1. Introduction

1.1 Well+ Programme

1.1.1 Our Well+ programme (the "Programme") aims at rewarding customers of The Hongkong and Shanghai Banking Corporation Limited, incorporated in the Hong Kong Special Administrative Region ("Hong Kong SAR") with limited liability ("HSBC" or the "Bank") and HSBC Life (International) Limited, incorporated in Bermuda with limited liability ("HSBC Life") who are proactive in improving their health and general well-being ("you") by providing benefits as listed in this document.

1.1.2 By joining this Programme, you are incentivised to complete activities to improve your overall wellness and earn rewards ("Rewards"). Your activities are measured by selected health or fitness apps and shared with HSBC and HSBC Life (collectively referred to as "We") via the HSBC HK Mobile Banking app.

1.1.3 This joint Programme is co-branded by HSBC Life and HSBC, and is provided in the Hong Kong SAR only.

1.1.4 The most up-to-date version of these T&C's is available on the Well+ website and on the HSBC HK Mobile Banking app. You should periodically check these T&C's and any other applicable documents relevant to the Programme. The date of the latest version of these T&C's can be found at the bottom of this document under the heading "Last Updated Date". You must be a member in order to join the Programme.

1.1.5 Before you apply to become a member of the Programme, you must read and agree to be bound by these T&C's, the HSBC Terms of Use applicable to HSBC website (see <https://www.hsbc.com.hk/legal/terms-of-use/>), and other information, materials and contents relevant to the Programme;

- consent to the collection, use and disclosure of personally identifiable information and any other information from or about you, including but not limited to any demographic, health and wellness related information in accordance with Well+ Data Privacy Notice (see <https://www.hsbc.com.hk/well-plus-data-privacy-notice>). Your said information will be protected in accordance with our HSBC's Privacy and Security notice (see <https://www.hsbc.com.hk/legal/privacy-security>);
- consent to HSBC and HSBC Life accessing, using and storing your health and wellness data (for example "steps" or "workout" data) as collected by HSBC and/or HSBC Life from your health or fitness app via the HSBC HK Mobile Banking app, for the purposes of the Programme;
- acknowledge and agree that HSBC and/or HSBC Life may make changes to these documents, and adopt, promulgate or implement any other rules, regulations, policies or procedures relevant to the Programme; and that HSBC and HSBC Life shall have the sole right to interpret, apply and disapply any of these T&C's, and any other rules, regulations, policies or procedures.

1.1.6 HSBC and HSBC Life shall have the right to alter and amend the Programme from time to time, provided that we shall act reasonably in doing so. Such alterations or amendments may include:

- modifying the Programme structure, or making changes, in whole or in part, to any aspects of the Programme, Rewards, rules, regulations, policies, procedures, conditions of participation or other features including these T&C's (and any other applicable terms and conditions communicated in any other materials relating to the Programme) (see clause [5.2] Changes to the Well+ Terms and Conditions for further details); and
- terminating, suspending or canceling the Programme (in whole or in part).

1.1.7 When the staff manning the HSBC hotline or Mobile/Live Chat respond to your queries, they may need to use your data. By contacting these staff, you consent to the relevant staff accessing and reading your personally identifiable information and health and wellness data (i.e. steps and workout).

1.2 Eligibility

1.2.1 Subject to these T&C's, the minimum eligibility requirements for you to join the Programme are that you meet all the following requirements:

- You must be 17 years old** or above at the time of registration;

**If you are under 18, please consult your parents or guardians before you give us any information about yourself.

- Maintain your status as a valid HSBC HK Mobile Banking app user*** throughout the duration of the Programme; and
- Your membership of the Programme has not been cancelled or terminated previously.

***Hong Kong Residents only, not including MPF or Pension only customers.

1.2.2 Membership of the Programme is only opened to eligible HSBC individual customers (for their own personal purposes), and not corporate customers. Each such individual is entitled to only one Well+ membership;

1.2.3 Unless otherwise specified in these T&C's or in any other documents relevant to the Programme, you cannot transfer, assign, sell, exchange, barter or pledge your rights or benefits under the Programme to another person.

1.2.4 The Well+ membership commences upon successful enrollment, until its termination or cancellation.

1.2.5 To earn the rewards from fitness fun activities, you must have a compatible health or fitness app that can be synchronized with the Programme.

1.2.6 HSBC and HSBC Life reserve the right to cancel or terminate the membership if you cannot fulfill the eligibility requirements as set out above.

1.2.7 HSBC and HSBC Life will send you important information relevant to the Programme (including but not limited to product updates such as new features or new "bonus badges" rolled out under the Programme) via push notifications received from the HSBC HK Mobile Banking app. We recommend that you ensure the option to receive push notifications via the alerts service is turned on within both the HSBC HK Mobile Banking app's settings and within your health and fitness app settings as applicable.

