A guide with important highlights

Manage your policy

At HSBC Life (International) Limited (“HSBC Life” or “the Company”), we recognise that insurance can often appear complicated. This Policyholder User Guide (“User Guide”) is intended to explain many of the basics about your policy and how it provides you with the protection you require. Your insurance policy is unique to you and outlines the particular terms of your coverage. We recommend that you read the policy document carefully and keep it in a safe place along with all your other important documents.

We make it easy for you to access your policy whenever and wherever you want.

Policy servicing

You can review the details of your policy through our Personal Internet Banking and HSBC HK Mobile Banking app any time you want. You can alter your policy to reflect any changes in your personal circumstances. Depending on the type of plan you have, you can:

- change how you pay your premium and/or how often you pay it;
- update your personal particulars, such as address and telephone number;
- change your coverage, subject to the terms and conditions applicable to the policy.

Making changes to your policy is straightforward. You can simply download a Change Request Form from our website (please refer to Other Services section on page 18), complete it, then mail it to our correspondence address at HSBC Life (International) Limited, 18/F, Tower 1, HSBC Centre, 1 Sham Mong Road, Kowloon, Hong Kong.
