

【Hong Kong inspired by the world. The world inspired by Hong Kong】 1 Video script:

Trap beats, Techno waves and Tropical drums. Let your mind travel through a Cantopop playlist — these are Hong Kong stories inspired by the world.

Slapstick comedies, martial arts movies and melancholic dramas — these are the world's stories inspired by Hong Kong.

Hong Kong and the world constantly inspire each other. At HSBC, we'll strive to continue to open up a world of opportunity.
