2. Press "Get Security Code" and check your mobile phone for an SMS with a one time security code. Enter the one time security code to log on.

HSBC Broking Mobile Trading App

Trading or Stock Tracking Related > Portfolio Tracking

After you have successfully logged on, you will be able to see this landing page – where you can view your portfolio.

1. You can find information about your holdings including current price, daily changes and market value etc.
2. You can always return to this page by pressing the “Portfolio” tab on the bottom left hand corner of the bottom menu.

HSBC Broking Mobile Trading App

Trading or Stock Tracking Related > Stock Quote

The image illustrates the steps to find a stock quote in the HSBC Broking Mobile Trading App:

1. On the landing page or any page, you can find a magnifier on the top right hand corner, press to enter stock quote mode.
2. Enter the stock code or stock name for a predictive search. Press the corresponding stock you want.
3. You should then be able to view the stock quote. You can also press to buy or sell the stocks here.

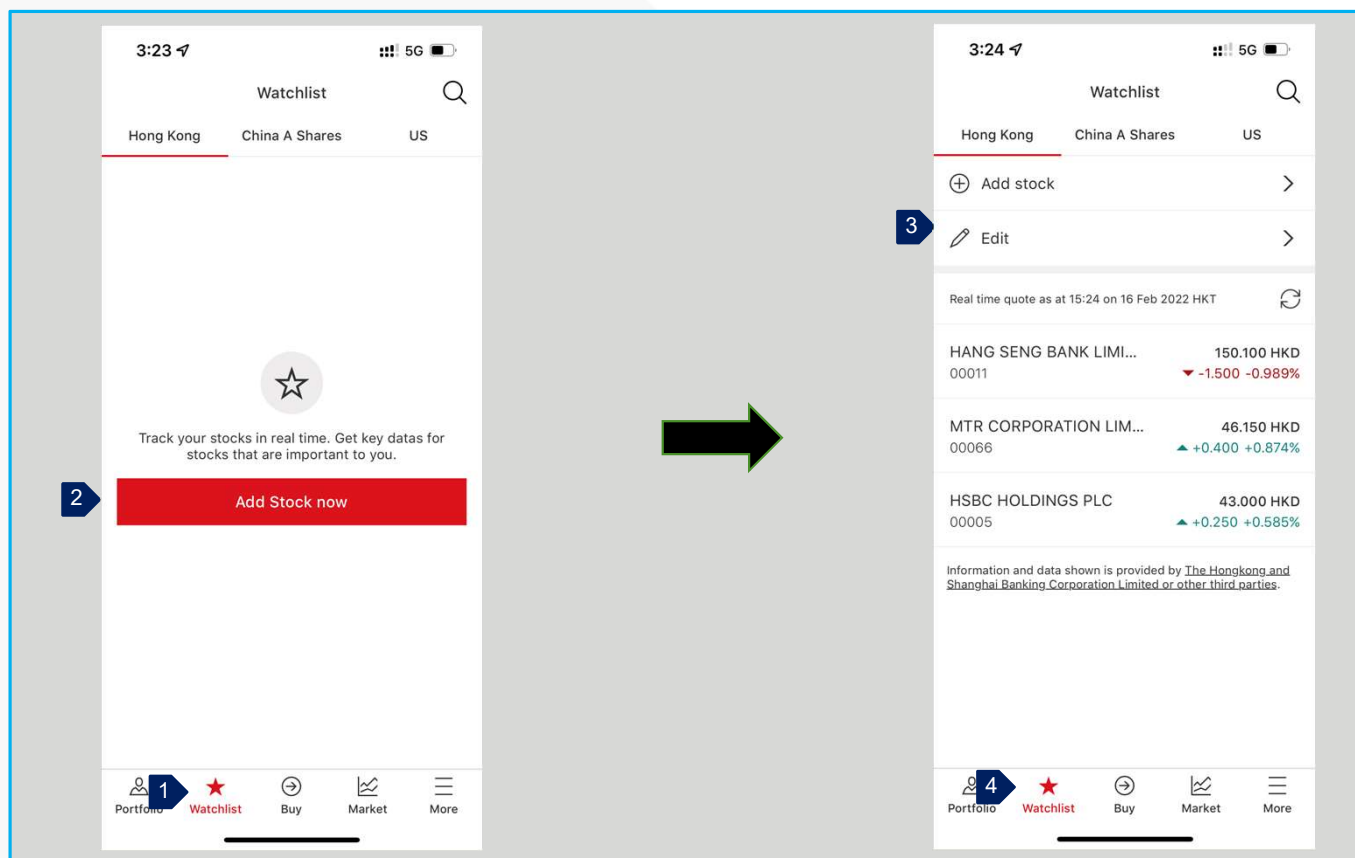

You may get a stock quote with price and other information by following the steps below:

1. On the landing page or any page, you can find a magnifier on the top right hand corner, press to enter stock quote mode.
2. Enter the stock code or stock name for a predictive search. Press the corresponding stock you want.
3. You should then be able to view the stock quote. You can also press to buy or sell the stocks here.

HSBC Broking Mobile Trading App

Trading or Stock Tracking Related > Watchlist

1. You will be able to access your watchlist by pressing the 2nd tab on the bottom menu.
2. Your watchlist would be empty at first. Press the red button to add stock to your watchlist and start tracking.
3. If you have an existing watchlist, you can add more stock to it or press edit to amend or remove stock. You can also press individual stock to access the stock quote page.
4. You can always return to this page by pressing the "Watchlist" tab on the bottom menu.

