Over-the-limit Facility Arrangement

I want to opt-out of over-the-limit facility for the credit card account: Yes No

Once your request of opt-out of the over-the-limit facility for your credit card account has taken effect, subject to the paragraph below, any card transaction [under the primary card and/or any additional card(s) (combined billing)] which results in the current balance exceeding your available credit limit of your credit card account will not be effected. If you do not opt-out of the over-the-limit facility and the statement balance (excluding all fees and charges currently billed to your credit card account) exceeds the credit limit, the Bank will treat this as your informal request for raising your credit limit. The Bank may agree to your request and charge, without prior notice, a handling fee for considering and agreeing to your request. Please refer to the Key Facts Statement for the overlimit handling fee per billing cycle.

Even if your opted-out of the over-the-limit facility has taken effect, the Bank may still allow certain types of transactions in excess of the credit limit, including any card transaction which is not immediately processed by the Bank or does not require the Bank's authorisation for effecting payment. Examples of such card transactions are Octopus Automatic Add-Value transactions, mobile or contactless payment transactions, transactions approved yet late posted, transactions where the posting amount exceeds the transaction amount, and transactions approved by Visa/MasterCard/UnionPay to your credit card account which may result in over-the-limit transactions. For details, please visit the Bank's website or refer to the confirmation letter which will be sent to you after your request has been processed.
