- 2 Please note that any withdrawal of one of the 12 supported currency to complete the withdrawal, we will convert the entire foreign currency transaction amount into Hong Kong dollars for debiting from your Hong Kong dollar accounts according to our prevailing exchange rates.
- 3 If you withdraw in a currency other than the 12 supported ones, we will convert the entire foreign currency transaction amount into Hong Kong dollars for debiting from your Hong Kong dollar accounts according to a rate determined by us with reference to the exchange rate adopted by Mastercard on the date of conversion.

Note: The supported currencies of HSBC Mastercard Debit card are AUD, CAD, CHF, EUR, GBP, HKD, JPY, NZD, RMB, SGD, THB and USD.

Such option is a direct arrangement offered by the overseas merchants/ ATM operators and not the card issuer. In such cases, customers are reminded to find out from the merchants/ ATM operators about the foreign currency exchange rates and the percentage of handling fees to be applied before entering into the transactions since settling foreign currency transactions in Hong Kong Dollar may involve a higher cost than settling in foreign currency.
