

Dr. Ayesha Khanna:

I'm Ayesha, co-founder, CEO and strategic advisor on artificial intelligence.

我是 Ayesha，一位共同創辦人、行政總裁及人工智能(AI)策略顧問。

But that's not how I started out.

但我不是從一開始就這樣發展我的事業。

I worked on Wall Street for over a decade, then inspired by the rapid rise in tech, I relocated to Singapore.

我在華爾街工作了超過 10 年，之後有見科技的迅速發展，我調遷到新加坡。

That's how I came to co-found ADDO AI, my AI solutions firm, which enables companies to use data science to reach consumers in a more customer-centric way.

然後我就共同創辦了我的人工智能公司 ADDO AI，主要幫助公司客戶利用數據科技以一個更以客為本的方式去接觸其目標客戶群。

I'm passionate about amplifying human potential, especially female entrepreneurs.

我熱衷於啟發並放大人類的潛能，特別是女性企業家。

And that's why I'm thrilled to be working with HSBC Jade and their campaign supporting female business owners and entrepreneurs.

因此我很高興能夠與滙豐尚玉合作，並參與這個推動支持女性企業家的計劃。

Watch this space as I tell you about what I've learned along the way.

與大家分享我一路以來的得著
