## How to pay off other banks' credit card bills at once with your HSBC credit card?

Now, you can pay credit card bills from other banks<sup>1,2</sup> with your HSBC credit card and simplify your credit card repayments by consolidating them all on your HSBC credit card. You can settle your outstanding balances easily with just a few taps and a 1% bill payment handling fee<sup>3</sup> (minimum fee is HKD120).

### HSBC Mobile Banking

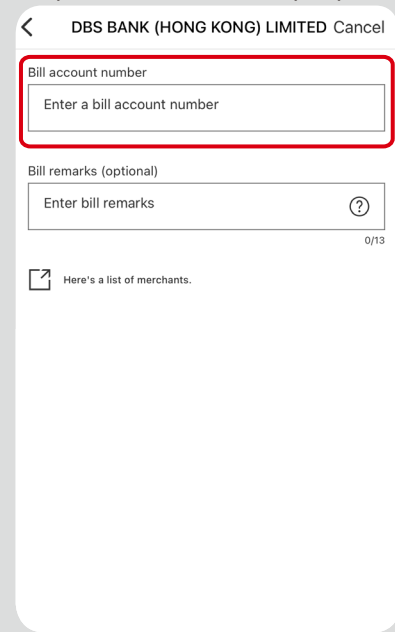

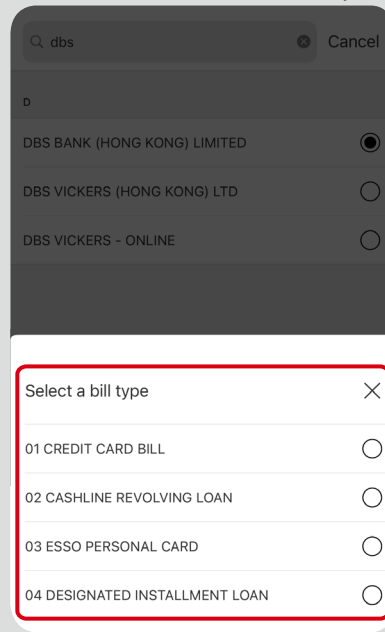

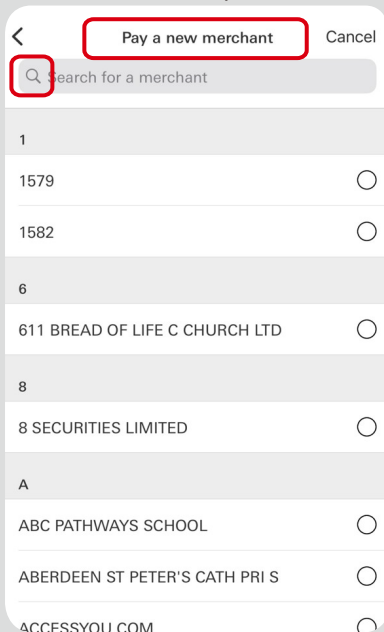

#### Step 1

- Log on to HSBC Mobile Banking and tap "To pay bills or taxes" under the "Pay" menu.

#### Step 2

- Choose "➕ Pay a new merchant" to pay a new merchant or select the merchant you have paid before from the "Previously paid merchants / organisations" list.
- Tab 🔍 to search for the finance company to pay.
- Select the "Bill type" (if applicable).
- Input the "Bill account number" to continue. This is usually your credit card or loan account number. We recommend that you check the relevant statement or confirm directly with the respective financial company.

### Step 3

- Select the HSBC credit card account you wish to pay from.
- Input the 'Amount' and 'Payment date'.

The first screenshot shows a 'From' selection screen with a search bar and three credit card options, each with a radio button. The second screenshot shows the 'Payment details' screen with fields for 'To', 'Bill type', 'Amount', 'Payment date', and 'Reference (optional)'. A note indicates a daily transfer limit of 50,000.00 HKD.

### Step 4

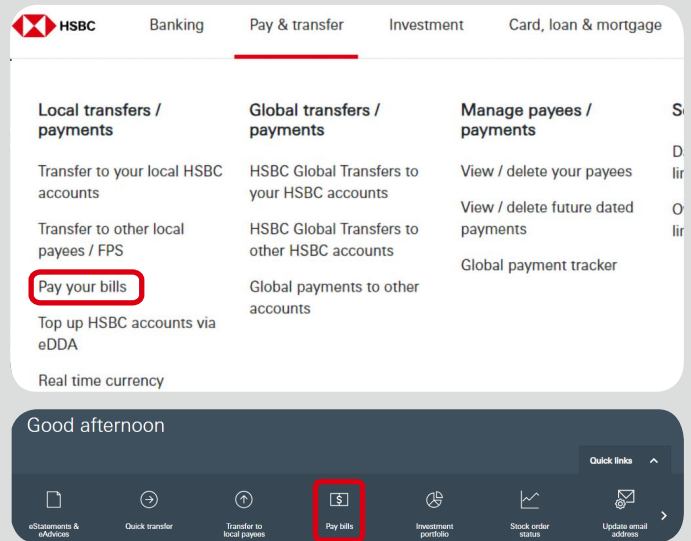

- Upon verifying the payment details, please check the confirmation check-box and click "Confirm" to complete the transaction.
- Note: A 1% surcharge (handling fee) will be applied to the payment amount for bill payments to other financial companies, with a minimum fee of HKD120.

The 'Review' screen displays a summary of the payment details. A blue information box at the top states: "Please note that this bill payment is subject to a surcharge (ie a bill payment handling fee that's applicable when you make online bill payments to finance companies using credit cards)." An 'Important information' section lists: 1. Please check your payment details carefully before continuing as this payment cannot be recalled. 2. The cut-off time for same day payments to this merchant is 4:30pm HKT from Monday to Friday (excluding public holidays). Transactions made after the cut-off time will be processed on the next business day. 3. Notes for using credit cards for online bill payments to finance companies: 1. You will not earn RewardCash for this payment. 2. A surcharge (ie a bill payment handling fee) will be incurred. Please visit our [Key Facts Statement](#) to view the details and save a copy for future reference. 3. To borrow or not to borrow? Borrow only if you can repay! A 'Confirmation' section has a checked checkbox and the text: "I understand that a surcharge (ie a bill payment handling fee) will be incurred for online bill payments to finance companies made with any credit card. I confirm that I've read and understood the important information." A red 'Confirm' button is at the bottom.