1.2.8 HSBC and HSBC Life will also send you important information relevant to the Programme (including but not limited to product updates such as new features or new "bonus badges" rolled out under the Programme) via SMS, email, in-app messages mail and/or posts. Please ensure your mobile number, email address and physical mail address are up to date.

1.2.9 You may opt out of receiving marketing materials related to HSBC (including Well+) by updating your marketing preferences within your HSBC Mobile Banking app and/or on Internet Banking. However, if you choose to opt out, you are not able to receive useful information about, offers and promotions etc under the Programme. For further details, please refer to the Well+ Data Privacy Notice (see https://www.hsbc.com.hk/content/dam/hsbc/hk/vam/pdf/well_plus_data_privacy_notice_en.pdf).

2. Well+ Programme Rewards

2.1 Rewards of the Well+ Programme

2.1.1 You will be eligible to enjoy rewards when you become a Well+ member. The extent of the rewards earned (the "Rewards") under Well+ may vary depending on certain factors (such as if you are a HSBC Life policyholder) and on your achievement of various Badges and levels as stated in Well+.

2.1.2 For RewardCash rewards, the maximum aggregate amount of RewardCash that can be earned by an individual Well+ member completing all 25 Levels of the Programme can be found within our FAQ's (see

<http://www.hsbc.com.hk/well-plus/>). Currently, HSBC customers that hold an in-force individual HSBC Life insurance policy ("HSBC Life customers") can earn enhanced rewards.

2.1.3 If a Well+ member becomes an HSBC Life customer during the Programme journey, they shall be eligible to earn enhanced rewards, from their current point of progression in the Programme journey onwards, (but not for those Levels previously completed as a non-HSBC Life customer). Conversely, if a Well+ member loses their status as an HSBC Life customer during their participation in the Programme (for instance, where their insurance policy comes to an end), they shall no longer earn enhanced rewards, from that point onwards (without affecting any enhanced rewards already earned as an HSBC Life customer).

2.1.4 Reward types, amounts, availability, and the means by which they are earned, credited and redeemed, may be subject to change from time to time, without any prior notice. In particular, the optional "Bonus Badges", and certain Rewards (e.g. vouchers, coupons or other rewards from supplying rewards partners), may be subject to additional or varying eligibility, reward related criteria and other terms that shall be specified to you prior to your registration of that Badge, or earning/redeeming the Reward.

2.1.5 The Rewards may be subject to availability from the supplying rewards partner. HSBC and HSBC Life reserve the right to replace its rewards partners and/or the Rewards with any alternative rewards from any rewards partner, change the type of/value of its Rewards, or change its eligibility conditions in respect of those Rewards (including future Rewards), at any time without prior notice.

2.1.6 The Rewards cannot be sold, exchanged or converted to cash, discounts or other services, and their use is also subject to the terms and conditions stipulated by the rewards partner.

2.1.7 HSBC and HSBC Life are not responsible for and shall have no liability in respect of; 1) the quality of products or services provided by the rewards partner(s); 2) any withdrawals by the rewards partner(s) from the Programme; and 3) any discontinuation of the reward partner(s)' products or services for any reason. In the event of any dispute arising out of the Rewards, the decision of HSBC and HSBC Life shall be final and conclusive.

2.1.8 Rewards may carry different validity periods, subject to the terms of the respective rewards partner(s). Some rewards partner(s) may designate certain time periods, or set other limitations, conditions, or eligibility criteria, for the use of the Rewards. Earned rewards will become invalid if not redeemed or used within their stated validity period.

2.1.9 Subject to the above, once a Reward has been earned within the Programme it will be considered final and cannot be amended or cancelled by the Well+ member.

2.2 Redemption of Rewards

2.2.1 Only current Well+ members can earn and redeem Rewards. While it is not necessary to hold a valid HSBC credit card to join the Well+ Programme and start earning Rewards and RewardCash, any RewardCash that is earned can only be used after you select and designate a valid HSBC credit card (an HSBC Visa/ Mastercard/ UnionPay credit card denominated in Hong Kong dollar, US dollar or Renminbi) for it to be credited to. Subject to the terms of each promotional campaign, other vouchers or reward types may be available as the reward or as an alternative for selection in place of RewardCash.

2.2.2 RewardCash earned will be credited to your designated HSBC credit card account. It'll take around 2 weeks for this to be updated in the HSBC Reward+ app. Any instructions associated with changing your designated HSBC credit card account should be placed at least 5 working days in advance of completion of challenge. In any event, if you have not selected a valid HSBC credit card within 3 months of joining Well+, you will lose all RewardCash you have earned up until that date.

