

【Hong Kong inspired by the world. The world inspired by Hong Kong】 2 Video script:

Taste the world through inspired flavours. Singapore vermicelli, Swiss wings, Shanghainese noodles — these are Hong Kong stories inspired by the world.

Multi-purpose carry-all, luxury handbag, modern work of art — these are the world's stories inspired by Hong Kong.

Hong Kong and the world constantly inspire each other. At HSBC, we'll strive to continue to open up a world of opportunity.
