

Employee Resource Groups

Hong Kong Factsheet

The Employee Resource Groups (ERGs) in Hong Kong bring people of different interests together, and make HSBC a place where everyone can be themselves and achieve their full potential.

Balance

The Balance network supports the recruitment, development and advancement of a gender-balanced workforce within HSBC.

Embrace

Our Ethnicity and Race network helps us attract, retain and engage a diverse range of talent. It focuses on ensuring that HSBC is a place where people of different ethnic and cultural backgrounds can thrive.

Environmental Fellows

The Environmental Fellows Employee Network Group provides an avenue for colleagues to learn more about the environment, act together with HSBC to combat climate change and to help promote a low-carbon lifestyle.

Generations

The Generations strive to create an open, inclusive and high performance culture in which employees with different levels of experience and in different age groups will prosper together.

Pride

Our Pride network encourages an inclusive environment through Lesbian, Gay, Bisexual and Transgender (LGBT) engagement and LGBT Ally who support LGBT community in the workplace.

Project Link

The Project Link provides an open environment for any employee to network, learn and share with professionals so that one can enhance their skills and project management techniques applicable above and beyond a career at HSBC.

Women's Network

The HSBC Women's Network aims to support women's professional growth through networking, mentoring, skill development and community outreach opportunities.

Working Parents Group

Working Parents Group creates a network within HSBC for working mothers and fathers and any employees who wish to meet to share experience, provide mutual support and find solutions to common parenting topics.
