

## HSBC Premier Thematic Video – Astronaut Family

Y'know, Van Gogh was a genius...He started off as a missionary and only became a painter later in life...  
I guess he was also a late bloomer.

Dr Cheng, your patient is here.

The dormitory's way over there. It's a good 20 minutes' walk. Sweetie, why haven't you started packing?  
How about you do it?  
Is this going to be warm enough?  
Leave my clothes alone!  
Mmm, nice colour!

Honey, what are you doing?  
Mustn't forget the admission letter!  
Honey, you're always right!

Sweetie, have you got your admission documents and visa all sorted?  
I already took care of them.

Still worried about something?  
A degree's important.  
But nothing's more important than your dream.

Something on your mind?  
You said that dreams are most important.

Honey,  
Yes?  
Do you have any regrets in life?  
Marrying you?

One, two, three...It's no good.  
One, two, three...  
Remember, still tell mummy everything when you're there.

One family living in two different places, and life still goes on.  
Wait! Where's the admission letter?  
THIS is mine and THIS is yours.  
Thank you!  
Mummy's calling!  
Hey!  
So you're having fun in Hong Kong by yourself.  
Both of you work hard on the first day of school!  
Don't worry, mum. I'll take care of dad.

Make bold moves for your family's future.  
With HSBC Premier's International Education Support, your family can soar higher with their dreams.
