

## HSBC Premier – 2025 Video Transcript

Hey HSBC!

Hey HSBC!

I want to invest in asset classes and markets all around the world  
How can I get started, and what should my plan be?

We've got you covered. No problem!

HSBC Premier's Relationship Manager and Wealth Specialist  
will help personalise wealth management solutions based on your needs

With 160 years of wealth management experience  
HSBC Premier also allows you to tap into our Chief Investment Office  
which analyses the latest market trends for you

If you need any help  
just reach us through RM Chat (WhatsApp or WeChat)

Hey HSBC!

I want to help my daughter explore more opportunities for further education  
but I don't know which school is right for her

The first step is to reach out to us

HSBC Premier Academy  
will regularly organise summer education experience  
both locally and overseas

Let me introduce our Chief Education Officer

Remember to schedule an appointment with us for a 1-to-1  
Hong Kong or overseas education consultation service

From helping your child build a profile to  
assisting with the whole admission process  
we'll be there every step of the way

Leave it to us, and now you've got less "homework" to do!

Hey HSBC!  
Medical costs are increasing every year  
Is there a better way to protect my health?

We've helped you plan ahead!

HSBC Premier has you covered  
providing over 100 healthcare offers from private hospitals to  
designated medical groups across Hong Kong

Our Medical Concierge service also offers a 24/7 medical hotline  
assisting you with whatever you need at any time

With everything in hand, you can rest assured

Hey HSBC!  
I want to retire before 50 and then travel the world