2.2.3 If at any point, your credit card designated for the Programme becomes invalid, RewardCash earned will not be credited until another valid HSBC Credit Card is selected. In any event, if you have not selected a valid HSBC credit card within 3 months of the credit card becomes invalid, you will lose all RewardCash you have earned up until that date.

2.2.4 Usage of RewardCash is bound by the RewardCash Terms and Conditions. See RewardCash Terms and Conditions (<http://www.hsbc.com.hk/credit-cards/rewards/terms>) for more details.

2.2.5 We shall refer to the latest data in your HSBC HK Mobile Banking app for the purpose of calculating your progress in Well+ and therefore, any Rewards due. If you are an iOS user, your health and wellness data are synced automatically with your Apple Health app each time you log on to the HSBC HK Mobile Banking app. Therefore, we recommend that you log on as often as you can. Any steps or workout not recorded on your device or manually input will not be included. For Android users, your health and wellness data are synced automatically with your selected health or fitness app at regular interval throughout the day. Any steps or workout not recorded on your device or manually input will not be included. HSBC reserves the right to make the final decision on the fulfillment.

3. Third Party Apps/Devices

3.1 Third Party Apps/Devices

3.1.1 Participation in Well+ requires that you 1) provide consent to HSBC/HSBC Life for the HSBC HK Mobile Banking App to access and retrieve your health data from your selected third party health and fitness app/device, and provide consent to your selected third party health and fitness app/device to share your health data with the HSBC HK Mobile Banking App; and 2) connect or synchronise the HSBC HK Mobile Banking App with your selected third party health or fitness app/device.

3.1.2 For Android users, HSBC Life also relies on the use of its third party service provider, dacadoo, and its dacadoo Health Engagement Platform ("DHEP") via HSBC's HK Mobile Banking App, to integrate with either Fitbit, Garmin Connect or GoogleFit as selected, and function in order to retrieve the relevant health and wellness data. For iOS and Android users, the DHEP shall process your relevant health and wellness data for HSBC Life to provide you with the Health+ Score and goal achievement.

3.1.3 As such, HSBC and HSBC Life are not responsible or liable for your use of such third party health or fitness apps/devices which may be subject to their respective terms and data privacy notices, and do not represent or guarantee that the third party app/device (or DHEP) will function or be compatible with the HSBC HK Mobile Banking App or be error-free. In particular, HSBC and HSBC Life shall not be liable for any errors, omissions or inaccuracies in the data (or other services) received from such third party apps/devices (or DHEP), any data or outcomes generated based on data received from such third party apps/devices (or DHEP), or for any interruptions, access or security issues associated with the provision of such data by the third party health or fitness app/device (or DHEP).

3.1.4 HSBC and HSBC Life do not make any specific guarantees regarding the ongoing availability of data from the third party apps/devices for use with Well+. If, for any reason HSBC or HSBC Life is unable to administer the Programme without interruption (such as where the third party apps/devices may stop providing HSBC or HSBC Life and/or dacadoo with access to its data), HSBC and HSBC Life reserve the right to suspend or terminate any of the services in relation to the Programme, and you hereby agree to release us from any liability relating to our delivery of the Programme.

Your entitlement to your Rewards earned will be forfeited.

4.1.6 You will still be deemed as a member of the Programme if you only:

- (a) switch off all the data sharing permissions from i) your health or fitness app; or ii) your mobile device; and/or
- (b) uninstall the HSBC HK Mobile Banking app.

4.2 Termination

4.2.1 HSBC and HSBC Life reserve the right to terminate your programme membership at any time, to the extent practicable, by giving you at least thirty (30) days' notice of any such termination, save for the following circumstances where we may terminate immediately upon giving you written notice to this effect:

- you no longer meet the eligibility criteria for membership of the Programme as stated herein;

4.2.3 Subject to applicable laws and regulatory requirements, we shall thereafter remove any non-anonymised health and wellness data collected by the HSBC HK Mobile Banking app within 90 days from the date your membership under the Programme has been terminated. However, for purpose of identifying whether one is seeking to re-join the Programme, we will keep the record that you have enrolled the Programme for as long as the Programme remains available.

To disable the sharing of data with the HSBC HK Mobile Banking app after your membership under the Programme is terminated, you should turn off the data sharing permissions from i) your health or fitness app; and ii) your mobile device.

4.2.4 HSBC and HSBC Life accept no responsibility or liability for any direct, indirect or consequential damage or loss arising from or in connection with the termination of your membership of the Programme.

4.2.5 For any RewardCash earned, we may, at our discretion, make one attempt, following termination, to credit you with any RewardCash earned up to the point of Termination. This will be forfeited if a valid Credit Card is not available at the time of attempted crediting.