HSBC Broking Mobile Trading App

Trading or Stock Tracking Related > Order Placement

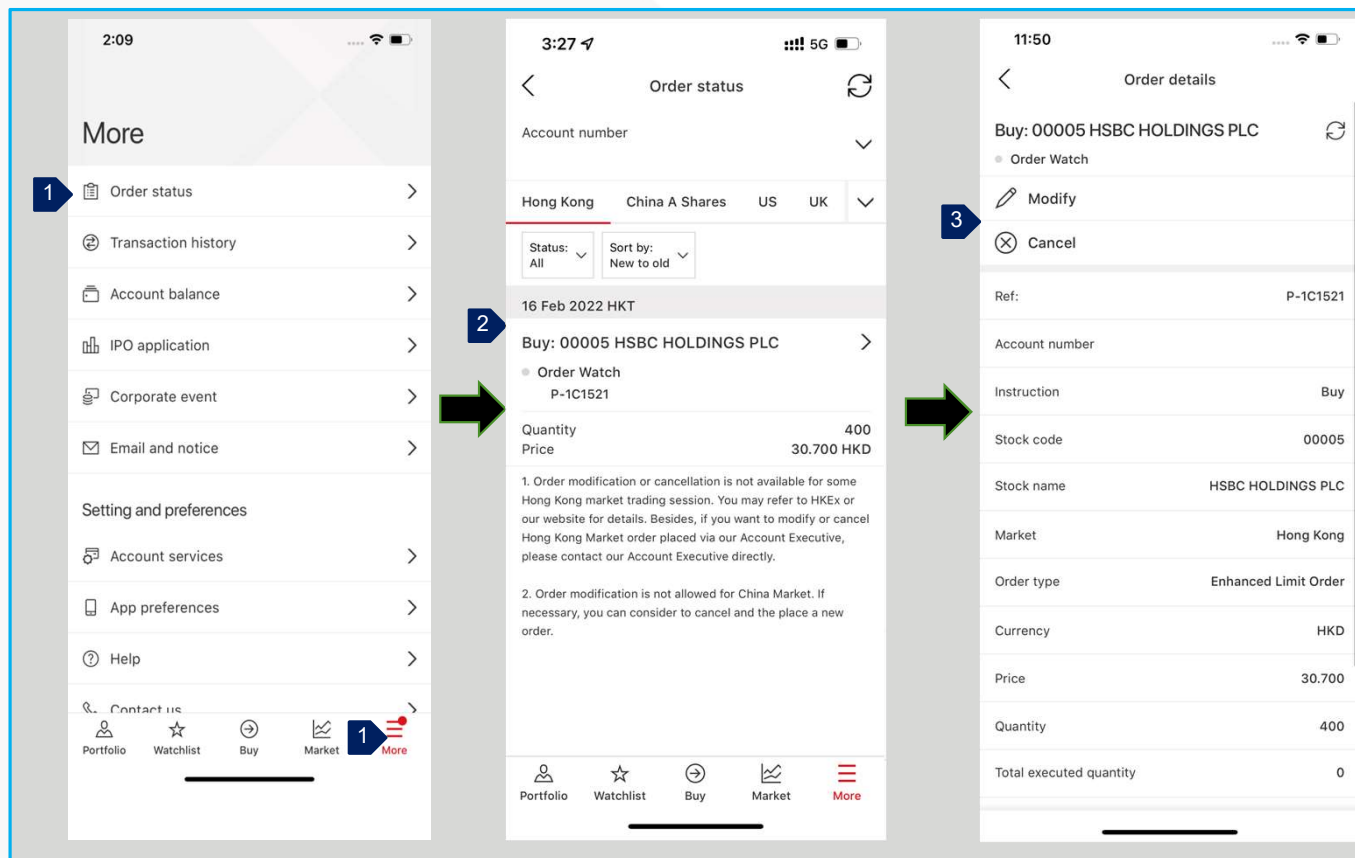

The image displays three sequential screenshots of the HSBC Broking Mobile Trading App interface, illustrating the order placement process. The first screenshot (labeled '1') shows the stock quote page for HSBC Holdings PLC (00005 (HK)) with a price of 30.700 HKD, a bid of 30.650, and an ask of 30.700. It includes a line chart and a 'Buy' button. The second screenshot (labeled '2') shows the 'Buy' order details page where the user has selected 'Enhanced Limit Order' with a price of 30.700 and a quantity of 400. A 'Preview Order' button is visible. The third screenshot (labeled '3') shows the 'Verify' order details page, where the user can review the order information, including the account number, instruction (Buy), stock code (00005), stock name (HSBC HOLDINGS PLC), market (Hong Kong), lot size (400), order type (Enhanced Limit Order), currency (HKD), price (30.700), quantity (400), expiry date (15 Mar 2021 HKT), and estimated consideration (12,393.94). A 'Confirm' button is at the bottom.

1. On the stock quote page, press “Buy” or “Sell” to place your order.
2. Input the order details here, including order type, price, quantity and expiry date.
3. Review all the details to ensure that all the information is correct and read the important note, then press “Confirm” to place the order.

HSBC Broking Mobile Trading App

Trading or Stock Tracking Related > Order Status
