear default interest. Such default interest will accrue at the rate applicable to unauthorised overdraft facility in your Settlement Account up to the day on which all amounts payable by you under these Conditions are repaid in full.
- (iv) All interest payable by you under these Conditions will accrue from day to day and be calculated on the basis of actual days elapsed and a 366 (or 366, as applicable) day year.

- (v) We are under no obligation to refund the Facility Fee under any circumstances, including where the offering is cancelled or does not proceed for any reason.
- e. Cancellation of IPO Loan Facility and our overriding right of demand
Even if we grant the IPO Loan Facility to you, and /or advance any amount to you under the IPO Loan Facility, we reserve the right to cancel or revoke the IPO Loan Facility at our discretion and any amount advanced to you under the IPO Loan Facility is subject to our overriding right to demand repayment at any time.
- f. Limitation of our liability
You understand that (i) the Subscription Application may not be successful in full or at all, and (ii) we have no authority to accept the Subscription Application on behalf of the relevant Issuer. Our receipt of the Subscription Application from you does not amount to acceptance by the relevant Issuer. Neither we nor our nominee(s) owe any liability to you if the Subscription Application is not successful in full or at all for any reason.
- g. Your confirmation
 - (i) If the laws of any place outside Hong Kong are applicable to your application for securities in a Public Offer, you confirm that (1) you have complied with all such laws, and (2) neither we nor our nominee(s) will infringe such laws as a result of providing any service to you relating to the application.
 - (ii) We and our nominee(s) are entitled to rely on any confirmation and declaration made by you in relation to your application for securities.
 - (iii) You understand that we do not provide solicitation, recommendation, investment advice of any nature in providing the IPO Loan Facility or other services to you under these Conditions. You confirm you have received a copy of the Offering Documents relating to the Public Offer. You have to make your own decision whether to subscribe for the securities in a Public Offer having regard to the information and statements in the Offering Documents. You should seek advice from your own professional adviser if you are in doubt.
- h. Your indemnity
You are required to fully indemnify us and our nominee(s) and to keep us and our nominee(s) fully indemnified, on a continuing basis, against any loss, damage, claim, liability, penalty, cost or expense incurred or suffered by us and our nominee(s) arising out of or in connection with your breach of or failure to perform any of your confirmations, declarations and obligations in relation to the IPO Loan Facility, the Subscription Application or these Conditions.
- i. IPO Loan Facility granted to Investment Account in joint names
Where the Investment Account is in joint names:
 - (i) all account holders of the Investment Account are jointly and severally liable with each other for the obligations and liabilities in connection with the IPO Loan Facility; and
 - (ii) all the confirmations and declarations in connection with the IPO Loan Facility made by any of you shall be deemed to have been made by each of the account holders.
- j. You understand that the personal data provided in the IPO Loan Facility application/Subscription Application, and details of transactions or dealings between we and you will be used, stored, disclosed and transferred (in and outside Hong Kong) to such persons as we consider necessary, including any member of the HSBC Group, for any purpose in connection with services we may provide to you, and/or in connection with matching for whatever purpose with other personal data concerning you, and/or for the purpose of promoting, improving and furthering the provision of services by us and/or other HSBC Group members to customers generally. You have the right to request access to and correction of any personal data or to request the personal data not to be used for direct marketing purposes.

22. Security

- a. In consideration of our agreeing to provide and continue providing the HSBC IPO Nominee Services and IPO Loan Facility (if applicable) to you, by way of security for the due and punctual payment of your indebtedness to us in respect of the HSBC IPO Nominee Services and the IPO Loan Facility, you as beneficial owner assign (and agree to assign) to us absolutely all your rights, title, interest and benefit, present and future in and to:
 - (i) the amount of application money held by the Receiving Bank; and
 - (ii) the securities to be allotted by the Issuer pursuant to a successful Subscription Application, together with all claims, rights and remedies which you may have against the Receiving Bank and the Issuer respectively in connection with (i) and (ii) above or otherwise in connection with the Subscription Application.

- (iii) all rights and benefits attaching or accruing to, and all proceeds of sale of, any of the assets and property referred to in (i) and (ii) above.

This charge, pledge and assignment is given by you to us as a continuing security for the due and punctual payment to us of your indebtedness in respect of the IPO Loan Facility and all other moneys and sums due or owing from you to us from time to time pursuant to these Conditions ("Secured Indebtedness"), and for the performance of all your obligations to us from time to time under these Conditions.

c. The security given by you to us under Conditions 22(a) and (b) above is:

- (i) in addition to and may be enforced by us even if we have been given any other guarantee, indemnity or collateral security or any other power, right or remedy now or at any time hereafter, and without reducing or limiting the effect of any such other guarantee, indemnity, collateral security, power, right or remedy; and
- (ii) a continuing security to secure the ultimate balance of the Secured Indebtedness without being affected by your death, bankruptcy, liquidation, winding-up, incapacity or change in your constitution, or any intermediate or partial payment or settlement of the Secured Indebtedness, or satisfaction of the whole or any part of the amounts outstanding under the IPO Loan Facility or your obligations under these Conditions.

23. Our Set-off Right and Lien

- (a) We may, at any time and without notice, without being affected by any settlement of the Secured Indebtedness or other matter, combine or consolidate all or any of your accounts with us (including each Charged Account) and set off or transfer any sum standing to the credit of any one or more of such accounts in or towards satisfaction of any of your obligations or liabilities to us in respect of the IPO Loan Facility or otherwise pursuant to these Conditions or in respect of any other indebtedness due from you to us.
- (b) You irrevocably authorise us to exercise a lien over all your property (including all assets and property in each Charged Account) coming into our possession or control at any time and from time to time, for custody or any other reason and whether or not in the ordinary course of banking business, with our power to sell such assets and property, if necessary, and apply the net proceeds of sale to satisfy any Secured Indebtedness or in respect of any other sum due or owing from you to us.
- (c) Even if you have given us any instruction relating to the application of any funds standing to the credit of any of your accounts maintained with us, we are entitled to withhold and apply any such funds to the extent necessary to secure repayment of the Secured Indebtedness and performance of your obligations to us under these Conditions.
- (d) Without limiting or reducing the effect of the other provisions, you irrevocably authorise us to do the following (or any of them):
 - (i) to (a) hold and sell all or any of the securities held in your Investment Services Account, Securities Account and Securities Margin Trading Service Account (if applicable) at any time in such manner and on such terms at our discretion, (b) apply the net proceeds of sale to satisfy any Secured Indebtedness or in respect of any other sum due or owing from you to us, (c) execute any transfer forms, contract notes and any other documents on your behalf, (d) cancel or amend any instruction to sell or deliver any securities which you may have given us, and (e) do any other things (including instructing our nominee(s) to take any steps and action) that are necessary for these purposes. This authority covers your Investment Services Account, Securities Account and Securities Margin Trading Service Account (if applicable), including the securities subscribed on your behalf pursuant to a Subscription Application; and
